Poet in Spain Sep 06 2020 For the first time in a quarter century, a major new volume of translations of the beloved poetry

of Federico García Lorca, presented in a beautiful bilingual edition. The fluid and mesmeric lines of these new translations by the award-winning poet Sarah Arvio bring us closer than ever to the talismanic perfection of the great García Lorca. Poet in Spain invokes the "wild, innate, local surrealism" of the Spanish voice, in moonlit poems of love and death set among poplars, rivers, low hills, and high sierras. Arvio's ample and rhythmically rich offering includes, among other essential works, the folkloric yet modernist Gypsy Ballads, the plaintive flamenco Poem of the Cante Jondo, and the turbulent and beautiful Dark Love Sonnets—addressed to Lorca's homosexual lover—which Lorca was revising at the time of his brutal political murder by Fascist forces in the early days of the Spanish Civil War. Here, too, are several lyrics translated into English for the first time and the play *Blood Wedding*—also a great tragic poem. Arvio has created a fresh voice for Lorca in English, full of urgency, pathos, and lyricism—showing the poet's work has grown only more beautiful with the passage of time.

The Poet's Freedom Jun 23 2019 Why do we need new art? How free is the artist in making? And why is the artist, and particularly the poet, a figure of freedom in Western culture? The MacArthur Award-winning poet and critic Susan Stewart ponders these questions in *The Poet's Freedom*. Through a series of evocative essays, she not only argues that freedom is necessary to making and is itself something made, but also shows how artists give rules to their practices and model a self-determination that might serve in other spheres of work. Stewart traces the ideas of freedom and making through insightful readings of an array of Western philosophers and poets—Plato, Homer, Marx, Heidegger, Arendt, Dante, and Coleridge are among her key sources. She begins by considering the theme of making in the Hebrew Scriptures, examining their account of a god who creates the world and leaves humans free to rearrange and reform the materials of nature. She goes on to follow the force of moods, sounds, rhythms, images, metrical rules, rhetorical traditions, the traps of the passions, and the nature of language in the cycle of making and remaking. Throughout the book she weaves the insight that the freedom to reverse any act of artistic making is as essential as the freedom to create. A book about the pleasures of making and thinking as means of

life, *The Poet's Freedom* explores and celebrates the freedom of artists who, working under finite conditions, make considered choices and shape surprising consequences. This engaging and beautifully written notebook on making will attract anyone interested in the creation of art and literature.

The Two Worlds of the Poet Jan 29 2020 This collection of essays honors Alexander Gordon McKay, one of the most respected names in Vergilian studies. Written by some of the world's leading scholars, the essays offer new perspectives on the larger Vergilian world which Dr. McKay's scholarship has so richly illuminated. *The Two Worlds of the Poet* focuses primarily on Vergil and Augustan literature and art, with several essays that expand the Vergilian theme and reflect the wide research interests of Professor McKay in such areas of classical studies as literature, art, architecture, painting, and sculpture. Vergil's world presents two faces, each inseparable from the other--the world which formed the poet and the world which the poet himself created--and it is proper that a volume which commemorates a scholar whose own work has elucidated both of these worlds should address itself to each. Several essays examine the poet's *modus creandi*--his use of the simile; his assimilation of the language and motifs of Roman comic drama; his exploitation of the rich store of Greek, Etruscan, and Roman mythological, legendary, and historical material; and his treatment of a variety of themes which touch upon the very essence of the human condition. Other essays touch upon various aspects of Vergil's material and cultural environment, enabling readers to place his created work in a broader perspective. Contributors offer new perspectives on the post-classical treatment of Vergilian themes, illustrating how the reception of Vergil varied with successive generations. The volume concludes with the reflections of the senior statesman of Vergilian criticism upon the scholar's art and mission. Vergil knew that to understand the present it was essential to break out of the narrow circle of the moment and to reach into the past, thereby affirming our own humanity and our place in the world and finding paths into the future. Vergil and his poetry create evocative connections that cut across time and place and culture, providing a glimpse at the universal human experience. The essays in *The Two Worlds of the Poet* explore Vergil's own struggle to find his place in the world, chronicle the pathway by which we gain entry into the world of the poet, and examine how the world of the poet has influenced and enriched our world. Robert McKay Wilhelm is a professor of Classics at Miami University in Oxford, Ohio. His specialties include Latin literature, Vergilian studies, classical mythology, and Greek and Roman art and archaeology. He earned his Ph.D. from The Ohio State University. A professor of Classics at McMaster University, Howard Jones is the author of several books including *Pierre Gassendi: An Intellectual Biography* and *The Epicurean Tradition*. He received his Ph.D. from Indiana University.

Shido, the Way of Poetry Oct 27 2019 Born in a wartime Relocation Center for Japanese-Americans in 1944, Tanaka uses the Zen parable to create a voice for those Americans who feel that they are 'living in a cultural vacuum' on the margins of society. These small stories are kata or form exercises in spiritual self-definition, where the reader is shown how to create his or her own virtual literary culture. At the same time, Shidó focuses on the process of writing poetry as a spiritual discipline in which the poems themselves become stepping stones to spiritual ends. Originally published by the Journal of Ethnic Studies in 1982, Shidó is the companion volume to The Shino Suite, published by the Greenfield Review Press in 1981 and reprinted by Authors Choice Press in 2000. With these two texts, the reader can see the abrupt and often irreverent juxtaposition of theory and practice that is the mark of Tanaka's literary style. This iUniverse.com reprinting features all new illustrations by Seattle artist, Louise Kikuchi from her Zen Buddhist series, 'Tao, Seeking a Way.' It also includes, 'Son3ts&Mot3ts,' which follows the poet of the Way into cyberspace, and 'StreetRac3r,' one of the first poems ever written on street tuning a Honda Civic.

Friedrich Schiller Poet of Freedom Volume 4 Dec 10 2020 Friedrich Schiller, the great German classical poet and friend of the American Revolution, assigned to art the task of ennobling the spirit of Man, especially at those times when political circumstances are most unfavorable, men most degraded, and when the qualities of genius are most urgently required to find a way to avert political catastrophe. Reading Schiller's poetry, as well as his historical, philosophical, and aesthetic works, has precisely the effect on the sensitive reader of which Schiller informed us--to produce in the reader an ennobling power which then continues to exist long after the reading is done. This is volume IV of the four volume collection of translations. Volume IV includes Schiller Institute English translations of the following: Mary Stuart The Artists Shakespeare's Shade Some Thoughts on the First Human Society . . . Philosophy of Physiology On the Reason We Take Pleasure in Tragic Subjects On Tragic Art On the Employment of the Chorus in Tragedy

Gilgamesh Nov 08 2020 Reflections on a lost poem and its rediscovery by contemporary poets Gilgamesh is the most ancient long poem known to exist. It is also the newest classic in the canon of world literature. Lost for centuries to the sands of the Middle East but found again in the 1850s, it tells the story of a great king, his heroism, and his eventual defeat. It is a story of monsters, gods, and cataclysms, and of intimate friendship and love. Acclaimed literary historian Michael Schmidt provides a unique meditation on the rediscovery of Gilgamesh and its profound influence on poets today. Schmidt describes how the poem is a work in progress even now, an undertaking that has drawn on the talents and obsessions of an unlikely cast of characters, from archaeologists and museum curators to tomb raiders and jihadis. Fragments of the poem, incised on

clay tablets, were scattered across a huge expanse of desert when it was recovered in the nineteenth century. The poem had to be reassembled, its languages deciphered. The discovery of a pre-Noah flood story was front-page news on both sides of the Atlantic, and the poem's allure only continues to grow as additional cuneiform tablets come to light. Its translation, interpretation, and integration are ongoing. In this illuminating book, Schmidt discusses the special fascination Gilgamesh holds for contemporary poets, arguing that part of its appeal is its captivating otherness. He reflects on the work of leading poets such as Charles Olson, Louis Zukofsky, and Yusef Komunyakaa, whose own encounters with the poem are revelatory, and he reads its many translations and editions to bring it vividly to life for readers.

The Role of the Poet in Early Societies Jul 25 2019 Bloomfield and Dunn describe the varying roles which "poets" have historically filled within society, whether ancient, medieval, or pre-modern and identify the key functions of the poet figure. He (or sometimes she) supports the ruler and is in turn rewarded for a central service to the tribe; he exercises his authority by an apparently magical understanding of the past, present, and future; and, whenever called upon to perform an official rite, he knows how to wield the appropriate traditional, esoteric utterances. In order to illustrate the ways in which this kind of poetic function can be seen to have been exercised in early Irish literature, pre-modern Scottish Gaelic, early Welsh, early Norse and Old English the authors draw on a wide-range of texts. The study concludes with an examination of the implications of their findings for twentieth century readers exploring the utterances of poets remote from them in time or space.

The Black Cat and Other Poems Nov 28 2019 Shahabuddin Nagari Twentieth Century's seventh decade was the matrix of productive literary activities in Bangladesh and to that effort Shahabuddin Nagari is a great contributor. Though as a man of myriad mind, Nagari traveled in varied field of literature with dexterity and ease, but his forte is poetry and rhyme. Poems are no longer products of only emotion recollected in tranquility and Nagari's poems bear eloquent testimony to that. Some of his poems are melody at its best when others are just the opposite. When he finds things of his liking alluring and repellent, he revolts with words and his rebellion is translated in poems. Nagari at times is a rebel against much social and personal hypocrisy and give vent to his feelings in no unequivocal term. As a poet Shahabuddin Nagari's emotion erupt in his poems than in any other form of his writings. His books of poetry published over the years and held near the heart of readers bear testimony to this statement. Nagari's preeminent presence in the literary firmament of Bangladesh is well established and with the passage of time it has a solid niche. A reader of Nagari will be amazed to see the fields of diversity Nagari has traversed. He is a passionate lover and at the same time distraught at the slightest neglect of the lady he loves. Readers of his poems in this volume, *The Black Cat and Other Poems*, will get the taste of a poet who is a passionate lover. Nagari is major poet of the language in which he writes Bangla, a vehicle of expression for fine qualities of life. His appearance in English will augur well for Bangla literature which enjoys a wide readership. Shahabuddin Nagari's entrance in world literature will be a commendable act.

The Strategic Poet Apr 01 2020 *The Strategic Poet: Honing the Craft* focuses on the craft of poetry and is based on the belief that craft can be taught and the best teacher of craft is a good poem. This book assumes a knowledgeable reader, that is, one who already knows the language of poetry and already practices the craft. This book is organized into thirteen sections, each one devoted to a specific poetic strategy. While only thirteen strategies are used for organizational purposes, the reader will find many additional strategies referred to and discussed within the sections. There is a progression from one section to the next, but each section also stands alone, so the reader or teacher can follow the order of the Contents or move about freely among the sections. Each section begins with a Craft Talk solicited from a well-known poet with a clear mastery of craft. Each Craft Talk is followed by Model Poems and Prompts. Each Model Poem is followed by an analysis of its craft elements, especially its use of the section's strategy. One Model Poem in each section is followed by a Commentary from the poet who wrote the poem and is focused on a particular strategy used in the poem. Each of the thirty-six Prompts is followed by two Sample Poems written to the prompts. These seventy-two poems demonstrate that the prompts are not mere exercises and can produce terrific poems. Each section ends with three Bonus Prompts. There thirty-nine additional prompts were contributed by thirteen contemporary poets. These short prompts provide additional practice with the strategies, can be used multiple times, and should lead to some good poems. Contributors include 114 of our best contemporary poets. This book is suitable for use by poets working independently, by poets in writing groups, and by teachers in the classroom.

Rumi's Secret Sep 26 2019 The acclaimed New York Times bestselling author of *Smash Cut*, *Flannery*, and *City Poet* delivers the first popular biography of Rumi, the thirteenth-century Persian poet revered by contemporary Western readers. Ecstatic love poems of Rumi, a Persian poet and Sufi mystic born over eight centuries ago, are beloved by millions of readers in America as well as around the world. He has been compared to Shakespeare for his outpouring of creativity and to Saint Francis of Assisi for his spiritual wisdom. Yet his life has long remained the stuff of legend rather than intimate knowledge. In this breakthrough biography, Brad Gooch brilliantly brings to life the man and puts a face to the name Rumi, vividly coloring in his time and place—a world as rife with conflict as our own. The map of Rumi's life stretched over 2,500 miles. Gooch traces this epic journey from Central Asia, where Rumi was born in 1207, traveling with his family, displaced by Mongol terror, to settle in Konya, Turkey. Pivotal was the disruptive appearance of Shams of Tabriz, who taught him to whirl and transformed him from a respectable Muslim preacher into a poet and mystic. Their vital connection as teacher and pupil, friend and beloved, is one of the world's greatest spiritual love stories. When Shams disappeared, Rumi coped with the pain of separation by composing joyous poems of reunion, both human and divine. Ambitious, bold, and beautifully written, *Rumi's Secret* reveals the unfolding of Rumi's devotion to a "religion of love," remarkable in his own time and made even more relevant for the twenty-first century by this compelling account.

The Poet of Piney Woods Feb 09 2021 A misunderstood wolf writes poems about his forest home and friends in this breathtaking picture book *Black Bear-ies Cute black fruit snack. Tiny. Shiny. Pick some, lick thumbs. Cub grub.* The Poet Wolf loves to write pithy verse in the pine forest, but his forest friends see not a poet, but a hungry wolf. That is, until they listen to his lovely poems about life in the woods and discover that behind this apex predator is a sensitive soul who prefers to eat not his furry fellow creatures, but crisp pears.

The Poet and the Fly Mar 01 2020 Flies are the most ubiquitous of insects: buzzing, minuscule, and seemingly insignificant, they've been both plagues and minor annoyances for millennia. Rather than ignore these incredibly mundane and seemingly insignificant creatures, poets spanning centuries--from the seventeenth to the twentieth--and continents--from North America to Asia--have found that these ordinary bugs in fact illuminate deep spiritual mysteries. In this revelatory book, Robert Hudson considers seven poets, each of whom wrote a provocative poem about a fly. These poets--all mystics in their own way--ponder the simple fly and come to astounding conclusions. Considering Emily Dickinson, William Blake, and several other poets, *The Poet and the Fly* brings together the poetry, the flies, and the poets' own lives to explore the imaginative,

and often prophetic, insights that come from the startling combination of poetry and flies. Ultimately, the message each poet offers to us through the fly is as relevant today as it was in their own time: the miracle of existence, the gift of mortality, the power of the imagination, the need for compassion, the existence of the soul, the mystery of everything around us, and the sacramental, grace-giving power of story.

Transfigurations Jun 03 2020 Few poets have as much to tell us about the intricate relationship between the African American past and present as Jay Wright. His poems weave a rich fabric of personal history using diverse materials drawn from African, Native American, and European sources. Scholarly, historical, intuitive, and emotional, his work explores territories in which rituals of psychological and spiritual individuation find a new synthesis in the construction of cultural values. Never an ideologue but always a poet of vision, he shows us a way to rejoice and strengthen ourselves in our common humanity. Here, together for the first time, are Wright's previously published collections -- *The Homecoming Singer* (1971), *Soothsayers and Omens* (1976), *Explications/Interpretations* (1984), *Dimensions of History* (1976), *The Double Invention of Komo* (1980), *Elaine's Book* (1988), and *Boleros* (1991) -- along with the new poems of *Transformations* (1997). By presenting Wright's work as a whole, this collection reveals the powerful consistency of his theme -- a spiritual or intellectual quest for personal development -- as each book builds solidly upon the previous one. Wright examines history from a multicultural perspective, attempting to conquer a sense of exclusion -- from society and his own cultural identity -- and find solace and accord by linking American society to African traditions. He believes that a poem must articulate the vital rhythms of the culture it depicts and is dedicated to a pursuit of poetic forms that embody the cadence of African American culture. In "The Albuquerque Graveyard", he offers a poignant elegy to victims of slavery's Middle Passage and also reveals the purpose of his poetry.to the Black limbo, an unwritten history of our own tensions. The dead lie here in a hierarchy of small defeats. Defying characterization, Wright has experimented with voices, languages, cultures, and forms not normally associated with African American literature. He is well schooled in the cultures of West Africa, Europe, and the Americas, and -- true to his New Mexican birth -- he is a powerful synthesizer of human experience. *Transfigurations* reveals Wright to be a man of profound knowledge and a poet of exalted verbal intensity.

The Poet of Baghdad Dec 22 2021 In the winter of 1979 Nabeel Yasin, Iraq's most famous young poet, gathered together a handful of belongings and fled Iraq with his wife and son. Life in Baghdad had become intolerable. Silenced by a series of

brutal beatings at the hands of the Ba'ath Party's Secret Police and declared an “enemy of the state,” he faced certain death if he stayed. Nabeel had grown up in the late 1950s and early '60s in a large and loving family, amid the domestic drama typical of Iraq's new middle class, with his mother Sabria working as a seamstress to send all of her seven children to college. As his story unfolds, Nabeel meets his future wife and finds his poetic voice while he is a student. But Saddam's rise to power ushers in a new era of repression, imprisonment and betrayal from which few families will escape intact. In this new climate of intimidation and random violence Iraqis live in fear and silence; yet Nabeel's mother tells him “It is your duty to write.” His poetry, a blend of myth and history, attacks the regime determined to silence him. As Nabeel's fame and influence as a poet grows, he is forced into hiding when the Party begins to dismantle the city's infrastructure and impose power cuts and food rationing. Two of his brothers are already in prison and a third is used as a human minesweeper on the frontline of the Iran-Iraq war. After six months in hiding, Nabeel escapes with his wife and young son to Beirut, Paris, Prague, Budapest, and finally England. Written by Jo Tatchell, a journalist who has spent many years in the Middle East and who is a close friend of Nabeel Yasin's, Nabeel's Song is the gripping story of a family and its fateful encounter with history. From a warm, lighthearted look at the Yasin family before the Saddam dictatorship, to the tale of Nabeel's persecution and daring flight, and the suspense-filled account of his family's rebellion against Saddam's regime, Nabeel's Song is an intimate, illuminating, deeply human chronicle of a country and a culture devastated by political repression and war.

Poet of Revolution Jun 15 2021 A groundbreaking biography of Milton's formative years that provides a new account of the poet's political radicalization John Milton (1608–1674) has a unique claim on literary and intellectual history as the author of both Paradise Lost, the greatest narrative poem in English, and prose defences of the execution of Charles I that influenced the French and American revolutions. Tracing Milton's literary, intellectual, and political development with unprecedented depth and understanding, Poet of Revolution is an unmatched biographical account of the formation of the mind that would go on to create Paradise Lost—but would first justify the killing of a king. Biographers of Milton have always struggled to explain how the young poet became a notorious defender of regicide and other radical ideas such as freedom of the press, religious toleration, and republicanism. In this groundbreaking intellectual biography of Milton's formative years, Nicholas McDowell draws on recent archival discoveries to reconcile at last the poet and polemicist. He charts Milton's development from his earliest days as a London schoolboy, through his university life and travels in Italy, to his emergence as a public writer during the English Civil War. At the same time, McDowell presents fresh, richly contextual readings of Milton's best-

known works from this period, including the “Nativity Ode,” “L’ Allegro” and “Il Penseroso,” Comus, and “Lycidas.” Challenging biographers who claim that Milton was always a secret radical, *Poet of Revolution* shows how the events that provoked civil war in England combined with Milton’s astonishing programme of self-education to instil the beliefs that would shape not only his political prose but also his later epic masterpiece.

Emily Dickinson Aug 25 2019 *Includes pictures *Includes quotes *Includes online resources and a bibliography for further reading "Saying nothing...sometimes says the most." - Emily Dickinson Like many writers of her day, Emily Dickinson was a virtual unknown during her lifetime. After her death, however, when people discovered the incredible amount of poetry that she had written, Dickinson became celebrated as one of America's greatest poets. Dickinson was notoriously introverted and mostly lived as a recluse, carrying out her friendships almost entirely by written letters. Her work was just as unique; her poetry is written with short lines, occasionally lacked titles, and often used slant rhyme and unconventional capitalization and punctuation. Only a few of her poems were published in her lifetime, but American schoolchildren across the country read her work today. As a result, Dickinson is, even to those who have studied her the most, an enigma and, even more to the point, a contradiction. Born in an era when women rarely received more than a rudimentary education, she attended college but left before graduating. Considered by many evangelical Christians to be a pioneer of religious poetry, she struggled during her entire life to fully embrace the Calvinist doctrines taught in her New England home. She embraced the friendship

of women, sometimes to a level that bordered on the obsessive, but then easily removed herself from physical contact with all but a few of her closest family members. She seemed to be, in every way, the quintessential Victorian spinster, but her poetry and letters reveal shocking passions, often shared with married men. Not surprisingly, her poetry was just as diverse as her personal life, as she praised romantic love but criticized marriage. She wrote stanza after stanza of verse based on religious themes but never quite presented a clear cut view of the Christian faith. She produced in the same year passionate, even sexually charged verses, and also stilted observations of natural science. But in the midst of all this, she created a new genre of poetry, one that allowed her to speak her mind but in such a way that she could still move about, to the extent she wanted to, in polite society. As one writer has observed, "To make the abstract tangible, to define meaning without confining it, to inhabit a house that never became a prison, Dickinson created in her writing a distinctively elliptical language for expressing what was possible but not yet realized. Like the Concord Transcendentalists whose works she knew well, she saw poetry as a double-edged sword. While it liberated the individual, it as readily left him ungrounded." This then, proved to be both her blessing and her burden, for, left adrift, she eventually lost at least some of her grip on reality and finished her life as a mysterious recluse, not unlike a character in her own poetry. *Emily Dickinson: The Life and Legacy of the Famous American Poet* looks at the reclusive life and remarkable work of the poet. Along with pictures depicting important people, places, and events, you will learn about Emily Dickinson like never before.

Poet Warrior: A Memoir Feb 21 2022 National bestseller An ALA Notable Book Three-term poet laureate Joy Harjo offers a vivid, lyrical, and inspiring call for love and justice in this contemplation of her trailblazing life. Joy Harjo, the first Native American to serve as U.S. poet laureate, invites us to travel along the heartaches, losses, and humble realizations of her "poet-warrior" road. A musical, kaleidoscopic, and wise follow-up to *Crazy Brave*, *Poet Warrior* reveals how Harjo came to write poetry of compassion and healing, poetry with the power to unearth the truth and demand justice. Harjo listens to stories of ancestors and family, the poetry and music that she first encountered as a child, and the messengers of a changing earth—owls heralding grief, resilient desert plants, and a smooth green snake curled up in surprise. She celebrates the influences that shaped her poetry, among them Audre Lorde, N. Scott Momaday, Walt Whitman, Muscogee stomp dance call-and-response, Navajo horse songs, rain, and sunrise. In absorbing, incantatory prose, Harjo grieves at the loss of her

mother, reckons with the theft of her ancestral homeland, and sheds light on the rituals that nourish her as an artist, mother, wife, and community member. Moving fluidly between prose, song, and poetry, Harjo recounts a luminous journey of becoming, a spiritual map that will help us all find home. Poet of Revolution Aug 30 2022 "This is a new account of the intellectual, literary and political development of one the central poets in the English canon. Author Nicholas McDowell follows John Milton more or less from his birth in 1608 and his education to his emergence as a polemical prose writer in the 1640s, concluding at the moment when Milton turned his pen to defending the execution of Charles I in 1649 in the closing years of the English Civil War, though several years before the onset of the poet's blindness and the composition of *Paradise Lost*. As the author makes explicit, this is not a book about the writing of Milton's great biblical epic; rather, it is a book about the formation of the mind that eventually would create this epic, though only after that same mind, of course, justified the killing of a king. Central to the book is Milton's evolving understanding of the ways in which 'tyranny'-defined initially in ecclesiastical and clerical terms but which grows to encompass political organization-retards the intellectual and cultural progress of a nation. McDowell demonstrates how this understanding was shaped not only by Milton's historical experience of the political turbulence of mid seventeenth-century Britain, but also by the interaction between that experience and his intellectual life. This, the author says, was Milton's period of intensive and almost entirely orthodox reading in history and religion, and it was then that he came to see any clerical encroachment upon civil authority as tyranny. His intellectual pursuits, in tandem with wider events, led him to turn to explicitly political prose writing in the defence of regicide at the beginning of 1649. This biography of the first half of the poet's life shows us how John Milton the young poet, scholar, humanist, and universalist became John Milton the puritan, republican and polemicist"--

Poet of the Word: Re-reading Scripture with Ephraem the Syrian Oct 20 2021 Early Christians read the Bible somewhat differently from their modern counterparts. For example, St Ephraem's layered approach to interpreting Sacred Scripture, especially the Old Testament, led him to delve below the literal words of the texts to uncover the rich vein of symbolic allusions that lay within them. Woven together, they formed a tapestry of spiritual wisdom. Ephraem transformed this tapestry into vibrant poetry in hymns, homilies and biblical commentaries that gesture towards the unfathomable mystery of God revealed in Christ. This brief essay examines the principles that guided Ephraem's manner of biblical interpretation (his

hermeneutics) and reveals why he is a Poet of the Word.

Poet-Saints of Maharashtra: Selected Poems Mar 13 2021 POET-SAINTS OF MAHARASHTRA: SELECTED POEMS Translations & Introductions Paul Smith From the 13th to the 17th century the state of Maharashtra in India gave birth to a number of great Poet-Saints whose lives and poetry is loved today as much as it was when they lived their lives of selfless devotion and praise of the Divine Beloved. They composed their poems in slokas and abhangs that are here in the correct form and meaning, with biographies and bibliographies. Janabai (1263-1350) was born to a couple from the lowest caste. She worked as a maidservant for the father of the Poet-Saint Namdev who she cared for throughout her life. Her poetry is replete with her love for God. Namdev (1270-1350) was born in Narasi-Bamani. Soon his family moved to Pandharpur where the temple of Lord Vithoba (Krishna as a boy) is located. He spent most his life there. He composed 2500 abhangs in Marathi. Dnyaneshwar (1275-1296) emerged as one the first original Poet-Saints to write in Marathi. He liberated 'divine knowledge' locked in Sanskrit to bring it into Marathi. At the age of 21 he entered into Sanjeevan Samadhi at Alandi. Mukta Bai (b.1279) was the younger sister of Dnyaneshwar but is a profound Poet-Saint in her own right. She wrote forty-one abhangs. Eknath (1533-1599) was a saint, scholar and poet. He is seen as a bridge between Dnyaneshwar and Namdev and Tukaram and Ramdas. Tukaram (1608-1654) was a prominent Poet-Saint during the Bhakti movement in India and is still greatly loved. Ramdas (1627-1682) was a Marathi Poet-Saint and a devotee of Lord Rama. Bahina Bai (1628-1700) was a disciple of Tukaram. Apart from her unique autobiography in verse she composed abhangs that deal with various subjects. Pages 198. Poet and Hero in the Persian Book of Kings Apr 25 2022 A masterpiece of Persian Classical epic, the Shahnama or Book of Kings was composed by Abu'l-Qasem Ferdowsi at the beginning of the eleventh century. Because the Shahnama presents

itself as a chronicle of the reigns of the shahs from the primordial founders to the Sasanian dynasty which ended in 651, scholarly attention has centered on the question of its historical accuracy. Addressing the literary as well as the historical and mythological aspects of the Shahnama, Olga M. Davidson makes this centerpiece of Iranian culture accessible to Western readers. Drawing on recent work in epic studies and oral poetics, Davidson considers analogies with Classical and medieval European narratives as she investigates the poem's social contexts. Her interpretation of the Shahnama focuses on both the figure of the poet himself and on his protagonists—the superhuman hero Rostam and the historical or historicized shahs. Exploring the Shahnama as an example of court poetry designed to glorify the idea of empire, Davidson identifies as a driving force of Ferdowsi's narrative a strong current of antagonism between king and hero. Ironically, she shows, it is the epic hero himself who poses the greatest threat to the concept of kingship that he is sworn to defend. Poet and Hero in the Persian Book of Kings will be welcomed by readers working in such fields as comparative literature, Middle Eastern Studies, folklore, literary theory, and comparative religion.

FUZULI... A Great Sufi Poet of the 16th Century. SELECTED POEMS Sep 18 2021 FUZULI: A Great Sufi Poet of the 16th Century... Selected Poems, Translation & Introduction Paul Smith FUZULI (1494-1556). Fuzuli (pen-name means 'perfect'). His contemporaries called him the 'prince of poets', but he spent his life torn between impossible dreams of travel and glory and a relatively mundane daily routine. He wrote many qasidas in honour of potential patrons, but it is in his intensely mystical gazels and other poetic forms in Azeri-Turkish, Persian and Arabic and his masterpiece version of Leyla and Mejnun (in gazels, mesnevis and qasidas) that his great fame rests like Hafiz (perhaps the greatest influence on him) as a poet who combined successfully the praising and understanding of human and divine love and the fusing of them. In the true Sufi tradition he saw in human love as a bridge to the Divine. He also wrote of theology, medicine, ethics and astronomy. In three Divans of gazels, qasidas, roba'is, qit'as and other forms in Azeri-Turkish, Persian, and Arabic bear witness to his genius that has not diminished over time. Introduction on *The Life & Poetry & Times of Fuzuli, The Forms of Poetry Used by Fuzuli, Sufis & Dervishes: Their Art & Use of Poetry. Selected Bibliography. Two Appendixes on his Life, Poetry & Influence then & now.* The true rhyme-structures & beauty, power & meaning of these poems has been achieved.
