It will not waste your time. allow me, the e-book will completely make public you additional issue to read. Just invest little grow old to entre this on-line revelation **I Am 2 Albert Einstein** as without difficulty as review them wherever you are now.

We Two Jul 29 2022 NEW YORK TIMES BESTSELLER "[A] delectable double bio . . . Talk about Victoria's secret. . . . A fascinating portrait of a genuine love match, but one in which the partners dealt with surprisingly modern issues." —USA Today It was the most influential marriage of the nineteenth century—and one of history's most enduring love stories. Traditional biographies tell us that Queen Victoria inherited the throne as a naïve teenager, when the British Empire was at the height of its power, and seemed doomed to find failure as a monarch and misery as a woman until she married her German cousin Albert and accepted him as her lord and master. Now renowned chronicler Gillian Gill turns this familiar story on its head, revealing a strong, feisty queen and a brilliant, fragile prince working together to build a family based on support, trust, and fidelity, qualities neither had seen much of as children. The love affair that emerges is far more captivating, complex, and relevant than that depicted in any previous account. The epic relationship began poorly. The cousins first met as teenagers for a few brief, awkward, chaperoned weeks in 1836. At seventeen, charming rather than beautiful, Victoria already "showed signs

of wanting her own way.” Albert, the boy who had been groomed for her since birth, was chubby, self-absorbed, and showed no interest in girls, let alone this princess. So when they met again in 1839 as queen and presumed prince-consort-to-be, neither had particularly high hopes. But the queen was delighted to discover a grown man, refined, accomplished, and whiskered. “Albert is beautiful!” Victoria wrote, and she proposed just three days later. As Gill reveals, Victoria and Albert entered their marriage longing for intimate companionship, yet each was determined to be the ruler. This dynamic would continue through the years—each spouse, headstrong and impassioned, eager to lead the marriage on his or her own terms. For two decades, Victoria and Albert engaged in a very public contest for dominance. Against all odds, the marriage succeeded, but it was always a work in progress. And in the end, it was Albert’s early death that set the Queen free to create the myth of her marriage as a peaceful idyll and her husband as Galahad, pure and perfect. As Gill shows, the marriage of Victoria and Albert was great not because it was perfect but because it was passionate and complicated. Wonderfully nuanced, surprising, often acerbic—and informed by revealing excerpts from the pair’s journals and letters—*We Two* is a revolutionary portrait of a queen and her prince, a fascinating modern perspective on a couple who have become a legend.

Albert Upside Down May 27 2022 Albert the pet tortoise has a problem: trying to reach a tasty treat, he has ended up on his shell, upside down and stuck! Can the other garden creatures overcome their rivalry, team up and help him get back on his feet? Packed with comical, charming illustrations and vibrant colour, this timeless tale shows the power of working together, thinking creatively, and how even the smallest amount of assistance can make a very big difference. Also included are fascinating facts about the real-life tortoise called Albert, who inspired this story, and tortoises around the world - a modern-day mini-dinosaur living life on the veg!

Out of Character Jan 23 2022 It's friends-to-enemies-to-friends-to-lovers in this LGBTQIA+ Romance for fans of Red, White & Royal Blue and The Pros of Cons. Jasper Quigley is tired of being everyone's favorite sidekick. He wants to become the hero of his own life, but that's not going to happen if he agrees to help out his former best friend turned king of the jocks, Milo Lionetti. High school was miserable enough, thanks, and Jasper has no interest in dredging up painful memories of his old secret crush. But Milo's got nowhere else to go. His life is spiraling out of control and he's looking to turn things back around. Step one? Replace the rare Odyssey cards he lost in an idiotic bet. Step two? Tell his ex-best-friend exactly how he feels—how he's always felt. Jasper may be reluctant to reopen old wounds, but he never could resist Milo. There's a catch, though: if Milo wants his help, he's going to have to pitch in to make the upcoming children's hospital charity ball the best ever. But as the two don cosplay for the kids and hunt for rare cards, nostalgia for their lost friendship may turn into something even more lasting...

Embrace Your Space Oct 08 2020 When you walk into your home are you met with a sense of peace or a sense of urgency or and chaos? As you settle in for the evening are you in your nest or are you in a mess? Imagine if coming home each day brought tranquility and relaxation, unencumbered by piles of clutter and a sea of disarray. There are plenty of guides on de-cluttering out there, but *Embrace Your Space* moves far beyond the ideas of "how to tidy up", and goes deep into the physical, emotional, and spiritual benefits you can experience as you learn to create peace in your surroundings. Broken into four categories, you'll discover the power you hold to create a cleaner and brighter tomorrow. Explore these life-changing topics in the following themes: Seeking Safety, Clearing Clutter, Releasing, and Receiving.

I Am Albert Ellis Jun 15 2021 Dr. Albert Ellis is one of the greatest psychologists in the world and an eminent personality from the United

States. He became immortal in the history of psychology with his Rational Emotive Behaviour Therapy or REBT, which he founded in 1955. Today REBT has gained recognition and is widely followed everywhere. In the present world full of stress and strife, we all are in pursuit of peace and happiness. Based on rational and humanistic life-philosophy, REBT has helped people from all walks of life in uplifting their lives and is hence extremely popular all over the world. This autobiographical novel gives the reader an insight into his thoughts, and his dauntless and resolute personality. Dr. Ellis lived actively and zealously till his death. He overcame several hurdles and shortcomings in his long life of 93 years only because of REBT. 'My life is my message' he said. REBT and Ellis' life were synonymous, which is proved by his life-journey. The novel unravels his emotions and puts forth his revolutionary views about sexuality in a forthright but sensitive way. It motivates the reader to introspect on his own life-philosophy, thereby enabling him to tide over his emotional problems and make life more meaningful. Readers have found the original Marathi novel, first published in 2009, to be a self-help guide. It enjoys a wide readership and is popular among psychiatrists, psychologists, counsellors, students and celebrities as well. and has thus been a consistent best-seller till date.

Albert Speer Jun 23 2019 "A facsimile edition of ... [a] work first published in 1985; it is reissued in its entirety with a new foreword and preface and an edited introduction"--T.p. verso.

Pork Pie Pandemonium Aug 25 2019 "Baking. It can get a guy killed. When a retired detective superintendent chooses to take a culinary tour of the British Isles, he hopes to find tasty treats and delicious bakes... what he finds is a clue to a crime in the ingredients for his pork pie. His dog, Rex Harrison, an ex-police dog fired for having a bad attitude, cannot understand why the humans are struggling to solve the mystery. He can already smell the answer -- it's right before their noses. He'll pitch in to help his human and the shop owner's teenage daughter as the trio set out to save the shop from closure. Is the rival pork pie shop across the street to blame? Or is there something far more sinister going on? One thing is for sure, what started out as a bit of fun, is getting deadlier by the hour, and they'd better work out what the dog knows soon or it could be curtains for them all." -- Back cover.

The Stranger Dec 30 2019 With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward.

I am Albert Einstein Apr 25 2022 "We can all be heroes" is the message entertainingly told in this New York Times Bestselling picture-book biography series, with this one highlighting Albert Einstein Each picture book in this series is a biography of a significant historical figure, told in a simple, conversational, vivacious way, and always focusing on a character trait that made the person heroic. The heroes are depicted as children throughout, telling their life stories in first-person present tense, which keeps the books playful and accessible to young children. And each book ends with a line of encouragement, a direct quote, and photos on the last page. This biography focuses on Albert Einstein's never-ending curiosity and how it helped him be a better scientist. This friendly, fun biography series inspired the PBS Kids TV show *Xavier Riddle and the Secret Museum*. One great role model at a time, these books encourage kids to dream big. Included in each book are: • A timeline of key events in the hero's history • Photos that bring the story more fully to life • Comic-book-style illustrations that are irresistibly adorable • Childhood moments that influenced the hero • Facts that make great conversation-starters • A virtue this person embodies: Albert Einstein's

curiosity led him to become a world-renowned scientist. You'll want to collect each book in this dynamic, informative series!

Albert Einstein Jul 17 2021 Albert Einstein is known as a genius. But as a child, he was a late developer and didn't talk until much later than his peers. Instead of talking, he was thinking and observing. This natural curiosity soon blossomed into questioning the world around him. Before his 'thought experiments', he would often imagine himself riding a beam of light. In the new Mini Movers and Shakers children's book series comes a cast of characters who have failed, yet succeeded despite overwhelming obstacles. Find out what happens in this kid's book about developing passionate curiosity. Sometimes, we are faced with challenges that seem insurmountable. But with grit and hard work, one can achieve great things! Mini Movers and Shakers was developed to inspire children to dream big and work hard. Fun, relatable characters in graphic style books easy enough for young readers, yet interesting for adults. The Mini Movers and Shakers book series is geared to kids 3-11+. Perfect for boys, girls, early readers, primary school students, or toddlers. Excellent resource for educators, parents, and teachers alike. Collect all the Mini Movers and Shakers Books!

Rough Terrain Apr 01 2020 “Whether making my heart melt, or my head burst into flames — Annabeth Albert draws the reader in and keeps them captivated.” —Gay Book Reviews The camping trip from hell may be the first stop on the road to happily-ever-after. Navy SEAL Renzo Bianchi has a soft spot for Canaan Finley, and not only because the man makes a mean smoothie. He's the first guy to get Renzo's motor revving in a long time. But when he agrees to Canaan's insane charade—one all-access fake boyfriend, coming right up—he never expects more than a fling. Creating a hot Italian SEAL boyfriend to save face seemed like a good idea...until his friends called Canaan's bluff. Now he's setting off into the woods with the very man who inspired his deception, and Canaan is not the outdoorsy type. The sparks are already flying when a flash flood separates them from their group, leaving Renzo and Canaan very much trapped...very much alone in the wilderness. Working together to come up with a plan for survival is sexier than either of them expects. But back in the real world, being a couple is bringing its own set of hazards... Don't miss the Out of Uniform series by Annabeth Albert! Order your copy of Off Base, At Attention, On Point, Wheels Up, Squared Away and Tight Quarters today! One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you're looking for with an HEA/HFN. It's a promise!

The Plague Jan 29 2020 “Its relevance lashes you across the face.” —Stephen Metcalf, The Los Angeles Times • “A redemptive book, one that wills the reader to believe, even in a time of despair.” —Roger Lowenstein, The Washington Post A haunting tale of human resilience and hope in the face of unrelieved horror, Albert Camus' iconic novel about an epidemic ravaging the people of a North African coastal town is a classic of twentieth-century literature. The townspeople of Oran are in the grip of a deadly plague, which condemns its victims to a swift and horrifying death. Fear, isolation and claustrophobia follow as they are forced into quarantine. Each person responds in their own way to the lethal disease: some resign themselves to fate, some seek blame, and a few, like Dr. Rieux, resist the terror. An immediate triumph when it was published in 1947, The Plague is in part an allegory of France's suffering under the Nazi occupation, and a timeless story of bravery and determination against the precariousness of human existence.

Albert's Raccoon Mar 01 2020 Run for cover - there's a raccoon loose in the sweet factory! Albert's new pet, Rocky the raccoon, can't resist interfering with anything mechanical. He turns the toaster into a spaghetti machine, and the washing-machine into a scrambled-egg maker. Albert's parents are not impressed - the raccoon must go! Then Albert smuggles Rocky into his father's sweet factory - on the very day Mr

Caramel Chew, owner of the world's largest chain of sweetshops, is coming on an inspection . . .

Albert Einstein Sep 06 2020 Help kids ages 4 to 12 discover the life of Albert Einstein. Dive into the world of this unique genius to inspire imagination and unlimited possibilities. Today, Einstein is widely recognized as a genius and one of the greatest physicists in history, but things didn't start off that way. Einstein was slow at speech and spoke only from the age of 3. Despite his slow start, Einstein was always curious and imaginative. It was these qualities that eventually lead to some of his craziest ideas and experiments. Some of his most famous inventions include the mass energy equivalence formula $E = MC^2$, the theory of relativity and quantum theory. "Everyone is a genius. But if you judge a fish by its ability to climb a tree, it will live its whole life believing that it is stupid." - Albert Einstein Imagine the disaster if Einstein stopped inventing because of fear. Now, imagine the possibilities if everyone explored courageously just like him. Let's realize that imagination. Here at Inspired Inner Genius, we believe every child is born a genius. We are a publishing house founded with the purpose to inspire, educate and empower young minds across the globe from a tender age. Hop in and immerse yourself in the real-life stories of these characters, whose legacies have lived on. 'I wish I knew this sooner.' Parents, did this thought ever cross your mind during your adolescence? Fret not, because you're not the only one. That is why this series of books were created with the purpose to instill valuable life lessons, values, grit and maturity in your child at the youngest age possible - to continue building on the next generation together. Have your child meet their muse, packaged in the most fun and engaging way possible. Overcome the trials and tribulations in these stories alongside some of the world's most renowned icons, and experience an empowering journey unlike any other. Written and illustrated in a children friendly manner, these books serve to educate kids of all ages. Our vision is to plant empowering seeds in children's minds globally. Join us in our mission to inspire young minds to inspire the world.

Sailor Proof Nov 20 2021 "Whether making my heart melt or my head burst into flames, Annabeth Albert draws the reader in and keeps them captivated." —Gay Book Reviews The sexy Navy chief and his best friend's adorkable little brother... It's petty, but Naval Chief Derrick Fox wishes he could exact a little revenge on his ex by showing off a rebound fling. His submarine is due to return to its Bremerton, Washington, home base soon and Derrick knows all too well there won't be anyone waiting with a big, showy welcome. Enter one ill-advised plan... Arthur Euler is the guy you go to in a pinch—he's excellent at out-of-the-box solutions. It's what the genius music-slash-computer nerd is known for. So when he finds out Derrick needs a favor, he's happy to help. He can muster the sort of welcome a Naval Chief deserves, no problem at all. Except it is a problem. A very big problem. When Arthur's homecoming welcome is a little too convincing, when a video of their gangplank smooch goes enormously viral, they're caught between a dock and a hard place. Neither of them ever expected a temporary fake relationship to look—or feel—so real. And Arthur certainly never considered he'd be fighting for a very much not-fake forever with a military man. Also from Annabeth Albert: *Out of Uniform* Book 1: *Off Base* Book 2: *At Attention* Book 3: *On Point* Book 4: *Wheels Up* Book 5: *Squared Away* Book 6: *Tight Quarters* Book 7: *Rough Terrain* Hotshots Book 1: *Burn Zone* Book 2: *High Heat* Book 3: *Feel the Fire* Book 4: *Up in Smoke* Carina Adores is home to highly romantic contemporary love stories where LGBTQ+ characters find their happily-ever-afters. Discover a new Carina Adores book every month!

Tender with a Twist Jul 25 2019 One kinky wood carver. One younger chef looking to try new things. A series of lessons that bring both men more than they bargained for... Curtis Hunt has made a name for himself as a chainsaw wood carver, winning national competitions and

operating a small business in Rainbow Cove, Oregon. As winter whittles away his tourist traffic, his goal is just to survive the season and try to not get lost in grief for his dead lover. It's been two years, but he's sure he'll never be over the love of a lifetime. However, his body has a certain restlessness that he doesn't quite know how to calm. Logan Rosner knows a thing or two about restlessness. It's what drove him to Rainbow Cove to be a chef at a bar and grill run by his friends. And it's what drives him to a single sizzling encounter with the local legendary lumberjack. Both men get far more than they expected and learn that first impressions aren't always accurate... But when Logan proposes a series of sexy lessons, Curtis must decide how much he's willing to risk. He knows he can't afford to get attached to Logan's good cooking, his easy smiles, or his caretaking, but he keeps going back for more, even as deeper emotions become involved. Soon, Curtis must decide whether to risk his heart again or risk losing Logan for good. *Tender with a Twist* is a 79,000 word stand-alone gay romance with a May/December theme, featuring a second chance at love, opposites attract, loads of sexy times with mild BDSM elements, and one emotionally-charged, guaranteed happy ending with no cliffhangers.

A Universe from Nothing Aug 06 2020 Bestselling author and acclaimed physicist Lawrence Krauss offers a paradigm-shifting view of how everything that exists came to be in the first place. “Where did the universe come from? What was there before it? What will the future bring? And finally, why is there something rather than nothing?” One of the few prominent scientists today to have crossed the chasm between science and popular culture, Krauss describes the staggeringly beautiful experimental observations and mind-bending new theories that demonstrate not only can something arise from nothing, something will always arise from nothing. With a new preface about the significance of the discovery of the Higgs particle, *A Universe from Nothing* uses Krauss’s characteristic wry humor and wonderfully clear explanations to take us back to the beginning of the beginning, presenting the most recent evidence for how our universe evolved—and the implications for how it’s going to end. Provocative, challenging, and delightfully readable, this is a game-changing look at the most basic underpinning of existence and a powerful antidote to outmoded philosophical, religious, and scientific thinking.

The Night Country Aug 18 2021 The New York Times bestselling sequel to Melissa Albert’s beloved *The Hazel Wood*! In *The Night Country*, Alice Proserpine dives back into a menacing, mesmerizing world of dark fairy tales and hidden doors of *The Hazel Wood*. Follow her and Ellery Finch as they learn *The Hazel Wood* was just the beginning, and that worlds die not with a whimper, but a bang. With Finch’s help, Alice escaped the Hinterland and her reclusive grandmother’s dark legacy. Now she and the rest of the dregs of the fairy tale world have washed up in New York City, where Alice is trying to make a new, unmagical life. But something is stalking the Hinterland’s survivors—and she suspects their deaths may have a darker purpose. Meanwhile, in the winking out world of the Hinterland, Finch seeks his own adventure, and—if he can find it—a way back home... Don’t miss *Tales from the Hinterland*, coming January 12, 2021!

Inverse Problem Theory and Methods for Model Parameter Estimation Jul 05 2020 While the prediction of observations is a forward problem, the use of actual observations to infer the properties of a model is an inverse problem. Inverse problems are difficult because they may not have a unique solution. The description of uncertainties plays a central role in the theory, which is based on probability theory. This book proposes a general approach that is valid for linear as well as for nonlinear problems. The philosophy is essentially probabilistic and allows the reader to understand the basic difficulties appearing in the resolution of inverse problems. The book attempts to explain how a method of acquisition of information can be applied to actual real-world problems, and many of the arguments are heuristic.

St. Albert the Great Feb 21 2022 Even while he was still alive, Dominican friar Albert of Cologne was widely called Magnus the Great. His contemporaries said St. Albert simply knew all there was to know; he was a scientist, theologian, and philosopher; a teacher, preacher, and negotiator; a shrewd shepherd and an unflinching defender of the Faith. The time has come to re-discover St. Albert's greatness, and to profit from his prodigious wisdom and virtue as did his famous student, St. Thomas Aquinas. Author Kevin Vost presents St. Albert's brilliant scholarly career at the height of the Church's intellectual renewal in the thirteenth century. St. Albert was tireless (and courageous) in his leadership and works of reform as a Dominican provincial and diocesan bishop. Desperate popes pressed him into diplomatic missions, hoping that Magnus might succeed in making peace where lesser men had failed. These pages not only tell St. Albert's story they share his lessons. Each chapter uses Albertine teachings, and the witness of the saint's life, to instruct, edify, and inspire us to greater holiness and more ardent love. Read St. Albert and see why the greatest man of his age has great things to offer our age as well.

I Am Albert Einstein Nov 01 2022 Chronicles the life and times of the renowned physicist, including his youth and his impact on cosmology.

Analyzing Baseball Data with R, Second Edition May 03 2020 Analyzing Baseball Data with R Second Edition introduces R to sabermetricians, baseball enthusiasts, and students interested in exploring the richness of baseball data. It equips you with the necessary skills and software tools to perform all the analysis steps, from importing the data to transforming them into an appropriate format to visualizing the data via graphs to performing a statistical analysis. The authors first present an overview of publicly available baseball datasets and a gentle introduction to the type of data structures and exploratory and data management capabilities of R. They also cover the ggplot2 graphics functions and employ a tidyverse-friendly workflow throughout. Much of the book illustrates the use of R through popular sabermetrics topics, including the Pythagorean formula, runs expectancy, catcher framing, career trajectories, simulation of games and seasons, patterns of streaky behavior of players, and launch angles and exit velocities. All the datasets and R code used in the text are available online. New to the second edition are a systematic adoption of the tidyverse and incorporation of Statcast player tracking data (made available by Baseball Savant). All code from the first edition has been revised according to the principles of the tidyverse. Tidyverse packages, including dplyr, ggplot2, tidyr, purrr, and broom are emphasized throughout the book. Two entirely new chapters are made possible by the availability of Statcast data: one explores the notion of catcher framing ability, and the other uses launch angle and exit velocity to estimate the probability of a home run. Through the book's various examples, you will learn about modern sabermetrics and how to conduct your own baseball analyses. Max Marchi is a Baseball Analytics Analyst for the Cleveland Indians. He was a regular contributor to The Hardball Times and Baseball Prospectus websites and previously consulted for other MLB clubs. Jim Albert is a Distinguished University Professor of statistics at Bowling Green State University. He has authored or coauthored several books including Curve Ball and Visualizing Baseball and was the editor of the Journal of Quantitative Analysis of Sports. Ben Baumer is an assistant professor of statistical & data sciences at Smith College. Previously a statistical analyst for the New York Mets, he is a co-author of The Sabermetric Revolution and Modern Data Science with R.

Treble Maker Jan 11 2021 On Perfect Harmony, the ambitious competitors heat things up on stage and off... Cody Rivers is determined to be a rock star, but couch-surfing between bar shows gets old fast. Joining an a cappella group for a new singing competition show could be his last chance at real fame—unless the college boy from the heart of the country messes it up for him. Lucas Norwood is everything gothy, glittery Cody is not—conservative, clean-cut, and virginal. But when a twist in the show forces them together, even the sweetest songs get

steamy as the attraction between them lights up the stage. Lucas wants to take it slow, but Cody's singing a different tune—and this time it may be a love song...

Albert Is My Friend Jun 27 2022 Meet Albert. He doesn't say much, but has a lot of great ideas. Mary Louise likes Albert even though he is different from her other friends. Albert and Mary Louise want everyone to know that being different is okay. "Albert is My Friend: Helping Children to Understand Autism" is about the friendship between a young boy, Albert, who is on the autism spectrum and his friend, Mary Louise. Together they describe and explain some common autism behaviors at a child's level of understanding. This read-aloud book has engaging color pictures that will hold the attention of children and adults. This book presents a positive attitude and is a must read for family members, teachers, and community members.

I am Curious Mar 25 2022 The littlest readers can learn about Albert Einstein in this board book version of the New York Times bestselling Ordinary People Change the World biography. This friendly, fun biography series focuses on the traits that made our heroes great--the traits that kids can aspire to in order to live heroically themselves. In this new board book format, the very youngest readers can learn about an icon in the series's signature lively, conversational way. The short text focuses on drawing inspiration from these iconic heroes, and includes an interactive element and factual tidbits that young kids will be able to connect with. This volume tells the story of Albert Einstein, one of the world's greatest scientists.

The Secret Life of Albert Entwistle Nov 28 2019 In a humorous, charmingly wise novel perfect for fans of Fredrik Backman and TJ Klune, the forced retirement of a shy, closeted postman in northern England creates the opportunity for him to track down his lost love, embrace his true self, connect with his community, and finally experience his life's great adventure... "This rollicking romance entrapped me! True in its detail and its scope, it is amusing yet heart-breaking." --Ian McKellen Albert Entwistle is a private man with a quiet, simple life in his northern England village. He lives alone with his cat Gracie. And he's a postman. At least he was a postman until, three months before his sixty-fifth birthday, he receives a letter from the Royal Mail thanking him for decades of service and stating he is being forced into retirement. At once, Albert's sole connection with his world unravels. Every day as a mail carrier, he would make his way through the streets of his small English town, delivering letters and parcels and returning greetings with a quick wave and a "how do?" Without the work that fills his days, what will be the point? He has no friends, family, or hobbies--just a past he never speaks of, and a lost love that fills him with regret. And so, rather than continue his lonely existence, Albert forms a brave plan to start truly living. It's finally time to be honest about who he is. To seek the happiness he's always denied himself. And to find the courage to look for George, the man that, many years ago, he loved and lost--but has never forgotten. As he does, something extraordinary happens. Albert finds unlikely allies, new friends, and proves it's never too late to live, to hope, and to love. A Note from Matt Cain, the author of *The Secret Life of Albert Entwistle* "One of the things that inspired me to write this novel was all the joy I felt at seeing gay men like myself being embraced by British society. I think you'd be hard-pushed to find any other minority community in the UK that was as hated, feared and vilified as gay men were fifty years ago and is now as widely celebrated and loved. Acceptance of gay men has become a touchstone of British values within less than a decade, something that even the most optimistic commentators couldn't have predicted. I wanted to write a book that would celebrate this. And I sincerely hope *The Secret Life of Albert Entwistle* makes its readers feel good about themselves and the part they've played in bringing about this extraordinary social shift." --Matt

Cain

Money for Old Rope Jun 03 2020 Money for Old Rope is essentially a 'best of' collection of best-selling books that reveal the origins and history of just about everything we can think of. In fact, as one wise man suggested, it is the history of everything you didn't realise you wanted to know about, until you found out about it. A must have for dinner conversations and pub chat the world over, this book of history will help to make you feel clever. To begin with we reveal the history of some of our favourite phrases and learn why we turn a blind eye, a cat has nine lives, who Jack Robinson was, why we toast each other with good health when we are about to poison ourselves with alcohol and how a square meal appeared on the menu. There are hundreds more tales from history that explain how the English language became so rich and expressive. Then famous urban legends also get an airing including the creepy hooked hand on the car door story, the legendary phantom hitchhiker and what exactly were the Rolling Stones doing with that Mars Bar and poor old Marianne Faithful. All stories are hilariously explained along with many others. Then the world's great mysteries are covered in ten minutes flat and the truth about D.B Cooper, the death of Marilyn Monroe and the real Loch Ness Monster, among others, are revealed. As are the true stories behind Humpty Dumpty, the Grand Old Duke of York and the Three Blind Mice. Many more of our childhood favourite rhymes are also exposed in all of their gory glory. Then, of course, the fabulous stories of The Red Lion, Marquis of Granby, Garibaldi and the Blind Beggar are revealed and why they are remembered in that typically English fashion of naming a high street pub after them. Loads more of our favourite local boozers also have a tale to tell involving a historic person, or event. Then we move into the food section and we find out who Margarita was, and why the world's most famous pizza is named after her, what Benedict had to do with our breakfast eggs and how the Thousand Island's holiday resort invented the world's preferred seafood sauce. The great stars from the past have also influenced our favourite foods and we find out what Dame Nellie Melba had to do with peaches (or thin toast for that matter) and how bimbos take their place alongside the great diva between the pages of the dictionary. Finally we turn to words and discover who Tom the Fool was and how the word tomfoolery became part of our culture. Same too for Blotto Freres and why a drink too many can make you act like his French invention. Who were the original pipsqueeks, those we think are doolally and why there might be something of a kerfuffle about using that particular word. In fact, Money for Old Rope reveals the delightful history of just about everything, from the Anoraks to the Zombies

Baked Fresh Oct 20 2021 A Portland baker hopes to be more than a rebound when his dream guy is suddenly single in this gay romance novella by the author of Served Hot. From its famous coffee to the mouthwatering fare at its cafés, restaurants, and bakeries, Portland, Oregon, has a lot to whet the appetite, including the hard-working men who serve it all up—hot, fresh, and ready to go—with no reservations . . . Vic Degrassi is a baker on the rise, and it's all thanks to his rare ability to make—and keep—his New Year's resolutions. Whether it's losing weight, giving up smoking, or graduating from culinary school, Vic goes after what he wants—and gets it. This year? He wants Robin Dawson, the sweet-hearted hottie who volunteers with him at the local homeless shelter. When he learns that Robin is suddenly single after being unceremoniously dumped, Vic is more than happy to offer a shoulder to cry on—or at least a fresh-baked pastry to bite into. But it's been a long time since Vic's gone on a date, and he's nervous about risking his friendship with Robin. So when their flirtation turns into a steamy night together, Vic and Robin have to figure out if they're friends with benefits or lovers in the making, and if Robin is ready for something more than just a rebound. There's only one way to find out: turn up the heat . . . Praise for the Portland Heat series “Tremendously

charming and sexy.” —RT Book Reviews on Served Hot “A really enjoyable story.” —Joyfully Jay on Baked Fresh “Sometimes an author just gets everything right . . . Absolutely perfect.” —Guilty Pleasures Book Reviews on Delivered Fast

Why Am I Different? Sep 30 2022 Portrays everyday situations in which children see themselves as "different" in family life, preferences, and aptitudes, and yet, feel that being different is all right.

Albert Aug 30 2022 Albert: Prince Consort to Queen Victoria, social and cultural visionary in his own right, was born in the Saxon duchy of Saxe-Coburg-Saalfeld but defined the culture and direction of 19th century Britain - a superpower at the zenith of its influence - more than any other British royal or politician. Although he pleaded with his wife that no monument to his memory should be left (a plea that was to go unheeded by his grieving widow) the role he played in shaping Victorian culture stands today as indisputable proof of the enduring legacy of a man who spent just two decades of his short life in England. Though overshadowed in history by his adoring wife, and at times even mocked by her subjects, it was arguably Albert that gave form and substance to the Victorian Age. From the outset, he strove to win 'the respect, the love and the confidence of the Queen and of the nation', pursuing an extraordinary social and cultural crusade that has become his greatest legacy. From the Great Exhibition and the construction of many of London's great museums to his social campaigns against slavery and the Corn Laws, Albert's achievements were truly remarkable - in fact, very few have made such a permanent mark on British society. This is the life story of Albert of Saxe-Coburg: Prince Consort and beloved husband of Queen Victoria - and one of the most influential figures of modern Europe.

Albert Einstein Was a Dope? (Wait! What?) Apr 13 2021 From the best-selling author behind My Weird School: a quirky new biography series that casts fresh light on high-interest historic figures. Did you know that Albert Einstein was a high school dropout, and that he failed his physics class when he finally made it to college? Or that when he died, his brain and eyeballs were removed from his body? Ever wondered why his hair looked so wild? Siblings Paige and Turner do—and they’ve collected some of the kookiest and most unusual facts about the world-famous scientist, from his childhood and school days through his time studying relativity and working on the atomic bomb. Narrated by the two spirited siblings and animated by Allison Steinfeld’s upbeat illustrations, *Albert Einstein Was a Dope?* expertly balances authoritative information with Dan Gutman’s signature zany humor.

On Point Sep 18 2021 “On Point is an exciting and emotionally satisfying story and the Out of Uniform series continues to deliver well-crafted military romances.”—All About Romance Never fall for your best friend... Pushing thirty, with his reenlistment looming, decorated navy sniper Maddox Horvat is taking a long look at what he really wants in life. And what he wants is Ben Tovey. It isn’t smart, falling for his best friend and fellow SEAL, but ten years with Ben has forged a bond so intimate Maddox can’t ignore it. He needs Ben by his side forever—heart and soul. Ben admits he likes what he’s seen—his friend’s full lower lip and the perfect muscles of his ass have proved distracting more than once. But Ben’s still reeling from a relationship gone to hell, and he’s not about to screw up his friendship with Maddox, too. Until their next mission throws Ben and Maddox closer together than ever before, with only each other to depend on. Now, in the lonely, desperate hours awaiting rescue, the real challenge—confronting themselves, their future and their desires—begins. Man to man, friend to friend, lover to lover. Who Was Albert Einstein? Mar 13 2021 Everyone has heard of Albert Einstein-but what exactly did he do? How much do kids really know about Albert Einstein besides the funny hair and genius label? For instance, do they know that he was expelled from school as a kid? Finally, here's the story of Albert Einstein's life, told in a fun, engaging way that clearly explores the world he lived in and changed.

The Hazel Wood Feb 09 2021 Welcome to Melissa Albert's *The Hazel Wood*—the fiercely stunning New York Times bestseller everyone is raving about! Seventeen-year-old Alice and her mother have spent most of Alice's life on the road, always a step ahead of the uncanny bad luck biting at their heels. But when Alice's grandmother, the reclusive author of a cult-classic book of pitch-dark fairy tales, dies alone on her estate, the Hazel Wood, Alice learns how bad her luck can really get: Her mother is stolen away—by a figure who claims to come from the Hinterland, the cruel supernatural world where her grandmother's stories are set. Alice's only lead is the message her mother left behind: “Stay away from the Hazel Wood.” Alice has long steered clear of her grandmother's cultish fans. But now she has no choice but to ally with classmate Ellery Finch, a Hinterland superfan who may have his own reasons for wanting to help her. To retrieve her mother, Alice must venture first to the Hazel Wood, then into the world where her grandmother's tales began—and where she might find out how her own story went so wrong. Don't miss the New York Times bestselling sequel to *The Hazel Wood*, *The Night Country*, out now, or *Tales from the Hinterland*, coming January 12, 2021!

Wallace's Year Book of Trotting and Pacing Oct 27 2019

Bruce Nov 08 2020 Originally published in 1920, this book tells the story of a lovable collie named Bruce and his adventures. The tale follows Bruce from his life as a puppy through his training as a courier dog and onto his service as a heroic war dog during the First World War. Albert Payson Terhune was a master of the 'dog story' and produced many popular novels featuring collies. He was also a respected collie breeder himself. We are republishing this work with a brand new introductory biography of the author.

I Am Famous Dec 10 2020 Kiely knows she is famous! The paparazzi (her parents) follow her every move, documenting with cameras. It's exhausting being famous, but someone has to do it. She even gets to perform a big song at her grandfather's birthday. When she messes it up, she's worried she's lost her audience forever, but it turns out that no one is as loyal as her fans.

Albert and the Wind Sep 26 2019 Pet tortoise Albert is having a bad day. His sleep is disturbed by the wind in the trees and then, as he goes to tuck into his food, the wind blows it away. Can the other garden creatures rally round and help Albert retrieve his meal? And will Albert be able to thank them all properly? Comical, charming illustrations with a classic feel bring this timeless tale to life, revealing the importance of helping others and showing gratitude for that help. Also included – fascinating facts about the real tortoise called Albert who inspired this story, a modern day mini-dinosaur living life on the veg!

Steve Jobs May 15 2021 Draws on more than forty interviews with Steve Jobs, as well as interviews with family members, friends, competitors, and colleagues to offer a look at the co-founder and leading creative force behind the Apple computer company.

Conventionally Yours Dec 22 2021 When two "big name fans" go head-to-head at a convention, love isn't the only thing at stake. Charming, charismatic, and effortlessly popular, Conrad Stewart seems to have it all...but in reality, he's scrambling to keep his life from tumbling out of control. Brilliant, guarded, and endlessly driven, Alden Roth may as well be the poster boy for perfection...but even he can't help but feel a

little broken inside. When these mortal enemies are stuck together on a cross-country road trip to the biggest fan convention of their lives, their infamous rivalry takes a backseat as an unexpected connection is forged. Yet each has a reason why they have to win the upcoming Odyssey gaming tournament and neither is willing to let emotion get in the way—even if it means giving up their one chance at something truly magical.
