My Overdue Book Aug 28 2019 My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

Real-World Skills: Being Safe Oct 11 2020 Being Safe - Taking Care of Yourself Is last week's pasta safe to eat? How do I help someone who is choking? The Schoolboy's Story Illustrated Dec 01 2019 The Schoolboy's Story is a short stories by Charles Dickens. Charles John Huffam Dickens (7 February 1812 - 9 June 1870) was an English writer and social critic. He created some of the world's most memorable fictional characters and is generally regarded as the greatest novelist of the Victorian period. During his life, his works enjoyed unprecedented fame, and by the twentieth century his literary genius was broadly acknowledged by critics and scholars. His novels and short stories continue to be widely popular. Born in Portsmouth, England, Dickens was forced to leave school to work in a factory when his father was thrown into debtors' prison. Although he had little formal education, his early impoverishment drove him to succeed.

The Story of a Pioneer Aug 21 2021 This autobiography follows the life of Anna Shaw (1847-1919) from her birth in Newcastle-on-Tyne, England through her presidency of the National American Woman Suffrage Association. Shaw immigrated with her genteel but financially pressed family to America in 1851. They settled first in New Bedford and then in Lawrence, Massachusetts, finally migrating in 1859 to a pioneer farmstead in northern Michigan, where Anna performed much of the subsistence labor during her father's long absences. The first part of her narrative emphasizes her efforts to gain an education and take up a ministerial career. After two years at Albion College, she attended Boston Theological School (1876-1878) and accepted a pastorate in East Dennis, Cape Cod, after graduation; later she also took temporary charge of the Congregational Church in Dennis. After her ordination had been blocked by members of the New England Conference of the Methodist Episcopal Church opposed to ordaining women, Shaw was ordained by the 1880 Conference of the Methodist Protestant Church in Tarrytown, N.Y.

The Short Stories of Oscar Wilde Nov 04 2022 An innovative new edition of nine classic short stories from one of the greatest writers of the Victorian era. “I cannot think other than in stories,” Oscar Wilde once confessed to his friend André Gide. In this new selection of his short fiction, Wilde's gifts as a storyteller are on full display, accompanied by informative facing-page annotations from Wilde biographer and scholar Nicholas Frankel. A wide-ranging introduction brings readers into the world from which the author drew inspiration. Each story in the collection brims with Wilde's trademark wit, style, and sharp social criticism. Many are reputed to have been written for children, although Wilde insisted this was not true and that his stories would appeal to all “those who have kept the childlike faculties of wonder and joy.” “Lord Arthur Savile's Crime” stands alongside Wilde's comic masterpiece *The Importance of Being Earnest*, while other stories—including “The Happy Prince,” the tale of a young ruler who had never known sorrow, and “The Nightingale and the Rose,” the story of a nightingale who sacrifices herself for true love—embrace the theme of tragic, forbidden love and are driven by an undercurrent of seriousness, even despair, at the repressive social and sexual values of Wilde's day. Like his later writings, Wilde's stories are a sweeping indictment of the society that would imprison him for his homosexuality in 1895, five years before his death at the age of forty-six. Published here in the form in which Victorian readers first encountered them, Wilde's short stories contain much that appeals to modern readers of vastly different ages and temperaments. They are the perfect distillation of one of the Victorian era's most remarkable writers.

Maths Problem Solving Year 4 Feb 01 2020 Maths Problem Solving - Year 4 is the fourth of six books in the Maths Problem Solving series. The books have been written for teachers to use during the numeracy lesson. They cover the 'solving problem' objectives from the numeracy framework. This book contains three chapters; Making decisions, Reasoning about numbers or shapes and Problems involving 'real life', money or measures. The books are designed in such a way that each section has six stages of questions to be worked through. Every stage is split into three levels, for example 1a, 1b or 1c, based on achievement. Each corresponding question from these levels follow the same line of questioning, so that when the teacher talks about a certain question, the solution process is the same for each level but the complexity of the sum varies.

House of Leaves Jun 30 2022 "A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The New York Times Years ago, when House of Leaves was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

The Souls of Her Feet Mar 28 2022 For seventeen-year-old Ashley St. Helens, senior year is an endless stressfest with no hope in sight. Since her parents' death, she's had to deal with her micro-managing step-monster and her two narcissist step-sisters, whose fashion fetishes just make Ashley feel worse about her oversized feet. With dirty dishes and stinky laundry piling up at home, it seems that the Universe has deemed her the real-life Cinderella, especially since popular Jeff Prince has forgotten she exists. With help from her drag queen fairygodwhatever—and just the right shoes—Ashley finds her voice and fights back against the "perfect" materialistic life that traps her. But will her soulful transformation translate into the life she wants to have? Will she be able to escape to college, or will she have to give up on that dream? Post-modern, colorful, and quirky, Kristen Caven paints a relatable picture of teenage insecurities that will inspire readers to spark new conversations with their families about responsibility and empathy, morality and wastefulness, life choices, cross-dressing, and best of all, cleaning the house. A must-read for anyone who loves vintage footwear! This updated fourth edition includes bonus materials such as essays by the main characters and songs from the musical.

The Collected Short Stories of Louis L'Amour, Volume 4 Apr 04 2020 The fourth volume of Louis L'Amour's collected short stories features more than forty of the master's greatest adventure tales in a keepsake edition to cherish for generations. This unique collection gathers stories guaranteed to thrill and delight readers again and again, establishing why Louis L'Amour is truly America's favorite storyteller. Louis L'Amour's tales of adventure cannot be surpassed for sheer storytelling excitement, and they stand as a testament to his legendary appeal. Here are timeless stories of danger and daring, wanderlust and heroism, filled with ordinary men and women facing often insurmountable challenges with courage, dignity, honor—and heart. Perhaps never before has a single volume contained so many breathtaking thrills: from the down-on-his-luck fortune hunter who risks everything to save a diamond-hunting couple walking straight into a jungle massacre to the mystery "hero" aboard a downed commercial plane dangling six hundred feet above certain doom. You'll trek across the harsh steppes of East Asia with an American widow and her young son among a fierce nomadic warrior people, and you'll relive a harrowing tale of survival at sea against thirst, madness, and the elements as a common seaman redefines extraordinary courage as simply "doing his job." Whether joining an American captain running a cargo ship through Japanese-controlled waters during World War II, only to find his vessel hijacked by traitorous pirates, or marveling at the resourcefulness of a young woman pushed to the limits of endurance as she flees a killer through a primeval forest, these adrenaline-laced tales of mystery, suspense, murder, and survival never let up and will keep your heart pounding long after the final page. From those numbering a few intense pages to novella-length works, the tales in this action-packed anthology bear all the trademarks of the master's touch—the historical accuracy, memorable characters, and timeless themes that have earned Louis L'Amour his unique place among American writers.
