Blue Willow Jan 26 2022 To Janey Larkin, the blue willow plate was the most beautiful thing in her life, a symbol of the home she could only dimly remember. Now that her father was an itinerant worker, Janey didn't have a home she could call her own or any real friends, as her family had to keep moving, following the crops from farm to farm. Someday, Janey promised the willow plate, with its picture of a real house, her family would once again be able to set down roots in a community. *Blue Willow* is an important fictional account of the Dust Bowl and the Great Depression, and has been called *The Grapes of Wrath* for children. It won a Newbery Honor and many other awards.

World War II Medal of Honor Recipients (1) Feb 01 2020 *The Medal of Honor* is the highest military award that can be bestowed on personnel in the United States' Armed Forces. This book is the first of two titles looking at the recipients of the Medal of Honor during World War II. It covers Navy and Marine Corps awardees in all theaters of war, from the attack on Pearl Harbor in 1941 to the brutal fighting on Iwo Jima in 1945. Among the inspiring stories told are those of Signalman 1st Class Douglas Munro, the only Coast Guardsman to ever receive the Medal of Honor, and Commander Antrim, who faced almost certain death to save fellow prisoners in a Japanese prisoner of war camp.

Fields of Honor Aug 21 2021 Few historians have ever captured the drama, excitement, and tragedy of the Civil War with the headlong elan of Edwin Bearss, who has won a huge, devoted following with his extraordinary battlefield tours and eloquent soliloquies about the heroes, scoundrels, and little-known moments of a conflict that still fascinates America. Antietam, Shiloh, Gettysburg: these hallowed battles and more than a dozen more come alive as never before, rich with human interest and colorful detail culled from a lifetime of study. Illustrated with detailed maps and archival images, this 448-page volume presents a unique narrative of the Civil War's most critical battles, translating Bearss' inimitable delivery into print. As he guides readers from the first shots at Fort Sumter to Gettysburg's bloody fields to the dignified surrender at Appomattox, his engagingly plainspoken but expert account demonstrates why he stands beside Shelby Foote, James McPherson, and Ken Burns in the front rank of modern chroniclers of the Civil War, as the Pulitzer Prize-winning McPherson himself points out in his admiring Introduction. A must for every one of America's countless Civil War buffs, this major work will stand as an important reference and enduring legacy of a great historian for generations to come.

Blue Honor Sep 02 2022 *Blue Honor* tracks four tightly twinning families during the American Civil War. Each member is asked to sacrifice more than their share to see friends and loved ones through the terrible times. The only certainty they have is that nothing will be the same. Emily Conrad is the bookish daughter of a wealthy dairy family from Vermont. Her indulgent father has educated her and bred ideas that aren't acceptable to her more urbane mother, who thinks Emily needs to settle down with her longtime friend and town philanderer Evan Howell. The outbreak of war frees Emily from these expectations for a time, but a stranger soon arrives after the guns begin to blaze, threatening her plans more than societal conventions ever could. Devoted to the young woman who healed her wounds, Henrietta has become part of the Conrad family, hoping that she may one day see her husband and son again. As a runaway slave, she's been lucky enough to find this slice of peace in Vermont, but the return of Evan Howell and the man he brings with him portends great change that might see her locked back in irons, if not executed for what she's done. Evan isn't as bad as his reputation has made him out to be. He knows his chum Emily will make the best doctor Vermont has ever seen, and he knows he's not the man to marry her. With a little manipulation, he convinces his commanding officer, Lieutenant Joseph Maynard, to take leave with him and see the beauty of the north. He just doesn't let on it's not hillsides and streams he's setting the man up for. Joseph has both power and privilege as the son of a Baltimore lawyer, but neither can guarantee him the things he wants in life. His commission in the army is likely to lead to death, a sacrifice he was willing to make to end slavery in the States--that was until he saw Emily Conrad. Torn between duty and desire, Joseph struggles to stay standing for that which he once held strong convictions. War weary, they all march on to duty...

Blue Oct 11 2020 Discover a world of creativity and tradition in this fascinating picture book that explores the history and cultural significance of the color blue. From a critically acclaimed author and an award-winning illustrator comes a vivid, gorgeous book for readers of all ages. *NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR* For centuries, blue powders and dyes were some of the most sought-after materials in the world. Ancient Afghan painters ground mass quantities of sapphire rocks to use for their paints, while snails were harvested in Eurasia for the tiny amounts of blue that their bodies would release. And then there was indigo, which was so valuable that American plantations grew it as a cash crop on the backs of African slaves. It wasn't until 1905, when Adolf von Baeyer created a chemical blue dye, that blue could be used for anything and everything--most notably that uniform of workers everywhere, blue jeans. With stunning illustrations by Caldecott Honor Artist Daniel Minter, this vibrant and fascinating picture book follows one color's journey through time and across the world, as it becomes the blue we know today.

Finding Kenna Oct 30 2019 From the moment she jumped on his back during a training exercise, Kenna had Marshall "Alec" Smart's attention. He wants to know more about the gorgeous, bubbly waitress who tried to "save" him. A lot more. In fact, he wants to know everything. A little hypocritical, since he plays his own cards close to the vest. Experience has shown once women learn about his trust fund, it's often game over...even as instinct tells him Kenna may be the exception. Kenna Madigan is mortified she almost landed on the hot Navy SEAL's head when jumping into the ocean to "rescue" him. In her defense, she'd thought he was drowning. Luckily, he wasn't mad. Exactly the opposite—he promptly asked her out on a date. Their connection is intense from the start, and Kenna suspects he's too good to be true. As it turns out, she's right. Marshall has a big secret, and the discovery causes her some humiliation...partly because of her own judgmental assumptions. They no sooner weather that bump in their relationship when they find themselves facing an even bigger challenge—an unforeseen life-threatening situation. Turns out, Kenna may get a chance to rescue her SEAL, after all... ** Finding Kenna is the 3rd book in the SEAL Team Hawaii Series. Each book is a stand-alone, with no cliffhanger endings.

The Blue Sword Apr 28 2022 A Newbery Honor Book and a modern classic of young adult fantasy, *The Blue Sword* introduces the desert kingdom of Damar, where magic weaves through the blood and weaves together destinies. New York Times—bestselling and award-winning author Robin McKinley sets the standard for epic fantasy and compelling, complex heroines. Fans of Sarah J. Maas, Leigh Bardugo, and Rae Carson will delight in discovering the rich world of Damar. Harry Crewe is a Homelander orphan girl, come to live in Damar from over the seas. She wishes she might cross the sands and climb the dark mountains where no Homelander has ever set foot, where the last of the old Damarians, the Free Hillfolk, live. Corlath is the golden-eyed king of the Free Hillfolk, son of the sons of the legendary Lady Aerin. When he arrives in Harry's town to ally with the Homelander against a common enemy, he never expects to set Harry's destiny in motion: She will ride into battle as a King's Rider, bearing the Blue Sword, the great mythical treasure, which no one has wielded since Lady Aerin herself. Legends and myths, no matter how epic, no matter how magical, all begin somewhere.

Black in Blue Apr 04 2020 Whatever your position is on Black Lives Matter, defunding the police, and equity in law enforcement, former police chief Carmen Best shares the leadership lessons she learned as the first Black woman to lead the Seattle Police Department—a personal insider story that will challenge your assumptions on how to move the country forward. Chief Carmen Best has spent the last 28 years as a member of a big-city police force, an institution where minorities and women have historically found it especially difficult to succeed. She defied the odds and became the first Black woman to lead the Seattle Police Department. During her tenure, she was successful in bringing significantly more diversity to the force. However, when the city council cut her budget amid months of protests against police violence, she had no choice but to step aside. Without the city's support, she felt she wouldn't be able to continue changing the status quo of the police force from within. Throughout her career, Chief Best has learned lessons that those coming up behind her can benefit from. In this book, she will use her story to share those urgent lessons. Readers will read about: How Chief Best grew up to believe in the change she set out to create. Her early days in the police force, including lessons from the academy and her time on patrol. How she progressed in her career within a primarily white law enforcement culture and the events that led to her becoming Chief. How she built her team and overcame the politics involved in her high-level position until the call for defunding came. Carmen Best teaches readers the core qualities and mindset to persevere and rise through the ranks, even within a workplace whose culture and leadership must be challenged, and policies changed on the way to achieving that vision. Her motivating story serves as a master class in guiding principles for anyone striving to serve their community and rise to the highest echelon of success.
