**Glorious War** Dec 10 2020  
This biography of General Custer doesn't focus on his failure at Little Big Horn but instead describes his legendary successes during the Civil War including his capture of the first Confederate battle flag of the war. 30,000 first printing.  
**The Air You Breathe** Oct 27 2019 "[A] glorious, glittery saga of friendship and loss... I read The Air You Breathe in

two nights. (One might say I inhaled it.)" --NPR "Echoes of Elena Ferrante resound in this sumptuous saga."--O, The Oprah Magazine  
"Enveloping...Peebles understands the shifting currents of female friendship, and she writes so vividly about samba that you close the book certain its heroine's voices must exist beyond the page." - People  
The story of an intense female friendship fueled by affection, envy and pride--and each woman's fear that she would be nothing without the other. Some friendships, like romance, have the feeling of fate. Skinny, nine-year-old orphaned Does is working in the kitchen of a sugar

plantation in 1930s Brazil when in walks a girl who changes everything. Graça, the spoiled daughter of a wealthy sugar baron, is clever, well fed, pretty, and thrillingly ill behaved. Born to wildly different worlds, Dores and Graça quickly bond over shared mischief, and then, on a deeper level, over music. One has a voice like a songbird; the other feels melodies in her soul and composes lyrics to match. Music will become their shared passion, the source of their partnership and their rivalry, and for each, the only way out of the life to which each was born. But only one of the two is destined to be a star. Their intimate, volatile bond will

determine each of their fortunes--and haunt their memories. Traveling from Brazil's inland sugar plantations to the rowdy streets of Rio de Janeiro's famous Lapa neighborhood, from Los Angeles during the Golden Age of Hollywood back to the irresistible drumbeat of home, *The Air You Breathe* unfurls a moving portrait of a lifelong friendship--its unparalleled rewards and lasting losses--and considers what we owe to the relationships that shape our lives.

**A Great and Glorious Adventure: A History of the Hundred Years War and the Birth of Renaissance England** Jun 27 2022 The

glory and tragedy of the Hundred Years War is revealed in a new historical narrative, bringing Henry V, the Black Prince, and Joan of Arc to fresh and vivid life In this captivating new history of a conflict that raged for over a century, Gordon Corrigan reveals the horrors of battle and the machinations of power that have shaped a millennium of Anglo-French relations. The Hundred Years War was fought between 1337 and 1453 over English claims to both the throne of France by right of inheritance and large parts of the country that had been at one time Norman or, later, English. The fighting ebbed and flowed, but despite their

superior tactics and great victories at Crécy, Poitiers, and Agincourt, the English could never hope to secure their claims in perpetuity: France was wealthier and far more populous, and while the English won the battles, they could not hope to hold forever the lands they conquered. Military historian Gordon Corrigan's gripping narrative of these epochal events is combative and refreshingly alive, and the great battles and personalities of the period - Edward III, The Black Prince, Henry V, and Joan of Arc among them - receive the full attention and reassessment they deserve.

**Glorious** Aug 25 2019 The

New York Times bestselling author of *The Last Gunfight* turns his eye for evocative detail to a sweeping novel of the American West that “will delight historical fiction fans longing for the return of classic Westerns” (*Library Journal*). Cash McLendon has always had an instinct for self-preservation, honed by an impoverished childhood with an alcoholic father on the streets of St. Louis. He eventually builds himself up to become the son-in-law and heir apparent to industrial mogul Rupert Douglass. But when tragedy strikes and his life falls apart, his instinct for survival kicks in and he flees St. Louis before Douglass and his

enforcer can track him down. With nothing to lose, McLendon decides to search out an old flame. He’s heard through the grapevine that Gabrielle and her father moved their dry goods store out west, to a speck-on-the-map mining town named Glorious, in Arizona Territory. There, as he tries to win her back, he discovers a new life and community. But he can’t outrun his past forever...

*Freedom, Glorious Freedom*

Aug 18 2021 In *Freedom, Glorious Freedom*, acclaimed author John J. McNeill shows how lesbian and gay Christians can achieve full spiritual maturity and self-acceptance. McNeill discusses freedom of

conscience and discernment of spirits, ancient teachings of the Christian church that have a special urgency for lesbian and gay people who need to free themselves from all the homophobic authorities and deal with God on a direct and personal basis. The liberating process of coming out of the closet is seen as a spirit-filled effort to achieve the glory of God by becoming fully alive. McNeill offers a twelve-step spirituality as a spiritual process of liberation from all addictions in order to experience the love of God in its fullness. The epilogue expresses in detail a philosophical vision, looking both to the past and to the

future, of how gay liberation fits into the Spirit-directed evolution of human history and its role in the ongoing struggle for human liberation. For more than thirty-five years, John J. McNeill, an ordained priest and psychotherapist, has been devoting his life to spreading the good news of God's love for lesbian and gay Christians. **Glorious** Jul 25 2019 "The seeming inevitability of cruel fate juxtaposes the triumph of the spirit in this remarkably rich and powerful novel, *Glorious*. Bernice McFadden's fully realized characters are complicated, imperfect beings, but if ever a character were worthy of love and honor, it is her Easter Bartlett. This very

American story is fascinating; it is also heartbreaking, thought-provoking, and beautifully written."—Binnie Kirshenbaum, author of *The Scenic Route* "Riveting. . . . I am as impressed by its structural strength as by the searing and expertly imagined scenes."—Toni Morrison, on *The Warmest December* *Glorious* is set against the backdrops of the Jim Crow South, the Harlem Renaissance, and the civil rights era. Blending the truth of American history with the fruits of Bernice L. McFadden's rich imagination, this is the story of Easter Venetta Bartlett, a fictional Harlem Renaissance writer whose

tumultuous path to success, ruin, and revival offers a candid portrait of the American experience in all its beauty and cruelty. *Glorious* is ultimately an audacious exploration into the nature of self-hatred, love, possession, ego, betrayal, and, finally, redemption. aBernice L. McFadden is the author of six critically acclaimed novels, including the classic *Sugar and Nowhere Is a Place*, which was a Washington Post best fiction title for 2006. She is a two-time Hurston/Wright Legacy Award finalist, as well as the recipient of two fiction honors from the Black Caucus of the American Library Association (BCALA). McFadden lives in Brooklyn, New York, where she is

working on her next novel. [A Glorious Freedom](#) Jun 03 2020 The glory of growing older is the freedom to be more truly ourselves—with age we gain the liberty to pursue bold new endeavors and worry less about what other people think. In this richly illustrated volume, bestselling author and artist Lisa Congdon explores the power of women over the age of forty who are thriving and living life on their own terms. Profiles, interviews, and essays from women—including Vera Wang, Laura Ingalls Wilder, Julia Child, Cheryl Strayed, and many more—who've found creative fulfillment and accomplished great things in the second half

of their lives are lavishly illustrated and hand-lettered in Congdon's signature style. The perfect gift for women of all ages, *A Glorious Freedom* celebrates extraordinary lives and redefines what it means to gain wisdom and maturity. **The Glorious Angels** May 03 2020 Justina Robson (acclaimed author of *NATURAL HISTORY*, *LIVING NEXT DOOR TO THE GOD OF LOVE* and the *Quantum Gravity* series) is back with a cutting-edge novel of science, adventure and ideas. On a world where science and magic are hard to tell apart, a stranger arrives in a remote town with news of political turmoil to come. And a young woman learns that she

must free herself from the role she has accepted. Always vivid, always full of stunning ideas and imagery, Justina Robson is the ARTHUR C. CLARKE AWARD shortlisted author of some of our most exciting, yet philosophical SF. A new novel from her is a major event in the SF calendar.

### **The Glorious First of June**

**1794** May 27 2022 As 1794 opened, Revolutionary France stood on a knife's edge of failure. Its army and navy had been shaken by the revolution, with civil war and famine taking its toll on their resources. Seeking to bring a revitalizing supply of food from its Caribbean colonies and the United States, the French

government decided to organize a massive convoy to bring the New World's bounty to France. However, in order to succeed in their mission, the French Navy would have to make a deadly crossing over the North Atlantic, an ocean patrolled by the Royal Navy, the most powerful navy force in the world, whose sailors were eager to inflict a damaging defeat on Revolutionary France and win their fortune in prize money. Illustrated throughout with stunning full-colour artwork, this is the full story of the only fleet action during the Age of Fighting Sail fought in the open ocean, hundreds of miles from shore. Taking place over the course of a month, the

inevitable battle was to be a close-run affair, with both sides claiming victory. To the French, it was le Bataille du 13 prairial, a notable day in their new, scientific Revolutionary calendar. For the British, it was the Glorious First of June.

### **Admiral Collingwood:**

**Nelson's Own Hero** Jan 29

2020 Admiral Lord

Collingwood, the eldest son of a Newcastle merchant, went to sea in 1761 at the age of thirteen. In his nearly fifty years in the Navy he rose to become a fine seaman, a master of gunnery, a battle commander the equal of his friend - and rival in love - Nelson. He was also an accomplished writer and wit, a

dotting father, inveterate gossip and consummate diplomat and strategist. Collingwood's service took him to Boston, where he lived and fought during the American War of Independence; to Antigua, where he and Nelson both fell in love with Mary Moutray; to Corsica; Sicily; and Menorca, where he began as a young midshipman and ended his career as the effective viceroy of the Mediterranean.

ADMIRAL COLLINGWOOD is an intimate portrait of a forgotten British naval hero and a thrilling portrait of the glory years of the age of sail. [HMS Bellerophon](#) Oct 08 2020 The story of HMS Bellerophon is a record of the many and

varied duties which the Royal Navy had to carry out in the period 1793 1815. It was involved in the first great fleet action of the War and was involved in the last moments of the struggle with the surrender of Napoleon. The 74-gun ship was the standard unit in the line of battle, Bellerophon was one of the most distinguished with a fine fighting record. Having fought at 'The Glorious First of June'; the battle of the Nile and at Trafalgar the ship saw more than her share of fierce ship-to-ship encounters. In between there were the varying duties of blockade and escort carried out with service in the Channel, the Mediterranean, the North Sea,

the Baltic and the West Indies. The ship saw every type of service which fell to the Navy in that period. All the many and various aspects of the ship's life are covered from construction through maintenance and refits to final disposal. Sadly the ship could not be saved like Victory and the ship and her fine record were confined to the history books.

*From Midnight to Glorious Morning?* Sep 26 2019 Mihir Bose was born in January 1947. Eight months later, India became a modern, free nation. The country he knew growing up in the 1960s has undergone vast and radical change. India today exports food, sends space

probes to Mars, and, all too often, Indian businesses rescue their ailing competitors in the West. In *From Midnight to Glorious Morning?*, Bose travels the length and breadth of India to explore how a country that many doubted would survive has been transformed into one capable of rivaling China as the world's preeminent economic superpower. Multifarious challenges still continue to plague the country: although inequality and corruption are issues not unique to India, such a rapid ascent to global prominence creates a precarious position. However, as Bose outlines, this rapid ascent provides evidence that

India is ever capable of making great strides in the face of great adversity. Bose's penetrating analysis of the last seventy years asks what is yet to be done for India in order to fulfill the destiny with which it has been imbued. The predictions of doom in August 1947 have proved to be unfounded; the growth of the nation in population and capital has been exponential, and there is much to celebrate. But Bose's nuanced, personal, and trenchant book shows that it is naïve to pretend the hoped-for bright morning has yet dawned.

**A Glorious Way to Die** Jul 05  
2020 Acclaimed by Critics,  
Historians, and Military

Leaders the World Over  
[Physician to the Fleet](#) Nov 08  
2020 Details Thomas Trotter's important contributions, as a naval surgeon and after, to the eradication of scurvy and typhus, to the study of addiction, and to improved health and safety in mines.  
*A Glorious Army* Apr 01 2020  
An "eloquent and judicious"\* analysis of Robert E. Lee and the Army of Northern Virginia, from one of leading Civil War historians—now in paperback. From the time Robert E. Lee took command of the Army of Northern Virginia on June 1, 1862, until the Battle of Gettysburg thirteen months later, the Confederate army compiled a record of military

achievement almost unparalleled in our nation's history. How it happened—the relative contributions of Lee, his top command, opposing Union generals, and of course the rebel army itself—is the subject of Civil War historian Jeffrey D. Wert's fascinating new history. Wert shows how the audacity and aggression that fueled Lee's victories ultimately proved disastrous at Gettysburg. But, as Wert explains, Lee had little choice: outnumbered by an opponent with superior resources, he had to take the fight to the enemy in order to win. When an equally combative Union general—Ulysses S. Grant—took command of

northern forces in 1864, Lee was defeated. A Glorious Army draws on the latest scholarship to provide fresh assessments of Lee; his top commanders Longstreet, Jackson, and Stuart; and a shrewd battle strategy that still offers lessons to military commanders today. [Howe Triumphant! or, the Glorious First of June. An heroic poem](#) Mar 25 2022 [Angel in the Whirlwind](#) Jul 17 2021 *Angel in the Whirlwind* is the epic tale of the American Revolution, from its roots among tax-weary colonists to the triumphant Declaration of Independence and eventual victory and liberty, recounted by Benson Bobrick, lauded by The New York Times as

“perhaps the most interesting historian writing in America today.” Overwhelmed with debt following its victory in the French and Indian Wars, England began imposing harsh new tariffs and taxes on its colonists in the 1760s. Rebellion against these measures soon erupted into war. Bobrick thrillingly describes all the major battles, from Lexington and Concord to the dramatic siege of Yorktown, when the British flag was finally lowered before patriot guns. At the same time he weaves together social and political history along with the military history, bringing to life not only the charismatic leaders of the independence

movement, but also their lesser-known compatriots, both patriot and loyalist, English and American, whose voices vividly convey the urgency of war. Illuminated by fresh insight, *Angel in the Whirlwind* is a dramatic narrative of our nation's birth, in all its passion and glory.

**A Little Catholic's First Rosary Book - Joyful** Sep 06 2020 A Bead-by-Bead Picture Prayer Book

**The Glorious Soups and Stews of Italy** Nov 20 2021 An authoritative compendium of sixty traditional recipes presenting the best of Italian stews and soups for every season of the year is accompanied by practical

*The Glorious Heresies* Jun 15 2021 WINNER OF THE BAILEYS' WOMEN'S PRIZE FOR FICTION 2016 WINNER OF THE DESMOND ELLIOT PRIZE 2016 We all do stupid things when we're kids. Ryan Cusack's grown up faster than most - being the oldest of six with a dead mum and an alcoholic dad will do that for you. And nobody says Ryan's stupid. Not even behind his back. It's the people around

him who are the problem. The gangland boss using his dad as a 'cleaner'. The neighbour who says she's trying to help but maybe wants something more than that. The prostitute searching for the man she never knew she'd miss until he disappeared without trace one night . . . The only one on Ryan's side is his girlfriend Karine. If he blows that, he's all alone. But the truth is, you don't know your own strength till you need it.

**The Glorious Adventure** Oct 20 2021

*The Glorious Cause* Feb 21 2022 In *Rise to Rebellion*, bestselling author Jeff Shaara captured the origins of the American Revolution as

brilliantly as he depicted the Civil War in *Gods and Generals* and *The Last Full Measure*. Now he continues the amazing saga of how thirteen colonies became a nation, taking the conflict from kingdom and courtroom to the bold and bloody battlefields of war. It was never a war in which the outcome was obvious. Despite their spirit and stamina, the colonists were outmanned and outfought by the brazen British army. General George Washington found his troops trounced in the battles of Brooklyn and Manhattan and retreated toward Pennsylvania. With the future of the colonies at its lowest ebb, Washington made his most fateful decision:

to cross the Delaware River and attack the enemy. The stunning victory at Trenton began a saga of victory and defeat that concluded with the British surrender at Yorktown, a moment that changed the history of the world. The despair and triumph of America's first great army is conveyed in scenes as powerful as any Shaara has written, a story told from the points of view of some of the most memorable characters in American history. There is George Washington, the charismatic leader who held his army together to achieve an unlikely victory; Charles Cornwallis, the no-nonsense British general, more than a

match for his colonial counterpart; Nathaniel Greene, who rose from obscurity to become the finest battlefield commander in Washington's army; The Marquis de Lafayette, the young Frenchman who brought a soldier's passion to America; and Benjamin Franklin, a brilliant man of science and philosophy who became the finest statesman of his day. From Nathan Hale to Benedict Arnold, William Howe to "Light Horse" Harry Lee, from Trenton and Valley Forge, Brandywine and Yorktown, the American Revolution's most immortal characters and poignant moments are brought to life in remarkable Shaara

style. Yet, *The Glorious Cause* is more than just a story of the legendary six-year struggle. It is a tribute to an amazing people who turned ideas into action and fought to declare themselves free. Above all, it is a riveting novel that both expands and surpasses its beloved author's best work.

[The Glorious First of June](#) Jul 29 2022 First published in 1961, this is a fascinating account of the battle between the fleets of the England's Lord Howe and France's Admiral Villaret-Joyeuse during the French Revolutionary Wars. Known as the Glorious First of June (also known in France as the Bataille du 13 prairial an 2 or Combat de Prairial), the

action on 1 June 1794 was the culmination of a campaign that had criss-crossed the Bay of Biscay over the previous month in which both sides had captured numerous merchant ships and minor warships and had engaged in two partial, but inconclusive, fleet actions. The British Channel Fleet under Admiral Lord Howe attempted to prevent the passage of a vital French grain convoy from the United States, which was protected by the French Atlantic Fleet, commanded by Rear-Admiral Villaret-Joyeuse. The two forces clashed in the Atlantic Ocean, some 400 nautical miles (700 km) west of the French island of Ushant on 1 June 1794.

## **The Glorious Guinness Girls**

Aug 06 2020 From London to Ireland during the 1920s, this glorious, gripping, and richly textured story takes us to the heart of the remarkable real-life story of the Guinness Girls—perfect for fans of *Downton Abbey* and Julian Fellowes' *Belgravia*. Descendants of the founder of the Guinness beer empire, they were the toast of 1920s high society, darlings of the press, with not a care in the world. But Felicity knows better. Sent to live with them as a child because her mother could no longer care for her, she grows up as the sisters' companion. Both an outsider and a part of the family, she witnesses the

complex lives upstairs and downstairs, sees the compromises and sacrifices beneath the glamorous surface. Then, at a party one summer's evening, something happens that sends shock waves through the entire household. Inspired by a remarkable true story and fascinating real events, *The Glorious Guinness Girls* is an unforgettable novel about the haves and have-nots, one that will make you ask if where you find yourself is where you truly belong.

[The Glorious First of June 1794](#)  
Nov 01 2022 As 1794 opened, Revolutionary France stood on a knife's edge of failure. Its army and navy had been shaken by the revolution, with

civil war and famine taking its toll on their resources. Seeking to bring a revitalizing supply of food from its Caribbean colonies and the United States, the French government decided to organize a massive convoy to bring the New World's bounty to France. However, in order to succeed in their mission, the French Navy would have to make a deadly crossing over the North Atlantic, an ocean patrolled by the Royal Navy, the most powerful navy force in the world, whose sailors were eager to inflict a damaging defeat on Revolutionary France and win their fortune in prize money. Illustrated throughout with stunning full-colour

Taking place over the course of a month, the inevitable battle was to be a close-run affair, with both sides claiming victory. To the French, it was le Bataille du 13 prairial, a notable day in their new, scientific Revolutionary calendar. For the British, it was the Glorious First of June.  
**The Glorious First of June 1794** Aug 30 2022 The Glorious First of June 1794 was the first great naval engagement of the Great War with France (1793-1815). Participants on both sides considered it the hardest-

fought battle between them in the eighteenth century and both sides felt they attained their objectives: the British captured or sank seven French battleships, the French saved their big grain convoy from America. In this book experts explore the naval campaign from both British and French perspectives, setting it in its wider context of the war strategy of the rival powers. The intensity of the encounter is demonstrated through the accounts of eyewitnesses, three of which are here published for the first time, and the impact of the battle on public imagination is traced through plays, prints and paintings, and through the artefacts and

memorials by which it was commemorated. Considered to be the hardest-fought battle between France and Britain in the 18th century Includes the accounts of eye witnesses, some published for the first time Traces the impact of the battle on public imagination by discussing plays, print, paintings, artefacts and memorials.

[The Great Glorious Goddamn of It All](#) Sep 18 2021 From singer-songwriter Josh Ritter, a lyrical, sweeping novel about a young boy's coming-of-age during the last days of the lumberjacks. In the tiny timber town of Cordelia, Idaho, ninety-nine year old Weldon Applegate recounts his life in

all its glory, filled with tall tales writ large with murder, mayhem, avalanches and bootlegging. It's the story of dark pine forests brewing with ancient magic, and Weldon's struggle as a boy to keep his father's inherited timber claim, the Lost Lot, from the ravenous clutches of Linden Laughlin. Ever since young Weldon stepped foot in the deep Cordelia woods as a child, he dreamed of joining the rowdy ranks of his ancestors in their epic axe-swinging adventures. Local legend says their family line boasts some of the greatest lumberjacks to ever roam the American West, but at the beginning of the twentieth century, the jacks are dying

out, and it's up to Weldon to defend his family legacy. Braided with haunting saloon tunes and just the right dose of magic, *The Great Glorious Goddamn of It All* is a novel bursting with heart, humor and an utterly transporting adventure that is sure to sweep you away into the beauty of the tall snowy mountain timber.

**The Glorious Revolution** Mar 01 2020 First published in 1983, John Miller's *Glorious Revolution* established itself as the standard introduction to the subject. It examines the dramatic events themselves and demonstrates the profound impact the Revolution had on subsequent British history. The Second Edition contains a

fuller discussion of Scotland and Ireland, the growth of a fiscal-military state and the role of religion and the Revolution.

**The Mouth of the Nile; Or, the Glorious First of August, a Musical Entertainment; As Performed at the Theatre-Royal, Covent-Garden. by T. Dibdin**

Dec 22 2021 The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these

invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Western literary study flows out of eighteenth-century works by Alexander Pope, Daniel Defoe, Henry Fielding, Frances Burney, Denis Diderot, Johann Gottfried Herder, Johann Wolfgang von Goethe, and others. Experience the birth of the modern novel, or compare the development of language using dictionaries and grammar discourses. ++++ The below data was compiled

**The Glorious Flight** Apr 25 2022 Winner of the Caldecott Medal, this stunningly illustrated book depicts Louis Bleriot's historic first cross-Channel flight.

**Glorious Victory** Dec 30 2019 The story of the battle that saved New Orleans, made Andrew Jackson a hero for the ages, and shaped the American public memory of the war.

Whether or not the United States “won” the war of 1812, two engagements that occurred toward the end of the conflict had an enormous influence on the development of American identity: the successful defenses of the cities of Baltimore and New Orleans. Both engagements bolstered national confidence and spoke to the élan of citizen soldiers and their militia officers. The Battle of New Orleans—perhaps because it punctuated the war, lent itself to frontier mythology, and involved the larger-than-life figure of Andrew Jackson—became especially important in popular memory. In Glorious Victory, leading

War of 1812 scholar Donald R. Hickey recounts the New Orleans campaign and Jackson’s key role in the battle. Drawing on a lifetime of research, Hickey tells the story of America’s “forgotten conflict.” He explains why the fragile young republic chose to challenge Great Britain, then a global power with a formidable navy. He also recounts the early campaigns of the war—William Hull’s ignominious surrender at Detroit in 1812; Oliver H. Perry’s remarkable victory on Lake Erie; and the demoralizing British raids in the Chesapeake that culminated in the burning of Washington. Tracing Jackson’s

emergence as a leader in Tennessee and his extraordinary success as a military commander in the field, Hickey finds in Jackson a bundle of contradictions: an enemy of privilege who belonged to Tennessee's ruling elite, a slaveholder who welcomed free blacks into his army, an Indian-hater who adopted a native orphan, and a general who lectured his superiors and sometimes ignored their orders while simultaneously demanding unquestioning obedience from his men. Aimed at students and the general public, *Glorious Victory* will reward readers with a clear understanding of Andrew Jackson's role in the

War of 1812 and his iconic place in the postwar era. **O Glorious City** Mar 13 2021 *O Glorious City* is an exuberant love letter to San Francisco from Jeremy Fish, a beloved artist who enjoys a massive fan base for his edgy artwork. When Fish was invited to create 100 new works of art in honor of City Hall's 100th birthday, he moved his studio into a City Hall office to become the city's first-ever artist in residence. This celebratory book gathers all 100 pieces of artwork—each rendered in his signature whimsical style—featuring everything from the city's famous architecture and treasured local landmarks to

portraits of colorful local residents in a gallery of "unofficial mayors." Together these images form an energetic, visual tour de force showcasing San Francisco's vivacious spirit and vibrant history.

*The Glorious Cause* Nov 28 2019 Recounts the events leading up to the Revolution and discusses the major leaders, campaigns, and battles of the war

**A Glorious Liberty** Jun 23 2019 In this timely and provocative book, Damon Root reveals how Frederick Douglass's fight for an antislavery Constitution helped to shape the course of American history in the

nineteenth century and beyond. At a time when the principles of the Constitution and Declaration of Independence were under assault, Frederick Douglass picked up their banner, championing inalienable rights for all, regardless of race. When Americans were killing each other on the battlefield, Douglass fought for a cause greater than the mere preservation of the Union. "No war but an Abolition war," he maintained. "No peace but an Abolition peace." In the aftermath of the Civil War, when state and local governments were violating the rights of the recently emancipated, Douglass

preached the importance of "the ballot-box, the jury-box, and the cartridge-box" in the struggle against Jim Crow. Frederick Douglass, the former slave who had secretly taught himself how to read, would teach the American people a thing or two about the true meaning of the Constitution. This is the story of a fundamental debate that goes to the very heart of America's founding ideals—a debate that is still very much with us today. **The Glorious First of June** Sep 30 2022 France, early summer 1794. The French Revolution has been hijacked by the extreme Jacobins and is in the grip of The Terror. While the guillotine relentlessly takes

the heads of innocents, two vast French and British fleets meet in the mid-Atlantic following a week of skirmishing. After fierce fighting, both sides claim victory. In *The Glorious First of June* Sam Willis not only tells, with thrilling immediacy and masterly clarity, the story of an epic and complex battle, he also places it within the context of The Terror, the survival of the French Revolution and the growth of British sea-power. **Fletcher's Glorious 1st of June** Jan 23 2022 **In the Hurricane's Eye** May 15 2021 NEW YORK TIMES BESTSELLER "Nathaniel Philbrick is a masterly storyteller. Here he seeks to

elevate the naval battles between the French and British to a central place in the history of the American Revolution. He succeeds, marvelously."--The New York Times Book Review The thrilling story of the year that won the Revolutionary War from the New York Times bestselling author of In the Heart of the Sea and Mayflower. In the concluding volume of his acclaimed American Revolution series, Nathaniel Philbrick tells the thrilling story of the year that won the Revolutionary War. In the fall of 1780, after five frustrating years of war, George Washington had come to realize that the only way to defeat the British Empire was

with the help of the French navy. But coordinating his army's movements with those of a fleet of warships based thousands of miles away was next to impossible. And then, on September 5, 1781, the impossible happened. Recognized today as one of the most important naval engagements in the history of the world, the Battle of the Chesapeake—fought without a single American ship—made the subsequent victory of the Americans at Yorktown a virtual inevitability. A riveting and wide-ranging story, full of dramatic, unexpected turns, In the Hurricane's Eye reveals that the fate of the American Revolution depended, in the

end, on Washington and the sea.

**Holy Guacamole** Jan 11 2021  
Have you ever felt on the edge, alone, down and out, or maybe wondered what in the world God can do with someone like you? Sometimes you wake up feeling less than great about your life. Or your relationships. Or your job. Or your whatever. Sometimes you even feel pushed to the side, put on the shelf, overlooked, and not particularly important to, well, anything. Sometimes, you feel even less important. . .than a side of rice and beans. (You know, kind of like that stuff served on the side that no one really asked for?) What if you found out you were something

more like tableside  
guacamole—that fancy kind  
they wheel up to the table and  
make right on the spot? What if  
you were made on purpose, for  
a purpose that can release  
God’s glorious colors and  
flavors in the world? You didn’t  
arrive here by accident, nor  
have you been served up as an  
unwanted side dish. The God of

creation has created you, and  
He isn't waiting for you to  
become some better version of  
yourself so He can finally love  
you. . .or use you. . .or delight  
in you. Generously seasoned  
with humor and empathy, with  
stories of triumph, failure,  
heartbreak, and redemption,  
Holy Guacamole will connect  
your heart to the unchanging

truths of God’s Word and the  
unfailing power of God’s call to  
live a life full of His love for you  
and for the world. God longs to  
reveal to you all the ways you  
are His beautiful, flavorful,  
colorful creation. Let Him show  
you all the ways you are Holy  
Guacamole—His masterpiece,  
His signature offering to a  
world in need of His love.
