Selected Poems of Robert Creeley, 1945-2005 Apr 01 2020 "Here is Creeley at his skillfully selected best: full of the melodies of plain speech, concise yet resonant with emotion."—Juliana Spahr, author of This Connection of Everyone with Lungs "So fantastically simple and so satisfyingly complicated, these poems band together like the days in 'One Day': 'One day after another-/ perfect./ They all fit.'"—John Ashbery "Beautifully edited by Ben Friedlander with tenderness, intelligence, and care. A superb selection, well-introduced. Selected Poems provides a great sense of the range of Creeley's accomplishment—these poems among the most important of our time—a way of writing with the hesitations and grace of a new-found line, thinking informed by sources from Emily Dickinson to Charlie Parker. Selected Poems is at once a tribute to Creeley, a perfect introduction for new readers, and a valuable distillation for those who have already acquired a taste for Creeley's poetry. The perfect assembly to and for one so fond of saying 'onward.' We can now go onward with these selected poems, onward with these well-chosen words, with thanks to Robert Creeley and to Ben Friedlander."—Hank Lazer, author of The New Spirit "Benjamin Friedlander, himself a fine poet-critic and a great connoisseur of Creeley's poetry, has put together a superb selection."—Marjorie Perloff "An excellent selection and introduction. It is an edition that acknowledges work that has defined the poet's career while offering a new narrative for the entire oeuvre. It will join UC Press's distinguished and definitive editions of postwar poetry and will provide us all with a summary guide to Creeley's best work."—Michael Davidson "In a quiet moment I hear Bob pause where I never would have expected it. Such resolve. Such heart. And an ear to reckon with. No truly further American poem without his."—Clark Coolidge, author of Counting on Planet Zero

I Feb 09 2021 A Finalist for the 2019 National Book Award for Poetry In Derricotte's own words: "How do you gain access to the power of parts of yourself you abhor, and make them sing with beauty, tenderness, and compassion? This is the record of fifty years of victories in the reclamation of a poet's voice." The story of Toi Derricotte is a hero's odyssey. It is

the journey of a poetic voice that in each book earns her way to home, to her own commanding powers. *I, New and Selected Poems* shows the reader both the closeness of the enemy and the poet's inherent courage, inventiveness, and joy. It is a record of one woman's response to the repressive and fracturing forces around the subjects of race, class, color, gender, and sexuality. Each poem is an act of victory as they find their way through the repressive forces to speak with both beauty and truth. This collection features more than thirty new poems as well as selections from five of Derricotte's previous published books of poetry.

Complete Poems and Selected Letters of John Keats May 15 2021 'I think I shall be among the English Poets after my death,' John Keats soberly prophesied in 1818 as he started writing the blankverse epic *Hyperion*. Today he endures as the archetypal Romantic genius who explored the limits of the imagination and celebrated the pleasures of the senses but suffered a tragic early death. Edmund Wilson counted him as 'one of the half dozen greatest English writers,' and T. S. Eliot has paid tribute to the Shakespearean quality of Keats's greatness. Indeed, his work has survived better than that of any of his contemporaries the devaluation of Romantic poetry that began early in this century. This Modern Library edition contains all of Keats's magnificent verse: 'Lamia,' 'Isabella,' and 'The Eve of St. Agnes'; his sonnets and odes; the allegorical romance *Endymion*; and the five-act poetic tragedy *Otho the Great*. Presented as well are the famous posthumous and fugitive poems, including the fragmentary 'The Eve of Saint Mark' and the great 'La Belle Dame sans Merci,' perhaps the most distinguished literary ballad in the language. 'No one else in English poetry, save Shakespeare, has in expression quite the fascinating felicity of Keats, his perception of loveliness,' said Matthew Arnold. 'In the faculty of naturalistic interpretation, in what we call natural magic, he ranks with Shakespeare.'

Selected Poems Sep 26 2019 'Verlaine, possessed by the madresses of love, brimming over with desires and prayers, the rebel railing against the complacent platitudes of society, of love, of language'. Jean Rousselot Verlaine ranks alongside Baudelaire, Mallarmé, and Rimbaud as one of the most outstanding poets of late nineteenth-century France whose work is associated with the early Symbolists, the Decadents, and the Parnassiens. Remarkable not only for his delicacy and exquisitely crafted verse, Verlaine is also the poet of strong emotions and appetites, with an unrivalled gift for the sheer music of poetry, and an inventive approach to its technique. This bilingual edition provides the most comprehensive selection of his poetry yet, offering some 170 poems in lively and fresh translations and providing a lucid introduction which illuminates Verlaine's poetic form within the context of French Impressionism and the poetry of sensation. Parallel text ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Aimless Love Apr 13 2021 NEW YORK TIMES BESTSELLER "America's favorite poet."—The Wall Street Journal From the two-term Poet Laureate of the United States Billy Collins comes his first volume of new and selected poems in twelve years. *Aimless Love* combines fifty new poems with generous selections from his four most recent books—*Nine Horses*, *The Trouble with Poetry*, *Ballistics*, and *Horoscopes for the Dead*. Collins's unmistakable voice, which brings together plain speech with imaginative surprise, is clearly heard on every page, reminding us how he has managed to enrich the tapestry of contemporary poetry and greatly expand its audience. His work is featured in top literary magazines such as *The New Yorker*, *Poetry*, and *The Atlantic*, and he sells out reading venues all across the country. Appearing regularly in *The Best American Poetry* series, his poems appeal to readers and live audiences far and wide and have been translated into more than a dozen languages. By turns playful, ironic, and serious, Collins's poetry captures the nuances of everyday life while leading the reader into zones of inspired wonder. In the poet's own words, he hopes that his poems "begin in Kansas and end in Oz." Touching on the themes of love, loss, joy, and poetry itself, these poems showcase the best work of this "poet of plenitude, irony, and Augustan grace" (*The New Yorker*). *Envoy Go*, little book, out of this house and into the world, carriage made of paper rolling toward town bearing a single passenger beyond the reach of this jittery pen and far from the desk and the nosy gooseneck lamp. It is time to decamp, put on a jacket and venture outside, time to be regarded by other eyes, bound to be held in foreign hands. So off you go, infants of the brain, with a wave and some bits of fatherly advice: stay out as late as you

like, don't bother to call or write, and talk to as many strangers as you can. Praise for Aimless Love "[Billy Collins] is able, with precious few words, to make me cry. Or laugh out loud. He is a remarkable artist. To have such power in such an abbreviated form is deeply inspiring."—J. J. Abrams, *The New York Times Book Review* "His work is poignant, straightforward, usually funny and imaginative, also nuanced and surprising. It bears repeated reading and reading aloud."—*The Plain Dealer* "Collins has earned almost rock-star status. . . . He knows how to write layered, subtly witty poems that anyone can understand and appreciate—even those who don't normally like poetry. . . . The Collins in these pages is distinctive, evocative, and knows how to make the genre fresh and relevant."—*The Christian Science Monitor* "Collins's new poems contain everything you've come to expect from a Billy Collins poem. They stand solidly on even ground, chiseled and unbreakable. Their phrasing is elegant, the humor is alive, and the speaker continues to stroll at his own pace through the plainness of American life."—*The Daily Beast* "[Collins's] poetry presents simple observations, which create a shared experience between Collins and his readers, while further revealing how he takes life's everyday humdrum experiences and makes them vibrant."—*The Times Leader*

Selected Poems Sep 30 2022 Denise Levertov's *Selected Poems* delivers in a single accessible volume "one of the essential poets of our time" (*Poetry Flash*). Culled from two dozen poetry books, and drawing from six decades of her writing life, *The Selected Poems of Denise Levertov* offers a chronological overview of her great body of work. It is splendid and impressive to have at last a clear, unobstructed view of her ground-breaking poetry—the work of a poet who, as Kenneth Rexroth put it, "more than anyone, led the redirection of American poetry...to the mainstream of world literature." Described by *Publishers Weekly* as "at once as intimate as Creeley and as visionary as Duncan," Levertov was lauded as "one of the indispensable poets of our language, one of those few writers to whom it is necessary to pay attention" by *The Malahat Review*. No poet is more overdue for a single accessible volume; no career could be better to have within easy reach.

Selected Poems Apr 25 2022 An award-winning gathering of exquisite poems by a celebrated poet. Winner of the Pulitzer Prize for Poetry (1992) Winner of the William Carlos Williams Award (1992) *The Selected Poems James Tate's* Pulitzer Prize-winning collection and his first British publication, gathers work from nine previous books, from the *Lost Pilot* which was a Yale Younger Poets selection in 1967, through his 1986 collection *Reckoner*. He is a most agile poet in a precarious world. Life is alarming and absurd, but properly considered that absurdity reveals, often with laughter, the something else by which we live. The poems are about our world, our wrecked, vexed love for it. Tate has been described as a surrealist. If that is what he is, his surrealism issues in a vision of a world delivered back to itself by his unillusioned subversion and candor.

Selected Poems Jul 17 2021 "There are no poetic 'subjects' in this book, no conventional nightingales and daffodils, and there is no acceptance, either, of the traditional rules of metre and rhyme. As one discerning critic has said: 'We have here, in short, poetry that expresses freely a modern sensibility, the ways of feeling and the modes of experience of one fully alive in his own age'. "The main poem in this collection is 'The Waste Land' (1922) to which Mr. Eliot has himself supplied some revealing footnotes which help the reader to cope with the associations and allusions in which the poem is so rich. His theme here, as in most of his other poems, is disillusion with our contemporary civilization, which he contrasts in several of its aspects with the beliefs and practices of other and earlier races. It is a difficult poem to follow and even Mr. Eliot's own sign-posts are sometimes cryptic.

Selected Poems Jun 03 2020 A timeless, visionary collection of poems from one of China's most acclaimed poets—now available in English for the first time in a generation and featuring a foreword by his son, contemporary artist and activist Ai Weiwei One of the most influential poets in Chinese history, Ai Qing is mostly unknown to American readers, but his work has shaped the nature of poetry in China for decades. Born between the fall of imperial Manchurian rule and the establishment of the Communist People's Republic, Ai Qing was at one time an intimate of Mao Zedong. He would eventually fall out with the leader and be sentenced to hard labor during the Cultural Revolution, when he was exiled to the remote part of the

country known as "Little Siberia" with his family, including his son, Ai Weiwei. In his work, Ai Qing tells the story of a China convulsing with change, leaving behind a legacy of feudalism and imperialism but uncertain about what the future will hold. Breaking with traditional forms of Chinese poetry, Ai Qing innovatively adapted free verse, writing with a simple sincerity in clear lines that could be understood by everyday readers. *Selected Poems* is an extraordinary collection that traces the powerful inner life of this influential poet who crafted poems of protest, who longed for a newer, happier age, and who wrote with a profound lyricism that reaches deep into the heart of the reader.

A Selection of Poetry Mar 25 2022 A good value edition of this fascinating and esoteric poet's best known works: Smart has fallen out of fashion but his 'Jubilate Agno' remains bizarre, breathtakingly original and, at times, beautiful as a portrait of a mind on the edge of sanity. Selected Poems Nov 28 2019 Drawing from every stage of his career, Derek Walcott's *Selected Poems* brings together famous pieces from his early volumes, including "A Far Cry from Africa" and "A City's Death by Fire," with passages from the celebrated *Omeros* and selections from his latest major works, which extend his contributions to reenergizing the contemporary long poem. Here we find all of Walcott's essential themes, from grappling with the Caribbean's colonial legacy to his conflicted love of home and of Western literary tradition; from the wisdom-making pain of time and mortality to the strange wonder of love, the natural world, and what it means to be human. We see his lifelong labor at poetic crafts, his broadening of the possibilities of rhyme and meter, stanza forms, language, and metaphor. Edited and with an introduction by the Jamaican poet and critic Edward Baugh, this volume is a perfect representation of Walcott's breadth of work, spanning almost half a century.

Selected Later Poems Nov 08 2020 A selection from the last twenty years of C. K. Williams's career, plus new work—proof of his enduring power C. K. Williams's long career has been a catalog of surprises, of inventions and reinventions, of honors. His one constant is a remarkable degree of flexibility, a thrilling ability to shape-shift that goes hand in hand with an essential, enduring honesty. This rare, heady mix has ensured that William's verses have remained, from book to book, as fresh and vibrant as they were when he first burst onto the scene. *Selected Later Poems*—a generous selection of the last two decades of Williams's poetry, capped by a gathering of new work—is a testament to that enduring vibrancy. Here are the passionate, searching, clear-eyed explorations of empathy in *The Vigil*; here is the candor and revelation of *Repair*; here is the agonizing morality of *The Singing and Wait*, and the unsparing reflections on aging of *Writers Writing Dying*; here are the poignant prose vignettes of *All at Once*. Williams's poetry is essential because its lyric beauty, precise and revealing images, and elegant digressions are coupled to a conscience both uneasy and unflinching. *Selected Later Poems* is at once a celebration of Williams's career, an affirmation of his continued position in the pantheon of American poets, and a kind of reckoning—a reminder of the ways in which art can serve both beauty and justice.

Of this World Dec 30 2019 "Like all of the best poets, Stroud makes the earth again consolable."--Jim Harrison

Selected Poems Jan 23 2022 A great survivor among the Cavalier poets, most of his poems were composed in a remote Devonshire parish. Even so, the body of his poetry is large and his religious vocation hardly shows in the almost innocent exuberance of his fine verse.

Selected Poems Mar 13 2021 This collection features perhaps Dylan Thomas' best-known poem, 'Fern Hill' - a profoundly melancholic and wistful meditation on former times; set in the idyllic Carmarthenshire dairy farm owned by his aunt and uncle when he was a boy. Another beloved poem 'Do not go gentle into that good night' was written by the poet for his dying father, exploring the themes of grief, loss and death.

Sohrab Sepehri Jan 11 2021 The Iranian poet and painter Sohrab Sepehri (1928-1980) is revered today for many of the things he was criticized for during his lifetime. Born and raised in the ancient city of Kashan, he was educated in Tehran and travelled widely. A gentle introvert by nature, he was accused of escapism when his reaction to the world around him was to go back to nature, mysticism and mythology, poetry and painting. This mystic of the twentieth century seeks a light that radiates from the individual soul and ultimately affects its relationship with others and the world around it. While Rumi, the mystic of the thirteenth century, dances, sings, and chants out loud that he comes from the world of spirit and is a stranger in the world of matter, Sepehri, quietly aware of humanity in a milieu alien to its physical, psychological, and spiritual needs, in poetry and painting, appeared to stroke human consciousness into a tranquility, almost a state of beatitude, which nevertheless is never quite free of the ongoing struggle for "awareness, understanding and illumination." Sepehri had a free and sometimes convoluted approach to the verities of life, insisting that the book of everyday "illusions" must be closed and one must rise And walk along the stretch of time, Look at the flowers, hear the enigma. One must run until the end of being ... One must sit close to the unfolding, Some place between rapture and illumination. (Both Line and Space. Bk.8) In this fresh translation, Bahiyeh Afnan Shahid successfully conveys the meaning, feelings, and sensitivity of the Persian original allowing the reader to appreciate the pertinence of Sepehri to the twenty-first century. Sohrab Sepehri, poet and painter, was born in Kashan, Iran in 1928 and was claimed by cancer in 1980. He had an upbringing that tried to discipline and shape him, whether at home or at school, but he was not exactly a conformist. He was an intelligent, sensitive, artistically gifted, poetically expressive, somewhat withdrawn, soft-spoken human being. Sepehri started painting and writing poetry at an early age. He excelled at both. For both he received acclaim and criticism. Now he is enshrined as one of the foremost Iranian poets and painters of the twentieth century. This modern-day *arab* (mystic), poet. and painter is convincingly sincere in his heartfelt and touching approach to the way we must look at our world, and our fellow humans, in these stressful, problematic times.

Selected Poems Jul 25 2019 Robert Browning, a towering poetic presence of the Victorian era, was hailed by Henry James as a tremendous and incomparable modern. The sheer immediacy and colloquial energy of his poetry ensure enduring appeal. Browning paints landscapes both suburban and sublime, combines lyric and demotic language, and introduces everyday events of the streets and marketplace into the rarified world of Victorian poetry. This edition includes examples from the early *Dramatic Lyrics* (1842) and *Dramatic Romances and Lyrics* (1845); from the masterpieces *Mena and Women* (1855) and *Dramatis Personae* (1864), and from the less familiar works of his later years. Together they convey the intensity, the lyric beauty, and the vitality of Browning's poetry. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. Selected Poems Nov 01 2022 James Applewhite has produced nine extraordinary books of poetry. This volume is the first anthology of his remarkable oeuvre. It brings together chronologically arranged selections from all of his previous books, from the first, published in 1975, through the most recent, published in 2002. Applewhite's poetry is deeply rooted in the history and rhythms of rural North Carolina, where he was born and raised, and these poems mark stages in an artistic and personal journey he has undertaken over the past thirty years. In impeccable and surprising language, Applewhite depicts the social conventions, changes, frictions, and continuities of small southern towns. He celebrates that which he values as decent and life-enhancing, and his veneration is perhaps most apparent in his response to the natural world, to the rivers and trees and flowers. Yet Applewhite's love for his native land is not straightforward. His verse chronicles his conflicted feelings for the region that gave him the initial, evocative language of place and immersed him in a blazing sensory world while it also bequeathed the distortions, denials, and prejudices that make it so painful a labyrinth. Rendering troubled legacies as well as profound decency, Applewhite reveals the universally human in a distinctively local voice, within dramatic and mundane moments of hope and sorrow and faith.

The Selected Poems of Wang Wei Jun 23 2019 A selection of definitive works by the acclaimed eighth-century Chinese writer offers insight into his mastery of the short imagistic landscape poem, his assiduous practice of Zen Buddhism, and ability to convey philosophical and sensory concepts in a style that has remained accessible to subsequent generations. Original.

The Selected Poems of Emily Dickinson May 03 2020 Emily Dickinson lived as a recluse in Amherst, Massachusetts, dedicating herself to writing a "letter to the world"--the 1,775 poems left unpublished at her death in 1886. Today, Dickinson stands in the front rank of American poets. This enthralling collection includes more than four hundred poems that were published between Dickinson's death and 1900. They express her concepts of life and death, of love and nature, and of what Henry James called "the landscape of the soul." And as Billy Collins suggests in his Introduction, "In the age of the workshop, the reading, the poetry conference and festival, Dickinson reminds us of the deeply private nature of literary art."

Within these pages, she provides us with an extraordinary and invaluable collection of her passionate, perceptive, and much-treasured observations of the natural world.

Selected Poems Aug 06 2020 Intense verbal music with a jazz feeling; invention against the grain of expectation; intelligence racing among materials with the variety of a busy street--these have been the qualities of Robert Pinsky's work since his first book, *Sadness and Happiness* (1975), celebrated for setting a new direction in American poetry. At that time, responding to a question about that book, Pinsky said: "I would like to write a poetry which could contain every kind of thing, while keeping all the excitement of poetry." That ambition was realized in a new way with each of his books, including the book-length personal monologue *An Explanation of America*; the transformed autobiography of *History of My Heart*; the bestselling translation *The Inferno of Dante*; and, most recently, the savage, inventive *Gulf Music*. That variety and renewal are represented in this brilliantly chosen volume.

Selected Poems Aug 30 2022 A career-defining retrospective by a much-beloved contemporary master.

Selected Poetry of William Wordsworth Aug 18 2021 Selected Poetry of William Wordsworth represents Wordsworth's prolific output, from the poems first published in Lyrical Ballads in 1798 that changed the face of English poetry to the late "Yarrow Revisited." Wordsworth's poetry is celebrated for its deep feeling, its use of ordinary speech, the love of nature it expresses, and its representation of commonplace things and events. As Matthew Arnold notes, "[Wordsworth's poetry] is great because of the extraordinary power with which [he] feels the joy offered to us in nature, the joy offered to us in the simple elementary affections and duties."

Selected Poems Jan 29 2020 Presents a collection of some of T. S. Eliot's best-known poems, including "The Love Song of J. Alfred Prufrock," "The Waste Land," and "Whispers of Immortality."

Articles: New and Selected Poems Oct 08 2020 "Gerber has a gentle touch and an unaffected, articulate voice that can be smart, funny, wise—sometimes all at the same time."—Library Journal "[Gerber] is one of the most adept and accessible of the poets who explore the meaning of humans' relation with earth and existence itself."—ForeWord Into a frenzied world that hurtles ever faster somewhere, Dan Gerber's poetry offers a necessary and reflective presence. Drawing upon eight previous collections, and including a book-length selection of new poems, this retrospective tunes its senses to the natural world and a provenance that includes the influence of Buddhism, English Romanticism, and a deep reading of Rainer Maria Rilke's oeuvre. Pastoral and expansive, Gerber's poetry is concerned with the universe just outside each of our windows—the immediately viewable landscape in front of us and the mysterious vastness beyond. From "Dark Matter": The visible drapes itself around the invisible, the way my jacket takes its shape from my shoulders. An unseen gravity whirls near the center of our galaxy, an unseen heart near the center of the bodies in which we desire. I seldom think of Neptune out there, way beyond my pointing to it on a summer night . . . Dan Gerber is the author of eight collections of poetry, three novels, a book of short stories, and two books of nonfiction. A former professional race-car driver, he has traveled extensively as a journalist, particularly in Africa. He lives in Santa Ynez, California.
