A Grammar of Kambera Dec 11 2020 The series builds an extensive collection of high quality descriptions of languages around the world. Each volume offers a comprehensive grammatical description of a single language together with fully analyzed sample texts and, if appropriate, a word list and other relevant information which is available on the language in question. There are no restrictions as to language family or area, and although special attention is paid to hitherto undescribed languages, new and valuable treatments of better known languages are also included. No theoretical model is imposed on the authors; the only criterion is a high standard of scientific quality.

The Beast's Burden Nov 29 2019 'Only God can rescue you now. You are trapped until he sends someone to free you or he decides to do it himself, which I doubt, so you may be here for a while.' Satan replied, 'I am not done by a long shot, we will meet again, and next time I will destroy you.' Marion Garfield made the ultimate deal with God. In return for release from jail, he would do anything the Lord instructed him to do. Although he had not been a religious man before, God chose him to carry out his plan to save mankind. Now Marion has been given the alter-ego of The Warrior, and he has the Lord's power to bring Satan's rampage to a fiery end. But Marion isn't sold on his conviction to become The Warrior. He meets the beautiful Pamela, and now risking his life for mankind doesn't seem as important as surviving to be with her. God has granted each man the blessing of free will, which means Marion has a choice. He can reject the Lord's employment and run away with Pamela, or he can risk his life by fulfilling God's plan. Should he risk his life and lose the one he loves? Or risk the rescue of mankind, hoping God will find another? Authors Mike and Paula Dixon take you on a wild ride through the garden of Eden and the flaming furnaces of hell in this magnificent story of what it truly means to be a superhero— The Beast's Burden.

A dictionary and grammatical sketch of Ruruuli-Lunyala Jul 18 2021 This book is a dictionary and grammar sketch of Ruruuli-Lunyala, a Great Lakes

Bantu language spoken by over 200,000 people in central Uganda. The dictionary part includes about 10,000 entries. Each lexical entry provides translations into English, example sentences, and basic grammatical information. The dictionary part is supplemented with an outline of the Ruruuli-Lunyala grammar, which treats most of the phonological and morpho-syntactic topics. This book is a result of a joined effort of a large team of linguists and many speakers of Ruruuli-Lunyala and is intended as a resource for linguists and Ruruuli-Lunyala speakers, learners, and educators.
