Early Morning Riser Apr 13 2021 Alternately bittersweet and laugh-out-loud funny, a wise, bighearted novel of love, disaster, and unconventional family—from the acclaimed author of *Standard Deviation*, who has been called the "literary descendant of Jane Austen, sharing Austen's essentially comic world view" (NPR). Jane falls in love with Duncan easily. He is charming, good-natured, and handsome but unfortunately, he has also slept with nearly every woman in Boyne City, Michigan. Jane sees Duncan's old girlfriends everywhere—at restaurants, at the grocery store, even three towns away. While Jane may be able to come to terms with dating the world's most prolific seducer of women, she wishes she did not have to share him quite so widely. His ex-wife, Aggie, a woman with shiny hair and pale milkmaid skin, still has Duncan mow her lawn. His coworker, Jimmy, comes and goes from Duncan's apartment at the most inopportune times. Sometimes Jane wonders if a relationship can even work with three people in it—never mind four. Five if you count Aggie's eccentric husband, Gary. Not to mention all the other residents of Boyne City, who freely share with Jane their opinions of her choices. But any notion Jane had of love and marriage changes with one terrible car crash. Soon Jane's life is permanently intertwined with Duncan's, Aggie's, and Jimmy's, and Jane knows she will never have Duncan to herself. But could it be possible that a deeper kind of happiness is right in front of Jane's eyes? Katherine Heiny's *Early Morning Riser* is her most astonishingly wonderful work to date.

Our Team Jul 17 2021 The riveting story of four men—Larry Doby, Bill Veeck, Bob Feller, and Satchel Paige—whose improbable union on the Cleveland Indians in the late 1940s would shape the immediate postwar era of Major League Baseball and beyond. In July 1947, not even three months after Jackie Robinson debuted on the Brooklyn Dodgers, snapping the color line that had segregated Major League Baseball, Larry Doby would follow in his footsteps on the Cleveland Indians. Though Doby, as the second Black player in the majors, would struggle during his first summer in Cleveland, his subsequent turnaround in 1948 from benchwarmer to superstar sparked one of the wildest and most meaningful seasons in baseball history. In intimate, absorbing detail, Luke Epplin's *Our Team* traces the story of the integration of the Cleveland Indians and their quest for a World Series title through four key participants: Bill Veeck, an eccentric and visionary owner adept at exploding fireworks on and off the field; Larry Doby, a soft-spoken, hard-hitting pioneer whose major-league breakthrough shattered stereotypes that so much of white America held about Black ballplayers; Bob Feller, a pitching prodigy from the Iowa cornfields who set the template for the athlete as businessman; and Satchel Paige, a legendary pitcher from the Negro Leagues whose belated entry into the majors whipped baseball fans across the country into a frenzy. Together, as the backbone of a team that epitomized the postwar American spirit in all its hopes and contradictions, these four men would captivate the nation by storming to the World Series—all the while rewriting the rules of what was possible in sports.

Arthur Ashe Jul 25 2019 A NEW YORK TIMES NOTABLE BOOK A "thoroughly captivating biography" (The San Francisco Chronicle) of American icon Arthur Ashe—the Jackie Robinson of men's tennis—a pioneering athlete who, after breaking the color barrier, went on to become an influential civil rights activist and public intellectual. Born in Richmond, Virginia, in 1943, by the age of eleven, Arthur Ashe was one of the state's most talented black tennis players. He became the first African American to play for the US Davis Cup team in 1963, and two years later he won the NCAA singles championship. In 1968, he rose to a number one national ranking. Turning professional in 1969, he soon became one of the world's most successful tennis stars, winning the Australian Open in 1970 and Wimbledon in 1975. After retiring in 1980, he served four years as the US Davis Cup captain and was inducted into the International Tennis Hall of Fame in 1985. In this "deep, detailed, thoughtful chronicle" (The New York Times Book Review), Raymond Arsenault chronicles Ashe's rise to stardom on the court. But much of the book explores his off-court career as a human rights activist, philanthropist, broadcaster, writer, businessman, and celebrity. In the 1970s and 1980s, Ashe gained renown as an advocate for sportsmanship, education, racial equality, and the elimination of apartheid in South Africa. But from 1979 on, he was forced to deal with a serious heart condition that led to multiple surgeries and blood transfusions, one of which left him HIV-positive. After devoting the last ten months of his life to AIDS activism, Ashe died in February 1993 at the age of forty-nine, leaving an inspiring legacy of dignity, integrity, and active citizenship. Based on prodigious research, including more than one hundred interviews, Arthur Ashe puts Ashe in the context of both his time and the long struggle of African-American athletes seeking equal opportunity and respect, and "will serve as the standard work on Ashe for

some time” (Library Journal, starred review).

ASEAN as a Method Aug 25 2019 This edited volume proposes that an understanding of ASEAN – its development and institutionalization – is invaluable to our conception of international relations theory in the Asian context. Southeast Asia and ASEAN host peoples, ideas, institutions, and relations that contribute to a critical reassessment of theories in social sciences. In the field of IR, studies on transnational networks, diasporas, small states, middle powers, the role of history, and identity learn from Southeast Asian practices. ASEAN has long been established as an authoritative example of alternative ways of regional institutionalization. Besides empirical analysis, these fields can also benefit from their interactions with regional scholarly communities. This edited book offers an opportunity for a dialogue among scholarly communities on a variety of issues of which Southeast Asia and ASEAN provide ample opportunities for a critical analysis. This book will be of great interest to scholars of ASEAN, the broader Asian region, and for scholars of regionalism in general.

Down City Jun 23 2019 Like James Ellroy's, *My Dark Places*, *DOWN CITY* is a gripping narrative built of memory and reportage, and Leah Carroll's portrait of Rhode Island is sure to take a place next Mary Karr's portrayal of her childhood in East Texas and David Simon's gritty Baltimore. Leah Carroll's mother, a gifted amateur photographer, was murdered by two drug dealers with Mafia connections when Leah was four years old. Her father, a charming alcoholic who hurtled between depression and mania, was dead by the time she was eighteen. Why did her mother have to die? Why did the man who killed her receive such a light sentence? What darkness did Leah inherit from her parents? Leah was left to put together her own future and, now in her memoir, she explores the mystery of her parents' lives, through interviews, photos, and police records. *DOWN CITY* is a raw, wrenching memoir of a broken family and an indelible portrait of Rhode Island- a tiny state where the ghosts of mafia kingpins live alongside the feisty, stubborn people working hard just to get by. Heartbreaking, and mesmerizing, it's the story of a resilient young woman's determination to discover the truth about a mother she never knew and the deeply troubled father who raised her-a man who was, Leah writes, "both my greatest champion and biggest obstacle."

Sports Law Nov 08 2020 Sports Law looks at major court cases, statutes, and regulations that explore a variety of legal issues in the sports industry. The early chapters provide an overview of sports law in general terms and explore its impact on race, politics, religion, and everyday affairs. Later chapters address hot button issues such as gender equity, drug testing, and discrimination. Written from a sport management perspective, rather than from a lawyer's, this text covers all the major areas presented in sports law today including: cases relating to torts, contracts, intellectual property, and agents. Factual scenarios throughout the text allow students to critically examine and apply sport management principles to legal issues facing the sports executive.
