**Nineteen Seventy-seven** Sep 07 2020 David Peace's acclaimed Red Riding Quartet continues with this exhilarating follow-up to Nineteen Seventy-Four. It's summer in Leeds and the city is anxiously awaiting the Jubilee of Queen Elizabeth's reign. Detective Bob Fraser and Jack Whitehead, a reporter at the Post, however, have other things on their minds—mainly the fact that someone is murdering prostitutes. The killer is quickly dubbed the “Yorkshire Ripper” and each man, on their own, works tirelessly to catch him. But their investigations turn grisly as they each engage in affairs with the prostitutes they are supposedly protecting. As the summer progresses, the killings accelerate and it seems as if Fraser and Whitehead are the only men who suspect or care that there may be more than one killer at large.

**Little Ree** Sep 19 2021 New York Times bestselling author, Food Network star, and The Pioneer Woman herself, Ree Drummond brings us the first book in a brand-new picture book series! In Ree's own words: “I was all grown up when I moved out to the country. When I first arrived, I felt so out of place! But eventually, I looked around and discovered all the wonderful things about country life. So I decided to write a story about my experiences, as seen through the eyes of a little girl named Ree. Little Ree moves to the country and feels as scared and unsure as I was. But then she finds that if she sets her mind to it, being a country girl is a pretty cool thing. Come along on her adventures!” Little Ree trades in her city days for a country way of life when she moves with her family to her grandparents' ranch. She's excited to ride horses, swim in the pond, and help Grandma cook for everyone. But on her first day, she finds that living on a ranch can be tough. She has to get up at the crack of dawn, learn to herd cows, and make sure her horse, Pepper, doesn't eat everything in sight. And that's all before breakfast! Will she ever get used to this new place? Luckily, the end of the day brings a big family barbecue...and the happy discovery that being a country girl isn't about the right pair of boots, it's all about the right attitude. With warmth, humor, and stories inspired by life on the ranch, Ree Drummond's new picture book introduces us to a spunky new picture book star and treats us to a special pancake recipe at the end!

**100 Essential Things You Didn't Know You Didn't Know about Math and the Arts** Jun 24 2019 An entertaining and illuminating collection of 100 surprising connections between math and the arts. At first glance, the worlds of math and the arts might not seem like comfortable neighbors. But as mathematician John D. Barrow points out, they have a strong and natural affinity—after all, math is the study of all patterns, and the world of the arts is rich with pattern. Barrow whisks us through 100 thought-provoking and often whimsical intersections between math and many arts, from the golden ratios of Mondrian's rectangles and the curious fractal-like nature of Pollock's drip paintings to ballerinas' gravity-defying leaps and the next generation of monkeys on typewriters tackling Shakespeare. For those of us with our feet planted more firmly on the ground, Barrow also wields everyday equations to reveal how many guards are needed in an art gallery or where you should stand to look at sculptures. From music and drama to literature and the visual arts, Barrow's witty and accessible observations are sure to spark the imaginations of math nerds and art aficionados alike.

**And Other Stories** Aug 07 2020 Stories within stories, a few contemporary fables, a hint of the

narrative complexity of Borges, a whiff of the gritty realism of pre- and post-communist life in Eastern Europe - these are the elements that come together in a unique and surprising way in the wildly imaginative and endlessly engaging short stories of Georgi Gospodinov. Whether a tongue-in-cheek crime/horror story or the Christmas story of a pig, a language game leading to an unexpected epiphany or an inward-looking tale built on the complexity of a puzzle box, the work in this collection offers a kaleidoscopic experience of a writer whose style has been described as anarchic, experimental (New Yorker) and compulsively readable (New York Times). Gospodinov's debut prose work *Natural Novel* was hailed as a go-for-broke postmodern construction - a devilish jam of jump-cut narration, pop culture riffs, wholesale quotation, and Chinese-box authorship (Village Voice). At once familiar and fantastic, his writing is high comedy, high seriousness, and of very high order.

**Academy Street** May 04 2020 A vibrant, intimate, hypnotic portrait of one woman's life, from an important new writer Tess Lohan is the kind of woman that we meet and fail to notice every day. A single mother. A nurse. A quiet woman, who nonetheless feels things acutely—a woman with tumultuous emotions and few people to share them with. *Academy Street* is Mary Costello's luminous portrait of a whole life. It follows Tess from her girlhood in western Ireland through her relocation to America and her life there, concluding with a moving reencounter with her Irish family after forty years of exile. The novel has a hypnotic pull and a steadily mounting emotional force. It speaks of disappointments but also of great joy. It shows how the signal events of the last half century affect the course of a life lived in New York City. Anne Enright has said that Costello's first collection of stories, *The China Factory*, "has the feel of work that refused to be abandoned; of stories that were written for the sake of getting something important right . . . Her writing has the kind of urgency that the great problems demand" (The Guardian). *Academy Street* is driven by this same urgency. In sentence after sentence it captures the rhythm and intensity of inner life.

**Félix Ravaisson** Apr 14 2021 This reader makes the key essays of 19th century French philosopher Félix Ravaisson available in English for the first time. In recent years, Ravaisson has emerged as an extremely important and influential figure in the history of modern European philosophy. The volume contains the classic 1838 dissertation *Of Habit*, studies of Pascal, Stoicism and the wider history of philosophy together with the *Philosophical Testament* that he left unfinished when he died in 1900. The volume also features Ravaisson's work in archaeology, the history of religions and art-theory, and his essay on the *Venus de Milo*, which occupied him over a period of twenty years after he noticed, when hiding the statue behind a false wall in a dingy Parisian basement during the Franco-Prussian war, that it had previously been presented in a way that deformed its original bearing and meaning. *Félix Ravaisson: Selected Essays* contains

an introductory intellectual biography of Ravaisson, which contextualises each of the essays in the volume. It also features an annotated bibliography of suggested further reading. This book will grant scholars and students alike wider access to his distinctive contribution to the history of philosophy.

**By Fire, By Water** Jan 24 2022 Recipient of the Independent Publishers Award for Historical Fiction (Gold Medal), the Foreword Book of the Year Award for Historical Fiction (Bronze Medal), and an honorable mention in the category of General Fiction for the Eric Hoffer Award.

Luis de Santángel, chancellor to the court and longtime friend of the lusty King Ferdinand, has had enough of the Spanish Inquisition. As the power of Inquisitor General Tomás de Torquemada grows, so does the brutality of the Spanish church and the suspicion and paranoia it inspires. When a dear friend's demise brings the violence close to home, Santángel is enraged and takes retribution into his own hands. But he is from a family of conversos, and his Jewish heritage makes him an easy target. As Santángel witnesses the horrific persecution of his loved ones, he begins slowly to reconnect with the Jewish faith his family left behind. Feeding his curiosity about his past is his growing love for Judith Migdal, a clever and beautiful Jewish woman navigating the mounting tensions in Granada. While he struggles to decide what his reputation is worth and what he can sacrifice, one man offers him a chance he thought he'd lost...the chance to hope for a better world. Christopher Columbus has plans to discover a route to paradise, and only Luis de Santángel can help him. Within the dramatic story lies a subtle, insightful examination of the crisis of faith at the heart of the Spanish Inquisition. Irresolvable conflict rages within the conversos in *By Fire, By Water*, torn between the religion they left behind and the conversion meant to ensure their safety. In this story of love, God, faith, and torture, fifteenth-century Spain comes to dazzling, engrossing life.

*Dream Sequence* Oct 09 2020 Adam Foulds, the award-winning author of *The Quickening Maze*, pens a stunning and terrifying vision of the damage done between a fan and a celebrity in *Dream Sequence*—where the borders between inner and outer life have been made porous in a world full of flickering screens large and small. Henry became famous starring in *The Grange*, a television drama beloved by mothers and wives, and whose fans speak about the characters as though they were real people . . . yet Henry dreams of escaping the small screen. An audition for a movie directed by a highly respected Spanish auteur holds the promise of a way forward. Whether holed up in his apartment eating monkish meals of rice and steamed vegetables or snorting cocaine at desert parties in Doha, Henry's awareness of his own image, of his relative place in the world, is acute and constant. But Henry has also—unwittingly—become an important part of the life of recently divorced Kristin. He appears repeatedly on the television in her beautiful, empty Philadelphia house, and her social media feeds bring news of his London home, his family. What Kristin wants is simply to get as close to him in real life as she has in her fandom.
