Every Day by the Sun Mar 04 2020 In Every Day by the Sun, Dean Faulkner Wells recounts the story of the Faulkners of Mississippi, whose legacy includes pioneers, noble and ignoble war veterans, three never-convicted murderers, the builder of the first railroad in north Mississippi, the founding president of a bank, an FBI agent, four pilots (all brothers), and a Nobel Prize winner, arguably the most important American novelist of the twentieth century. She also reveals wonderfully entertaining and intimate stories and anecdotes about her family—in particular her uncle William, or “Pappy,” with whom she shared colorful, sometimes utterly frank, sometimes whimsical, conversations and experiences. This deeply felt memoir explores the close relationship between Dean’s uncle and her father, Dean Swift Faulkner, a barnstormer killed at age twenty-eight during an air show four months before she was born. It was William who gave his youngest brother an airplane, and after Dean’s tragic death, William helped to raise his niece. He paid for her education, gave her away when she was married, and maintained a unique relationship with her throughout his life. From the 1920s to the early civil rights era, from Faulkner’s winning of the Nobel Prize in Literature to his death in 1962, Every Day by the Sun explores the changing culture and society of Oxford, Mississippi, while offering a rare glimpse of a notoriously private family and an indelible portrait of a national treasure.

John McEnroe: A Biography Mar 16 2021 ABOUT THE BOOK It's not quite being forced into solitary confinement, but playing tennis certainly has a tendency to make one feel lonely. Adding the invisible opponent of the mind to the contest can often manifest in the form of desperate (and sometimes violent) appeals directed at that which is tangible and might respond in some manner: line-judges might change a call, coaches might give helpful advice, \$300 rackets might make a nice cracking noise, smacks to the face might wake the body up, primal screams might attract potential mates. Nowhere is that yearning for (and subsequent inability to escape from) attention more evident than in the professional tennis career of John Patrick McEnroe Jr. "Johnny Mac", as he came to be known, at times dominated his sport of expertise, posting the best single season win-loss record of the Open Era in 1984 and eventually totaling seven Grand Slam singles titles, nine Grand Slam men's doubles titles, and one Grand Slam mixed doubles title. MEET THE AUTHOR Zeke is currently a sophomore at the University of North Carolina at Chapel Hill where he is majoring in Comparative Literature. Like many children, he was born. Unfortunately, he was not born with the power of flight, and it was not until many years later that his parents were forgiven for their perceived lack of generosity. A few examples of his hobbies are: playing sports (particularly basketball and tennis), reading/writing (thus, my major and Hyperink application), playing Super Smash Brothers (N64 version), and creating alternate lists for games of Scattergories. EXCERPT FROM THE BOOK McEnroe's path to super-stardom actually started in Wiesbaden, West Germany, where he was born to Kay and John Patrick McEnroe Sr. His father was a part of the United States Air Force, and while stationed in Germany he and his wife welcomed their first born son to the world. There would be two more additions to the family, Mark (born in 1964) and Patrick (born in 1966). Patrick himself had a knack for tennis; in fact, he had enough talent to eventually join his older brother in the ranks of the professionals. While his career was not as storied as John's, Patrick did excel in doubles and by the time his career had finished won 16 championship titles. One year after John's birth, the family moved to Douglaston, Queens, New York. According to John Sr., by age two John Jr. had such tremendous hand-eye coordination that he could strike an incoming ball with a plastic bat. By eight he had dropped the bat and picked up the racket at nearby Douglaston Club. Buy a copy to keep reading!

You Cannot Be Serious Oct 03 2022 A no-holds-barred, intimate memoir by John McEnroe—the bad boy of professional tennis. John McEnroe stunned the tennis elite when he came out of nowhere to make the Wimbledon semifinals at the age of eighteen—and just a few years later, he was ranked number one in the world. You Cannot Be Serious is McEnroe at his most personal, an intimate examination of Johnny Mac, the kid from Queens, and his “wild ride” through the world of professional tennis at a boom time when players were treated like rock stars. In this “bracing serve-and-volley autobiography” (The Boston Globe) he candidly explores the roots of his famous on-court explosions; his ambivalence toward the sport that made him famous; his adventures (and misadventures) on the road; his views of colleagues from Connors to Borg to Lendl; his opinions of contemporary tennis; his marriages to actress Tatum O’Neal and pop star Patty Smyth; and his roles as husband, father, senior tour player, and often-controversial commentator.

Dick Enberg Oct 23 2021 The autobiography of America's most recognizable and versatile sportscaster.

Borg Versus McEnroe Oct 11 2020 The 1980 Wimbledon final is acclaimed as the greatest game ever played on the lawns of SW19. Borg was going for a record-breaking fifth consecutive title, McEnroe his first. The focal point became the legendary fourth set tie break which saw Borg waste five match points before McEnroe levelled the contest on his seventh set point. Borg came back to win the final set 8-6 and as he sank to his knees in victory the Centre Court crowd stood as one to applaud both players. This was to prove Borg's last Grand Slam victory over McEnroe and within two years he had retired altogether. This classic sporting event is celebrated with first-hand accounts from players and personalities. The author tells the story of the great rivalry between Borg and McEnroe as they headed towards their climactic showdown and the shift of tennis supremacy that followed.

The Right Set Oct 30 2019 From stately lawns and gentlemen players to Andre Agassi and Venus Williams: 65 great writings on tennis that chronicle the transformation of the sport. Since its inception, tennis has embraced traditions more patrician than plebeian. But times--and tennis--have changed. The game once reserved for royalty has moved from estate lawns to the concrete courts of the city. Old guard amateurs have given way to prodigies plastered with corporate logos. And while barriers of gender, race, and class have been shattered, the modern plagues of self-promotion, the paparazzi, and challengers of ever-escalating talent loom large. In The Right Set, award-winning novelist and editor Caryl Phillips presents a collection of writings on the remarkable evolution of a gentleman's pastime into a sport of jet-set players of athletic and psychological genius. Here are the stories of champions, from the Renshaw

twins to "ghetto Cinderella" Venus Williams. Here, too, are volleys between tradition and innovation--debates on everything from etiquette and earnings to André Agassi's rejection of the customary tennis whites. Insightful, informative, wonderfully entertaining, *The Right Set* is as colorful and surprising as the game itself. John McPhee on Ashe vs. Graebner David Higdon on Venus Williams James Thurber on Helen Wills Martina Navratilova on Bad Losers Martin Amis on *Smashing the Rackets* and more

***Architecture of Minoan Crete* Jul 08 2020 Ever since Sir Arthur Evans first excavated at the site of the Palace at Knossos in the early twentieth century, scholars and visitors have been drawn to the architecture of Bronze Age Crete. Hardcourt Confidential Dec 25 2021 An entertaining and unfiltered look at professional tennis as only Patrick McEnroe can offer. Patrick McEnroe has been in the world of professional tennis in one way or another for most of his life. As a player, coach, and ESPN commentator, he's seen it all. The significant tennis books of recent years have all been autobiographies--famous players burnishing their image or attempting to set the record straight within carefully controlled memoirs. No one has been willing to do a book that pulls back the curtain and presents an honest, no-holds-barred look into the ultimate gentleman's sport and the larger-than-life personalities that inhabit it. Patrick McEnroe does just that. Curious to know which marquee player threw a tantrum and bailed early on a tournament? Why Roger Federer, presumably the greatest player of all time, has a losing head-to-head record with Rafael Nadal? Why certain tennis prodigies burned out early? The real role of coaches like Nick Bollettieri? Which player is as much of a diva off the court as on? The greatest match ever played? In *Hardcourt Confidential*, McEnroe uses his twenty-five-plus years in the

trenches of the game to tell true tales and wild stories about the players you think you know (from Sampras to Agassi to Roddick to the Williams sisters), how and why the game has changed since he first swung a racket, and what the future holds in store for American tennis. McEnroe takes an unapologetic look at the men, women, and events of the past three decades, right up to the epic Federer vs. Nadal rivalry that dominates the game today. He's got a lot to say and he's not afraid to say it.

Nobody's Perfect Jul 28 2019 Anthony Lane on Con Air— "Advance word on Con Air said that it was all about an airplane with an unusually dangerous and potentially lethal load. Big deal. You should try the lunches they serve out of Newark. Compared with the chicken napalm I ate on my last flight, the men in Con Air are about as dangerous as balloons." Anthony Lane on The Bridges of Madison County— "I got my copy at the airport, behind a guy who was buying Playboy's Book of Lingerie, and I think he had the better deal. He certainly looked happy with his purchase, whereas I had to ask for a paper bag." Anthony Lane on Martha Stewart— "Super-skilled, free of fear, the last word in human efficiency, Martha Stewart is the woman who convinced a million Americans that they have the time, the means, the right, and—damn it—the duty to pipe a little squirt of soft cheese into the middle of a snow pea, and to continue piping until there are 'fifty to sixty' stuffed peas raring to go." For ten years, Anthony Lane has delighted New Yorker readers with his film reviews, book reviews, and profiles that range from Buster Keaton to Vladimir Nabokov to Ernest Shackleton. Nobody's Perfect is an unforgettable collection of Lane's trademark wit, satire, and insight that will satisfy both the long addicted and the not so

Twelve by Twelve Nov 11 2020 Why would a successful American physician choose to live in a twelve-foot-by-twelve-foot cabin without running water or electricity? To find out, writer and activist William Powers visited Dr. Jackie Benton in rural North Carolina. No Name Creek gurgled through Benton’s permaculture farm, and she stroked honeybees’ wings as she shared her wildcrafter philosophy of living on a planet in crisis. Powers, just back from a decade of international aid work, then accepted Benton’s offer to stay at the cabin for a season while she traveled. There, he befriended her eclectic neighbors — organic farmers, biofuel brewers, eco-developers — and discovered a sustainable but imperiled way of life. In these pages, Powers not only explores this small patch of community but draws on his international experiences with other pockets of resistance. This engrossing tale of Powers’s struggle for a meaningful life with a smaller footprint proposes a paradigm shift to an elusive “Soft World” with clues to personal happiness and global healing.

Glory Days Dec 13 2020 A rollicking guided tour of one extraordinary summer, when some of the most pivotal and freakishly coincidental stories all collided and changed the way we think about modern sports The summer of 1984 was a watershed moment in the birth of modern sports when the nation watched Michael Jordan grow from college basketball player to professional athlete and star. That summer also saw ESPN's rise to media dominance as the country's premier sports network and the first modern, commercialized, profitable Olympics. Magic Johnson and Larry Bird's rivalry raged, Martina Navratilova and John McEnroe reigned in tennis, and Hulk Hogan and Vince McMahon made pro wrestling a business, while Donald Trump pierced the national consciousness as a pro football team owner. It was an awakening in the sports world, a moment when sports began to morph into the market-savvy, sensationalized, moneyed, controversial, and wildly popular arena we know today. In the tradition of Bill Bryson's One Summer: America, 1927, L. Jon Wertheim captures these 90 seminal days against the backdrop of the nostalgia-soaked 1980s, to show that this was the year we collectively traded in our ratty Converse for a pair of sleek, heavily branded, ingeniously marketed Nikes. This was the year that sports went big-time.

Our Town Nov 23 2021 Our Town is the debut of a striking literary voice, one that captures the disillusion at the fringes of Hollywood as seen through a haze of drugs, alcohol, abuse, and fallen aspirations. An unseen narrator guides us through the dark fairy tale of Dorothy White, an aspiring actress who "never quite figured how to get out of her own way." Her perfect marriage to an equally golden actor, Dale, quickly turns into one of jealousy and violence. Dorothy ends the marriage yet begins a legacy of self-destruction for the failed couple, as well as their two children, Clover and Dylan. But we see the pathos in Dorothy's attempts to get back on track, to be a good woman, mother, and grandmother. Throughout the novel, she is left in the wake of decisions that turn disastrous. Her downward spiral from elusive fame into consistent infamy—a series of DUIs, the continuing neglect of her children, a string of failed and unhealthy relationships—is not without its grace, with the warmth of her character shining through her spackled makeup and cloud of acrid perfume. In many ways, Dorothy White is an anti-heroine for the ages—"vanilla voiced," bewigged, loving, and ever radiant —a sympathetic character caught in the riptide of her transformation from small-town southern girl to one-time toast of Hollywood to embarrassing tabloid fodder. Our Town is an original and startling debut novel, one whose fresh voice and expert perspective reinvents the Hollywood story for a new generation of readers.

A "long-time rabid fan of tennis," and a regionally ranked tennis player in his youth, David Foster Wallace wrote about the game like no one else. On Tennis presents David Foster Wallace's five essays on the sport, published between 1990 and 2006, and hailed as some of the greatest and most innovative sports writing of our time. Serious Jun 30 2022 John McEnroe enjoyed tremendous success at all levels of tennis, and he owns 77 career singles titles, including 7 Grand Slams. He joined the circuit in 1978 and it took him only three years to attain the No. 1 ranking. The 1980 Wimbledon final, between McEnroe and Bjorn Borg, is considered by many tennis experts to be the best match ever, a five-set thriller which McEnroe avenged the following year for his first Wimbledon title. In doubles, McEnroe is recognised as the best player of all time. He was ranked No. 1 for a record 257 weeks and captured a total of 74 titles, including 8 Grand Slams. Still an active player, McEnroe is now an outstanding tennis commentator and broadcaster for the BBC and other national networks.
