Price, will focus on Key Trials of the Decade. Trials discussed in this issue will include: Physiology over Angiography to determine

lesion severity: The FAME trials; Percutaneous Coronary Intervention or surgery for multivessel disease: The SYNTAX trial at 10 years; Percutaneous Coronary Intervention or surgery for unprotected left main disease: The EXCEL trial at 5 years; Complete or Incomplete Revascularization for ST-Elevation Myocardial Infarction: the PRAMI trial and beyond; Abbreviated Dual Antiplatelet Therapy after PCI in High Bleeding Risk Patients: LEADERS-FREE and ONYX ONE; Transcatheter treatment of functional mitral regurgitation in patients with heart failure: The COAPT trial; Manual thrombectomy in Primary Percutaneous Coronary Intervention: Lessons learned from TOTAL; Paradigm shifts in the treatment of aortic stenosis: The PARTNER Trials experience; COURAGE and ORBITA in context: PCI for chronic stable CAD; SIMPLICITY to RADIANCE: Interpreting the past and mapping the future of renal denervation; From WOEST to AUGUSTUS: Dual Therapy after PCI; The ISCHEMIA Trial: Background, Design, Outcomes and Clinical Interpretation.

Baseball's Best Decade Feb 22 2022 Could there be such a thing as a real golden age of baseball? Baseball's Best Decade takes you on a whirlwind tour of baseball from the 1920s through the 2000s. You'll see at a glance how hitters and pitchers stack up against each other from one decade to the next, and how changes in the game – from Babe Ruth's fence-busting bat to the rise of the relief specialist to the designated hitter – have made performance comparisons from one era to the next more challenging ... and, with the right statistical insights, absolutely fascinating. Baseball's Best Decade is the only source that compares combined major league performances on a decade-by-decade basis. Which decade did produce baseball's real golden age? The answers are finally available. And they'll surprise you. Enjoy the memories.

Poems of the Decade Jul 30 2022 Poems of the Decade is an anthology of the Forward Poetry Prizes from the 1990s. Included are works by Seamus Heaney, Ted Hughes, Carol Ann Duffy and Wendy Cope.

The New Yorker Book of the 40s: Story of a Decade Jul 26 2019 The cultural and political history of the watershed decade of the 20th century, as told by the New Yorker. The 1940s were a decade of upheaval and innovation: they saw the Nuremberg Trials and Israeli statehood, Casablanca and Duke Ellington, smallpox and skyscrapers, FDR and Le Corbusier, zoot suits and Christian Dior. It was also the decade the New Yorker came of age. The same magazine offered its readers the first reporting from Hiroshima and introduced the world to Holden Caulfield, while counting John Hersey, Rebecca West, E.B. White, and Joseph Mitchell among its regular writers. In this volume, pieces by the pantheon of journalists, novelists and poets that graced the New Yorker's pages in the 1940s are complemented by all new contributions, as the magazine's present star lineup looks back at that tumultuous decade. Here is a book that will enthrall, inform and entertain any history fan in your life.

1920: The Year that Made the Decade Roar May 16 2021 One of the most dynamic eras in American history—the 1920s—began with this watershed year that would set the tone for the century to follow. "The Roaring Twenties" is the only decade in American history with a widely applied nickname, and our collective fascination with this era continues. But how did this surge of innovation and cultural milestones emerge out of the ashes of The Great War? No one has yet written a book about the decade's beginning. Acclaimed author Eric Burns investigates the year of 1920, which was not only a crucial twelve-month period of its own, but one that foretold the future, foreshadowing the rest of the 20th century and the early years of the 21st, whether it was Sacco and Vanzetti or the stock market crash that brought this era to a close. Burns sets the record straight about this most misunderstood and iconic of periods. Despite being the first full year of armistice, 1920 was not, in fact, a peaceful time—it contained the greatest act of terrorism in American history to date. And while 1920 is thought of as starting a prosperous era, for most people, life had never been more unaffordable. Meanwhile, African Americans were putting their stamp on culture and though people today imagine the frivolous image of the flapper dancing the night away, the truth was that a new kind of power had been bestowed on women, and it had nothing to do with the dance floor. . . From prohibition to immigration, the birth of jazz, the rise of expatriate literature, and the original Ponzi scheme, 1920 was truly a year like no other.

Roaring Nineties Nov 29 2019 How one of the greatest economic expansions in history sowed the seeds of its own collapse. With his best-selling *Globalization and Its Discontents*, Joseph E. Stiglitz showed how a misplaced faith in free-market ideology led to many of the recent problems suffered by the developing nations. Here he turns the same light on the United States. *The Roaring Nineties* offers not only an insider's illuminating view of policymaking but also a compelling case that even the Clinton administration was too closely tied to the financial community—that along with enormous economic success in the nineties came the seeds of the destruction visited on the economy at the end of the decade. This groundbreaking work by the Nobel Prize-winning economist argues that much of what we understood about the 1990s' prosperity is wrong, that the theories that have been used to guide world leaders and anchor key business decisions were fundamentally outdated. Yes, jobs were created, technology prospered, inflation fell, and poverty was reduced. But at the same time the foundation was laid for the economic problems we face today. Trapped in a near-ideological commitment to free markets, policymakers permitted accounting standards to slip, carried deregulation further than they should have, and pandered to corporate greed. These chickens have now come home to roost. The paperback includes a new introduction that reviews the continued failure of the Bush administration's policies, which have taken a bad situation and made it worse.

Poems of the Decade Oct 01 2022 An anthology of some of the best poems submitted for the Forward Prizes as chosen by a range of judges including poets, literary writers, authors, actors and musicians.

The 2020s May 04 2020 "The 2020s: The Most Disruptive Decade in History" is an introduction to the decade that will have more change, transformation, creative destruction and disruption than any 30 year period in history. The first in a series of short books about the decade this 100 page book is a fast read of high level concepts and overarching macro-trends that will define the next ten years. Houle is known as a global futurist having spoken on all 6 continents and 16 countries. He has been called "the CEO's Futurist, having spoken to or advised some 4,000 CEOs and business owners in the last 14 years. This business oriented global perspective is what he brings to this engaging book. Consider it a high-level guidebook for this new decade. It will be hard to put down, except to digest the big concepts and insights that you will have" This little book will be considered essential reading for anyone fearful, threatened or excited by the massive changes rushing toward us all.

Pop Goes the Decade Oct 09 2020 Analyzing complex social and political issues through their manifestations in popular culture, this book provides readers a strong foundational knowledge of the 1960s as a decade. * Provides readers with a detailed understanding of many aspects of the culture of the decade * Explores people, events, and ideas whose impact is still felt after 50 years * Covers personalities who helped to shape the decade * Suggests areas of further exploration for students interested in popular culture

The '90s Sep 07 2020 At no time since the rock & roll explosion of the 1960s did music matter more than in the 1990s—the decade of grunge, gangsta rap and Britney Spears. The Nineties might have kicked off with Vanilla Ice, but music changed forever the following year when Nirvana's "Smells Like Teen Spirit" exploded onto the airwaves, giving birth to the alternative nation. The decade spawned dozens of new stars (Pearl Jam, Eminem, Dave Matthews, Christina Aguilera and Jay-Z among them); top artists from U2 to Madonna made their most adventurous records; and hip-hop icons Tupac Shakur and Biggie Smalls met violent ends. Rolling Stone was there to tell all those stories and more—and The '90s collects the best of them: the last major interview with Kurt Cobain, conducted by David Fricke three months before the Nirvana singer took his life in 1994; Jonathan Gold's 1993 trip to Compton to check in with Snoop Dogg and Dr. Dre; Carrie Fisher's intimate one-on-one with Madonna following her 1991 film, *Truth or Dare*; Kim Neely partying with a riot-starting Guns n' Roses in 1991; Anthony Bozza riding along with an Ecstasy-gobbling Eminem in 1999; and, that same year, Steven Daly's visit to the bedroom of a teenage Britney Spears. Packed with over fifty stories, portraits by the biggest names in photography including Mark Seliger, David LaChapelle and Steven Meisel, and a guide to the decade's hundred greatest

albums, *The '90s* is a definitive look back at the decade that rocked.

Pop Goes the Decade Feb 10 2021 *Pop Goes the Decade: The 2000s* comprehensively examines popular culture in the 2000s, placing the culture of the decade in historical context and showing how it not only reflected but also influenced its times. *Pop Goes the Decade: The 2000s* starts with a timeline of major historical pop culture events of the 2000s, followed by an introduction describing what the U.S. was like at the beginning of the new millennium and how it would change throughout the decade. Next come chapters broken down by medium: television, sports, music, movies, literature, technology, media, and fashion and art. A chapter on controversies in popular culture is followed by a chapter on game-changers, featuring 20 individuals who made a major impact on the U.S. in the 2000s. Finally, a conclusion shows the impact that pop culture in the 2000s has had on the U.S. in the years since. This volume serves as a comprehensive resource for high school and college students studying popular culture in the 2000s. It provides a summary of total impact, plus specific insights into each individual topic. It also includes a wide swath of the scholarship produced on the subject to date. Covers the people, events, and ideas whose impact is still felt in the years since the 2000s, rather than simply telling the history of a decade Offers a detailed understanding of the variety of strands composing the culture of the decade Covers the personalities who helped to shape the decade Suggests areas of further exploration for students of popular culture

Towards a New Enlightenment? Sep 19 2021 Addresses key issues in understanding the decade 2008-2018 and its impact on the societies of the future. Brings together the articles B28of twenty-two prestigious international experts in different fields of thought. Through an informative approach, the essays form a transversal view of today's thinking. This is the tenth title of the Open Mind essay collection published by BBVA.A27.0We are living through years of great importance, marked by the unstoppable evolution of technology, science and the information society. This book brings together twenty-two essays written by prestigious researchers from the world's leading universities on areas as diverse as crucial to our future: climate change, artificial intelligence, economics, cyber-security and geopolitics, democracy, anthropology, new media, astrophysics and cosmology, nanotechnology, biomedicine, globalisation, gender theory and the cities of the future.

The Next Decade Oct 21 2021 The author of the acclaimed New York Times bestseller *The Next 100 Years* now focuses his geopolitical forecasting acumen on the next decade and the imminent events and challenges that will test America and the world, specifically addressing the skills that will be required by the decade's leaders. In the long view, history is seen as a series of events—but the course of those events is determined by individuals and their actions. During the next ten years, individual leaders will face significant transitions for their nations: the

United States' relationships with Iran and Israel will be undergoing changes, China will likely confront a major crisis, and the wars in the Islamic world will subside. Unexpected energy and technology developments will emerge, and labor shortages will begin to matter more than financial crises. Distinguished geopolitical forecaster George Friedman analyzes these events from the perspectives of the men and women leading these global changes, focusing in particular on the American president, who will require extraordinary skills to shepherd the United States through this transitional period. *The Next Decade* is a provocative and fascinating look at the conflicts and opportunities that lie ahead.

The War Decade Oct 28 2019

Anger, Mercy, Revenge Sep 27 2019 Lucius Annaeus Seneca (4 BCE–65 CE) was a Roman Stoic philosopher, dramatist, statesman, and adviser to the emperor Nero, all during the Silver Age of Latin literature. *The Complete Works of Lucius Annaeus Seneca* is a fresh and compelling series of new English-language translations of his works in eight accessible volumes. Edited by world-renowned classicists Elizabeth Asmis, Shadi Bartsch, and Martha C. Nussbaum, this engaging collection restores Seneca—whose works have been highly praised by modern authors from Desiderius Erasmus to Ralph Waldo Emerson—to his rightful place among the classical writers most widely studied in the humanities. *Anger, Mercy, Revenge* comprises three key writings: the moral essays *On Anger* and *On Clemency*—which were penned as advice for the then young emperor, Nero—and the *Apocolocyntosis*, a brilliant satire lampooning the end of the reign of Claudius. Friend and tutor, as well as philosopher, Seneca welcomed the age of Nero in tones alternately serious, poetic, and comic—making *Anger, Mercy, Revenge* a work just as complicated, astute, and ambitious as its author.

The Deal Decade Handbook Aug 26 2019 In this companion handbook to *The Deal Decade: What Takeovers and Leveraged Buyouts mean for Corporate Governance*, Margaret Blair and Girish Uppal present summary statistics and details on the corporate restructuring movement of the 1980s. The authors summarize data from private buyouts, junk bond issuances, and aggregate changes in corporate debt. They also report on the changing patterns of corporate ownership, shareholder activism, and changes in the law affecting takeovers. Finally, they put the 1980s into historical context by presenting data tracking merger and acquisition activity since 1955.

Decade of Change Dec 31 2019 Change is often an abstract concept, discussed in business conferences and academic seminars. But it's been all too real this past decade. The momentousness of change during the past 10 years has inspired the *Gallup Management Journal*, an online business magazine that posts articles weekly for nearly 300,000 subscribers, to review how it covered and evaluated events during this period; how it tried to make sense of rapid change right as it was unfolding; and most importantly, how Gallup's most visionary people, as well as

the great minds with whom Gallup regularly associates, helped organizational leaders navigate the most tumultuous years in memory. In these pages, you'll find insights and wisdom into how to manage, and make the most of, change. Nobel Prize winner Daniel Kahneman probes the nature of decision-making. Lieutenant General Russel Honoré, of Hurricane Katrina fame, offers leadership lessons he applied in the crucible of crisis. Vinton Cerf, one of the creators of the Internet, tells how he'll get six billion people online. Visionary executive Ray Anderson makes a powerful business case for environmental sustainability. Gallup Chairman and CEO Jim Clifton reveals what everyone in the globe most wants, And a host of other executives and thinkers tackle everything from mitigating the fear of layoffs, to promoting wellbeing in the workplace, to building customer engagement amid the post-crash "new normal." Some of the best business and organizational minds can be found in these pages, steering leaders through the various crises of the past decade, and helping find a way forward to what we all hope will be a brighter and more prosperous future. *Decade of Change* is as much a look backward as it is a roadmap for what lies ahead.

The Decade Aug 31 2022 The Decade was the birthplace of rock 'n' roll in Pittsburgh, at the corner of Atwood and Sennott. The eclectic bar with parachutes covering the ceiling was home base for local bands such as the Iron City Houserockers, but it also served as a showcase for rising international recording acts, including the Police, U2, the Red Hot Chili Peppers, and the Ramones. Under the shadow of the University of Pittsburgh, The Decade was an oasis of live rock and blues music in the 1970s to the early 1990s. The small venue had wide appeal to bands who felt they could intimately connect with their audience. Owned and operated by Dom DiSilvio, The Decade will forever be a home to many Pittsburghers, and *Images of Modern America: The Decade* is a home for their stories.

Poems of the Decade Jun 28 2022 Agbabi, Armitage, Burnside, Duffy, Dunmore, Fanthorpe, Heaney, Motion, Nagra, O'Brien and more *Poems of the Decade* brings together more than one hundred poems from the many thousands submitted to the Forward Prizes for Poetry in the first decade of the 21st century. The Forwards are among the world's most coveted poetry honours. They have been awarded annually since 1992 for the Best Collection, Best First Collection and Best Single Poem published in Britain and Ireland, and the roster of winning, shortlisted and highly commended poets regularly juxtaposes familiar canonical names with fresh voices. This anthology of anthologies draws on the ten Forward Books of Poetry published to accompany the prizes between 2001 and 2010. It is the perfect introduction to a wide range of contemporary poetry: works that speak of violence, danger and fear, of love and all that opposes love, in forms of language broken and reshaped by the need to communicate what it is to be alive now, here. "These annual anthologies of the poems in the running for the Forward Prizes remain the best way

of encountering the richness that new poetry has to offer.' Daily Telegraph
Catch of the Decade Dec 23 2021 'Gabby and Hezi were always the most looked-up-to duo in ecommerce and they truly taught me how to trade!' Nick Molnar, CEO, Afterpay 'The Leibovich brothers are pioneers of Australian ecommerce. You cannot afford to not read this book.' Christine Holgate, Group Chief Executive Officer & Managing Director, Australia Post Real stories and advice from digital entrepreneurs who have learned what it takes to succeed In Catch of the Decade, two of Australia's most successful online superstars reveal how they've built, launched, merged, and sold some of the most disruptive businesses in Australia today: Catch, Scoopon, Menulog and Luxury Escapes. This book contains little-known secrets and strategies that will help you shorten your learning curve, avoid mistakes, and bring your business dream alive. The wisdom revealed in this book is hard won: brothers Gabby and Hezi Leibovich started with no money and no connections, turned their drawbacks into assets, and came out on top. You'll learn how they rode the waves of entrepreneurialism and worked their way up. Learn proven tips to define, disrupt and dominate a sector or industry, straight from entrepreneurs who achieved their billion-dollar dreams. Read hard hitting, no bull nuggets of wisdom in the areas of customer service, PR, Buying and trading, engaging investors and more. Market-tested strategies for building big brands, creating high-performing teams and fostering a world-class entrepreneurial culture. For the first time, the Leibovich brothers are telling their story, in their own words, and you'll learn how they got where they are today. Follow in their footsteps with over 200 bite-sized entries that are both inspirational and useful. Pick up Catch of the Decade and get moving!

1920 Jun 04 2020 One of the most dynamic eras in American history--the 1920s--began with this watershed year that would set the tone for the century to follow.
Time of the Magicians Jun 24 2019 "[A] fascinating and accessible account . . . In his entertaining book, Mr. Eilenberger shows that his magicians' thoughts are still worth collecting, even if, with hindsight, we can see that some performed too many intellectual conjuring tricks." —Wall Street Journal A grand narrative of the intertwining lives of Walter Benjamin, Martin Heidegger, Ludwig Wittgenstein, and Ernst Cassirer, major philosophers whose ideas shaped the twentieth century The year is 1919. The horror of the First World War is fresh for the protagonists of *Time of the Magicians*, each of whom finds himself at a crucial juncture. Benjamin is trying to flee his overbearing father and floundering in his academic career, living hand to mouth as a critic. Wittgenstein, by contrast, has dramatically decided to divest himself of the monumental fortune he stands to inherit, in search of spiritual clarity. Meanwhile, Heidegger, having managed to avoid combat in war by serving as a meteorologist, is carefully cultivating his career. Finally, Cassirer is working furiously on the margins of academia, applying himself to his writing and the possibility of a career at Hamburg University. The stage is set for a great

intellectual drama, which will unfold across the next decade. The lives and ideas of this extraordinary philosophical quartet will converge as they become world historical figures. But as the Second World War looms on the horizon, their fates will be very different.

The Decade That Rocked Nov 02 2022 “I have read pretty much every rock 'n' roll biography there is worth reading, and you never know what to expect when you pick up a new book. Well, let me tell you Mark Weiss has raised the bar for rock 'n' roll books with *The Decade That Rocked*. Mark has always been at the top of his field, and the level of detail and quality put into this book is the ultimate testament to his rock n' roll photographic legacy.” – Sebastian Bach “Mark is the real deal. He may not play the guitar, but that camera is his guitar. He’s a rockstar.” – Gene Simmons “Mark’s energy, his creativity, his drive, his positive attitude and his enthusiasm that make him one of the legends of rock photography. It’s why his work—both old and new—is still so in demand today. Mark Weiss inspires greatness in all he turns his camera lens on. But don’t take my word for it. Just look at the pictures in this book.” – Dee Snider “His pictures say as much as the music” – Rob Halford “He was one of the guys. He wasn’t one of the 18 photographers you’d work with that day.” – Alice Cooper “He had that instinct, to recognize our energy and use his technical talent to capture it.” – Joe Perry “*The Decade That Rocked* breaches a level of intimacy that so many music photographers are lacking today. Each and every photo exemplifies the trust and the synergy between photographer and subject. You can feel the essence of the music in the live shots, just as vibrantly as you can feel the spirit and the essence of the musicians behind the scenes.” – Screamer Magazine Mark “Weissguy” Weiss set an unmatched standard for rock photography. Starting out as a teenager by sneaking into concerts with a neighbor’s 35mm camera, he embarked on a legendary career that took him around the globe and onto some of the most memorable album and magazine covers in rock history—featuring the likes of Van Halen, Ozzy Osbourne, Aerosmith, and Mötley Crüe to Metallica, Guns N’ Roses, Bon Jovi, and KISS, and so many more. With 700+ photos, brand new interviews, and stories from Mark himself, *Decade that Rocked* is a monument to the photography, friendships, and legacy of an artist that helped define one of rock’s most iconic eras. This career-spanning collection features: A unique lens on the golden age of rock: Never-before or rarely seen photos of legends like Van Halen, Ozzy Osbourne, Aerosmith, and Mötley Crüe to Metallica, Guns N’ Roses, Bon Jovi, and KISS, as well as countless others whose sound and image defined the era. Exclusive interviews: Ozzy Osbourne, Dee Snider, Nikki Sixx, Joe Perry, Rob Halford, and many more recall their memories of this era-defining decade. Untold Stories: Relive Mark’s unbelievable journey through rock history, from getting arrested for selling photos outside of Kiss concert to touring with legends like Van Halen, to photographing Bon Jovi’s infamous “Slippery When Wet” shoot, shooting

backstage at Live Aid with Black Sabbath, and so many more. Definitive Lens: Creem magazine readers ranked Mark Weiss as rock's top photographer of the 80s. His work has appeared on some of the most iconic album and magazine covers of all time. Captured from the unique vantage point of a photographer who lived and breathed the '80s in all its grit and glory, *The Decade That Rocked* brings to life the no-holds-barred sounds and sights that changed the world of hard rock and metal forever.

The 40s: The Story of a Decade Jan 12 2021 This captivating anthology gathers historic New Yorker pieces from a decade of trauma and upheaval—as well as the years when *The New Yorker* came of age, with pieces by Elizabeth Bishop, Langston Hughes, Joseph Mitchell, Vladimir Nabokov, and George Orwell, alongside original reflections on the 1940s by some of today's finest writers. In this enthralling book, contributions from the great writers who graced *The New Yorker's* pages are placed in historical context by the magazine's current writers. Included in this volume are seminal profiles of the decade's most fascinating figures: Albert Einstein, Walt Disney, and Eleanor Roosevelt. Here are classics in reporting: John Hersey's account of the heroism of a young naval lieutenant named John F. Kennedy; Rebecca West's harrowing visit to a lynching trial in South Carolina; and Joseph Mitchell's imperishable portrait of New York's foremost dive bar, McSorley's. This volume also provides vital, seldom-reprinted criticism, as well as an extraordinary selection of short stories by such writers as Shirley Jackson and John Cheever. Represented too are the great poets of the decade, from William Carlos Williams to Langston Hughes. To complete the panorama, today's *New Yorker* staff look back on the decade through contemporary eyes. *The 40s: The Story of a Decade* is a rich and surprising cultural portrait that evokes the past while keeping it vibrantly present. Including contributions by W. H. Auden • Elizabeth Bishop • John Cheever • Janet Flanner • John Hersey • Langston Hughes • Shirley Jackson • A. J. Liebling • William Maxwell • Carson McCullers • Joseph Mitchell • Vladimir Nabokov • Ogden Nash • John O'Hara • George Orwell • V. S. Pritchett • Lillian Ross • Stephen Spender • Lionel Trilling • Rebecca West • E. B. White • Williams Carlos Williams • Edmund Wilson And featuring new perspectives by Joan Acocella • Hilton Als • Dan Chiasson • David Denby • Jill Lepore • Louis Menand • Susan Orlean • George Packer • David Remnick • Alex Ross • Peter Schjeldahl • Zadie Smith • Judith Thurman

The Chicago Tribune Book of the Chicago Bulls Mar 02 2020 A gorgeous and comprehensive look at one of the NBA's most storied and valuable franchises—from their first season to Michael Jordan and beyond. The Chicago Bulls have been building their highly decorated legacy for five decades now. To this day, the Bulls are one of the most popular teams the world over. Six championships, the league's best-ever single-season record, and perhaps the greatest player of all time will do that, and Bulls fans wouldn't have it any other

way. From the beginning, the Bulls have set records. They are still the only NBA expansion team to make the playoffs in their inaugural season with the best record ever for a first-year team. They soared to new heights after drafting Michael Jordan in the 1984 draft. Joined by fellow Hall of Famers Scottie Pippen and coach Phil Jackson, the team won two sets of three consecutive championships in the 90s. The new millennium saw repeated attempts to reignite the magic of the Jordan-era Bulls, but soon a new identity emerged of tough, hardworking team players reminiscent of the Bulls' earlier years. The Chicago Tribune Book of the Chicago Bulls is a decade-by-decade look at the pride of the city's West Side produced by the award-winning journalists who have been documenting their home team since the beginning. This beautiful volume details every era in the team's history through original reporting, in-depth analysis, interviews, archival photos, comprehensive timelines, rankings of top players by position, and other features. Profiles on key coaches, Hall of Famers, and MVPs provide an entertaining, blow-by-blow look at the team's greatest successes and most dramatic moments.

Losing Earth Jun 16 2021 By 1979, we knew all that we know now about the science of climate change - what was happening, why it was happening, and how to stop it. Over the next ten years, we had the very real opportunity to stop it. Obviously, we failed. Nathaniel Rich's groundbreaking account of that failure - and how tantalizingly close we came to signing binding treaties that would have saved us all before the fossil fuels industry and politicians committed to anti-scientific denialism - is already a journalistic blockbuster, a full issue of the New York Times Magazine that has earned favorable comparisons to Rachel Carson's *Silent Spring* and John Hersey's *Hiroshima*. Rich has become an instant, in-demand expert and speaker. A major movie deal is already in place. It is the story, perhaps, that can shift the conversation. In the book *Losing Earth*, Rich is able to provide more of the context for what did - and didn't - happen in the 1980s and, more important, is able to carry the story fully into the present day and wrestle with what those past failures mean for us in 2019. It is not just an agonizing revelation of historical missed opportunities, but a clear-eyed and eloquent assessment of how we got to now, and what we can and must do before it's truly too late.

Women and the Decade of Commemorations Apr 02 2020 When women are erased from history, what are we left with? Between 1912 and 1922, Ireland experienced sweeping social and political change, including the Easter Rising, World War I, the Irish Civil War, the fight for Irish women's suffrage, the founding of the Abbey Theatre, and the passage of the Home Rule Bill. In preparation for the centennial of this epic decade, the Irish government formed a group of experts to oversee the ways in which the country would remember this monumental time. Unfortunately, the group was formed with no attempt at gender balance. *Women and the Decade of Commemorations*, edited by Oona Frawley, highlights not only the responsibilities of Irish women, past and present, but it also privileges women's

scholarship in an attempt to redress what has been a long-standing imbalance. For example, contributors note the role of the Waking the Feminists movement, which was ignited when, in 2016, the Abbey Theater released its male-dominated centenary program. They also discuss the importance of addressing missing history and curating memory to correct the historical record when it comes to remembering revolution. Together, the essays in *Women and the Decade of Commemorations* consider the impact of women's unseen, unsung work, which has been critically important in shaping Ireland, a country that continues to struggle with honoring the full role of women today.

The 50s: The Story of a Decade Jul 18 2021 This engrossing anthology assembles classic New Yorker pieces from a complex era enshrined in the popular imagination as the decade of poodle skirts and Cold War paranoia—featuring contributions from Philip Roth, John Updike, Nadine Gordimer, and Adrienne Rich, along with fresh analysis of the 1950s by some of today's finest writers. The New Yorker was there in real time, chronicling the tensions and innovations that lay beneath the era's placid surface. In this thrilling volume, classic works of reportage, criticism, and fiction are complemented by new contributions from the magazine's present all-star lineup of writers. The magazine's commitment to overseas reporting flourished in the 1950s, leading to important dispatches from East Berlin, the Gaza Strip, and Cuba during the rise of Castro. Closer to home, the fight to break barriers and establish a new American identity led to both illuminating coverage, as in a portrait of Thurgood Marshall at an NAACP meeting in Atlanta, and trenchant commentary, as in E. B. White's blistering critique of Senator Joe McCarthy. The arts scene is recalled in critical writing rarely reprinted, including Wolcott Gibbs on *My Fair Lady*, Anthony West on *Invisible Man*, and Philip Hamburger on *Candid Camera*. Also featured are great early works from Philip Roth and Nadine Gordimer, as well as startling poems by Theodore Roethke and Anne Sexton, among others. Completing the panoply are insightful and entertaining new pieces by present-day New Yorker contributors examining the 1950s through contemporary eyes. The result is a vital portrait of American culture as only one magazine in the world could do it. Including contributions by Elizabeth Bishop • Truman Capote • John Cheever • Roald Dahl • Janet Flanner • Nadine Gordimer • A. J. Liebling • Dwight Macdonald • Joseph Mitchell • Marianne Moore • Vladimir Nabokov • Sylvia Plath • V. S. Pritchett • Adrienne Rich • Lillian Ross • Philip Roth • Anne Sexton • James Thurber • John Updike • Eudora Welty • E. B. White • Edmund Wilson And featuring new perspectives by Jonathan Franzen • Malcolm Gladwell • Adam Gopnik • Elizabeth Kolbert • Jill Lepore • Rebecca Mead • Paul Muldoon • Evan Osnos • David Remnick Praise for *The 50s* "Superb: a gift that keeps on giving."—Kirkus Reviews (starred review) "[A] magnificent anthology."—Literary Review

Decade by Decade 1940s Mar 26 2022 Dan Coates's *Decade by Decade* series is

jam-packed with the best pop music of the 20th century. Never before has there been an Easy Piano collection with so many chart-toppers by award-winning performers and songwriters. Descriptions of each piece are included to broaden understanding of pop music history and to put all of these megahits into perspective. Each song also includes lyrics and chord symbols. With so many years of great songs, the Decade by Decade series is sure to appeal to pianists of all levels and ages. Titles: * Another Op'nin', Another Show * As Time Goes By * At Last * Because of You * Bewitched, Bothered and Bewildered * Blues in the Night * Chattanooga Choo Choo * Come Rain or Come Shine * Diamonds Are a Girl's Best Friend * Don't Fence Me In * Don't Get Around Much Anymore * Don't Sit Under the Apple Tree * Fools Rush In * How Are Things in Glocca Morra? * How High the Moon * I Could Write a Book * I'll Walk Alone * La Vie en Rose * Laura * Mairzy Doats * Moonlight in Vermont * Moonlight Serenade * My Foolish Heart * New York, New York * Opus One * Over the Rainbow * Polka Dots and Moonbeams * Rum and Coca-Cola * Shangri-La * Skylark * So In Love * Speak Low * A String of Pearls * Swinging on a Star * The Syncopated Clock * Taking a Chance on Love * The Trolley Song * You Make Me Feel So Young * You'll Never Know * Zip-A-Dee-Doo-Dah

All in the Decade Aug 19 2021 At some point between Watergate and The Love Canal, between Nixon and Carter, between Vietnam and Afghanistan, between POWs and Americans Held Hostage, between Robert Altman and Steve Martin, between The Supremes and The Ramones, between Helen Reddy and Blondie, between Joe Namath and Pete Rose ... the 1970s happened. And TV tried to keep up. Or did the country try to keep up with TV? From Archie to Kunta Kinte and from "Helter Skelter" to Jiggle TV, *ALL IN THE DECADE* recounts ten years in the life of television.

Dog of the Decade Apr 14 2021 What do dogs mean in America? How do Americans make meaning through their dogs? The United States has long expressed its cultural unconscious through canine iconography. Through our dogs, we figure out what we're thinking and who we are, representing by proxy the things that we don't quite want to recognize in ourselves. Often, it's a specific breed or type of dog that serves as an informal cultural mascot, embodying an era's needs, fears, desires, longings, aspirations, repressions, and hopeless contradictions. Combining cultural studies with personal narrative, this book creates a playful, speculative reading of American culture through its canine self-representations. Looking at seven different breeds or types over the last seven decades, readers will go on an intellectual dog walk through some of the mazes of American cultural mythology.

The Seventies Mar 14 2021 Examines the major events and preoccupations of the seventies--from the women's movement, to terrorism, to the energy crisis--in terms of the history and future of human race

The Ninth Decade May 28 2022 The Ninth Decade is a path-breaking and timely book on aging: the first to focus explicitly and at length on eighty-somethings, the fastest-growing demographic in the industrialized world. Covering eight years in lively six-month installments, Klaus tells a vivid story not only of his own ninth decade and survival routines, but also of his loving companion, Jackie, who is strikingly different from him in her physical well-being, practical outlook, sociable temperament, and vigorous workouts. Cameos of their octogenarian friends and relatives near and far add to a wide-ranging and revelatory portrayal of advanced aging, as do bios of notable octogenarians. The multi-year scope of his chronicle reveals the numerous physical and mental problems that arise during octogenarian life and how eighty-year-olds have dealt with those challenges. The Ninth Decade is a unique, first-hand source of information for anyone in their sixties, seventies, or eighties, as well as for persons devoted to care of the aged. Though the challenges of octogenarian life often require specialized care, The Ninth Decade also shows the pleasures of it to be so special as to have inspired Lillian Hellman's paradoxical description of "longer life" as "the happy problem of our time."

How We Got Here: The 1970s: The Decade That Brought You Modern Life (for Better Or Worse) Jan 24 2022 A look at the social evolution of the United States places the beginning of the evolution that has led to the current state of affairs in the 1970's with its culture of drugs, cults, astrology, and pop psychology.

1966 Nov 09 2020 The pop world accelerated and broke through the sound barrier in 1966. In America, in London, in Amsterdam, in Paris, revolutionary ideas slow-cooking since the late '50s reached boiling point. In the worlds of pop, pop art, fashion and radical politics -- often fueled by perception-enhancing substances and literature -- the 'Sixties', as we have come to know them, hit their Modernist peak. A unique chemistry of ideas, substances, freedom of expression and dialogue across pop cultural continents created a landscape of immense and eventually shattering creativity. After 1966 nothing in the pop world would ever be the same. The 7 inch single outsold the long-player for the final time. It was the year in which the ever lasting and transient pop moment would burst forth in its most articulate, instinctive and radical way. Jon Savage's 1966 is a monument to the year that shaped the pop future of the balance of the century. Exploring canonical artists like The Beatles, The Byrds, Velvet Underground, The Who and The Kinks, 1966 also goes much deeper into the social and cultural heart of the decade through unique archival primary sources.

The Gap Decade Aug 07 2020 The gap decade is that sometimes difficult transitional season young adults face in their twenties and early thirties. In this quirky and honest chronicle, Katie Schnack explores the common experiences of these unpredictable years between adolescence and adulthood, sharing how she has discovered a life full of grace and joys that can't be ordered via two-day delivery.

The 1980s Dec 11 2020 The 1980s: A Critical and Transitional Decade, edited by

Kimberly R. Moffitt and Duncan A. Campbell, is a holistic analysis of the decade that focuses on major turning points and developments in literature, entertainment, politics, and social experimentation. This analysis ultimately presents the 1980s as a significant phenomenon in the American landscape. The 1980s is a groundbreaking and stand-alone introductory volume that is unapologetically interdisciplinary in nature and encourages students to explore topics of the decade often overlooked or grouped together with other, more memorable decades such as the 1920s or 1960s.

The Defining Decade Apr 26 2022 New York Times bestselling psychologist Dr. Meg Jay uses real stories from real lives to provide smart, compassionate, and constructive advice about the crucial (and difficult) years we cannot afford to miss. Our "thirty-is-the-new-twenty" culture tells us the twentysomething years don't matter. Some say they are a second adolescence. Others call them an emerging adulthood. Dr. Meg Jay, a clinical psychologist, argues that twentysomethings have been caught in a swirl of hype and misinformation, much of which has trivialized what is actually the most defining decade of adulthood. Drawing from almost two decades of work with hundreds of clients and students, *The Defining Decade* weaves the latest science of the twentysomething years with the behind-closed-doors stories from twentysomethings, themselves. The result is a provocative read that provides the tools necessary to make the most of your twenties, and shows us how work, relationships, personality, social networks, identity, and even the brain can change more during this decade than at any other time in adulthood—if we use the time wisely. *The Defining Decade* is a smart, compassionate and constructive book about the years we cannot afford to miss.

Letters on Ethics Nov 21 2021 The Roman statesman and philosopher Seneca (4 BCE–65 CE) recorded his moral philosophy and reflections on life as a highly original kind of correspondence. *Letters on Ethics* includes vivid descriptions of town and country life in Nero's Italy, discussions of poetry and oratory, and philosophical training for Seneca's friend Lucilius. This volume, the first complete English translation in nearly a century, makes the *Letters* more accessible than ever before. Written as much for a general audience as for Lucilius, these engaging letters offer advice on how to deal with everything from nosy neighbors to sickness, pain, and death. Seneca uses the informal format of the letter to present the central ideas of Stoicism, for centuries the most influential philosophical system in the Mediterranean world. His lively and at times humorous expositions have made the *Letters* his most popular work and an enduring classic. Including an introduction and explanatory notes by Margaret Graver and A. A. Long, this authoritative edition will captivate a new generation of readers.
