Ice and Snow in the Cold War Oct 23 2021 The history of the Cold War has focused

overwhelmingly on statecraft and military power, an approach that has naturally placed Moscow and Washington center stage. Meanwhile, regions such as Alaska, the polar landscapes, and the cold areas of the Soviet periphery have received little attention. However, such environments were of no small importance during the Cold War: in addition to their symbolic significance, they also had direct implications for everything from military strategy to natural resource management. Through histories of these extremely cold environments, this volume makes a novel intervention in Cold War historiography, one whose global and transnational approach undermines the simple opposition of “East” and “West.”

RESTART Sustainable Business Model Innovation Sep 09 2020 Taking the business model as point of departure, this open access book explores how companies and organizations can contribute to a more sustainable future by designing innovative models that are both sustainable and profitable. Based upon years of research, it draws together theoretical foundations and existing literature on the topic of sustainable business alongside case studies and practical solutions. After examining the theoretical foundations of sustainable business model innovation, the authors present their own framework – RESTART. Consisting of seven factors, this framework can be the basis for restarting any business model. The final section outlines a research agenda for sustainable business informed by the perspectives and frameworks put forward in this book.

Invasive Alien Species Apr 16 2021 Jedes Jahr breiten sich invasive gebietsfremde

Arten in neue Ökosysteme aus. Die von den Eindringlingen verursachten Auswirkungen können sich in kürzester Zeit bemerkbar machen und verheerend sein. Das Thema der invasiven gebietsfremden Arten ist umfassend, komplex und auf verschiedenen Ebenen von globaler Bedeutung. Verschärft wird es durch die Globalisierung der Weltwirtschaft und den zunehmenden Handel, durch den die natürlichen Barrieren für den Transfer von Arten durchbrochen werden. Invasive gebietsfremde Arten bedrohen die weltweite Nahrungsmittelversorgung, die Qualität und Verfügbarkeit von Trinkwasser sowie die Stromproduktion und -versorgung. Zusammen mit den zusätzlichen Risiken durch den globalen Klimawandel ist die weltweite Homogenisierung von Pflanzen, Tieren und Mikroben ein wesentlicher Faktor für den sich verschlechternden Gesundheitszustand der Ökosysteme und die nachlassenden Ökosystemdienstleistungen überall auf der Welt. Um dieser Entwicklung entgegenzuwirken, besteht die dringende Notwendigkeit einer einheitlichen Ausrichtung von Regierungen, Kulturen und Programmen und einer besseren grenzüberschreitenden Koordination. Nur so lassen sich die vielfältigen Bedrohungen durch invasive gebietsfremde Arten für die Umwelt, die Wirtschaft und die Gesundheit von Pflanzen und Tieren sowie insbesondere die menschliche Gesundheit effektiv bekämpfen. Dieses vierbändige Werk ist das erste, das einen

umfassenden Satz nützlicher Materialien zu den zentralen Themen bereitstellt, um die gesamte globale Bedrohung durch invasive gebietsfremde Arten sowie die vielfältigen Probleme in verschiedenen Teilen der Welt deutlich zu machen, und es enthält Material, in dem potenziell replizierbare Lösungen zur Überwindung dieser Bedrohungen aufgezeigt werden. Das Werk betont die Bedrohung durch invasive gebietsfremde Arten auch im Sinne eines globalen 'Aufrufs zum Handeln'. Invasive Arten kennen keine Grenzen. Daher hoffen wir, dass wir durch die Zusammenstellung von Material, das unterschiedliche wissenschaftliche und gesellschaftliche Standpunkte aus aller Welt berücksichtigt, sowie durch die Vermittlung von Erkenntnissen und Beispielen zu einer Vielzahl damit zusammenhängender Themen das globale Bewusstsein stärken und einheitliche nationale Reaktionen auf die Bedrohung durch invasive gebietsfremde Arten fördern können.

Inspiration to Live Your Magic! Mar 04 2020 Inspiration to Live Your MAGIC (TM) contains 75 biographical introductions that capture the essence of each persons life in about 400 words. Young people can find a role model and do more research and reading. Everyone, with five minutes to read, can find inspiration and perspective. Aspiring public speakers can find ready made life stories to illustrate their speeches. Every person in this collection is an inspiration to others, through their response to challenges (and some of them faced incredible challenges), by their commitment to serving humanity and their fidelity to their values. A book of inspiration for everyone. Praise for Inspiration to Live Your MAGIC (TM) This book is filled with real life stories of courage, leadership, wisdom and love. A must read for all young people. Our world is a better place because of the choices each of these people made in their life journey. Jay Ball, President & CEO Junior Achievement of Northern Alberta Larry Anderson's own story is compelling and inspiring enough, never mind the stories contained in Inspiration to Live Your MAGIC (TM). From young people with a belief that child labour is wrong, to world class philosophers, Larry Anderson captures the spirit and essence of inspiration. In this volume you will find stories of children, women and men who followed their dreams. These inspired individuals changed their

communities, their nation and the world. From politics, diplomacy, entertainment, the arts and science, their stories demonstrate the triumph of the human spirit. From the slums of Calcutta, to the halls of Government, the Courts and the glitz of Las Vegas, these individual stories are victories of faith over fear. A must read for all, this book is truly inspiring. Robert Philp Provincial Court Judge Edmonton, Alberta, Canada These seventy-five biographies showcase people from all age groups, backgrounds and cultures. What they share is a passion and commitment to make their dreams come true and to make a difference for others in the process. Read *Inspiration to Live Your MAGIC (TM)*, you will be inspired. Bill Trainor, Retired Teacher I love the way "*Inspiration to Live Your MAGIC (TM)* is written. It captures your attention and is easy to read and understand. I not only learned but it evoked a yearning inside me to live my own magic. Thank you. Jeannie Lungard, Teacher, Psychologist

Church Resistance to Nazism in Norway, 1940-1945 Oct 11 2020 Church Resistance to Nazism in Norway, 1940-1945 examines the evolution of the Lutheran state Church of Norway in response to the German occupation. While German Protestant churches generally accepted Nazism and state incorporation, Norway's churches rejected both Nazism and ideological alignment. Arne Hassing moves through the history of the Church of Norway's relationship to the Nazi state, from its initial confused complicities to its open resistance and separation. He writes engagingly of the people at the center of this struggle and reflects on how the resistance affected the postwar church and state.

Pilgrimage, Landscape, and Identity Aug 21 2021 Pilgrimage, Landscape, and Identity: Reconstructing Sacred Geographies in Norway explores the ritual geography

of a pilgrimage system that arose around medieval saints in Norway, a country now being transformed by petroleum riches, neoliberalism, migration and global warming. What it means to be Norwegian and Christian in this changing context is constantly being renegotiated. The contemporary revival of pilgrimage to the burial site of St. Olav at Nidaros Cathedral in Trondheim is one site where this negotiation takes place. St. Olav played a major role in the unification of regions of Norway into a nation united by Christian law and faith, though most contemporary pilgrims have only a passing interest in the historical background of the pilgrimage. The pilgrimage network comprises a wide variety of participants: individuals, casual groups, guided group pilgrimages, activist pilgrims raising awareness for causes such as climate change and hospice services, as well as increasing numbers of local and foreign pilgrims of various ages, government officials, pilgrimage activists, and pilgrimage priests supplied by the Church of Norway (Lutheran). Part of the study focuses on the Olavsfest, a cultural and music festival that engages the heritage of St. Olav and the Church of Norway through theater, music, lectures, and discussions, and theological and interreligious conversations. This festival offers an opportunity for creative and critical engagement with a difficult historical figure and his contested, violent heritage and constitutes one of the ways in which this pilgrimage network represents a critical Protestant tradition

engaging a legacy through ritual creativity. This study maps how pilgrims, hosts, church officials, and government officials participate in reshaping narratives of landscape, sacrality, and pilgrimage as a symbol of life journey, nation, identity, Christianity, and Protestant reflections on the durability of medieval Catholic saints.

Crosslinguistic Influence and Distinctive Patterns of Language Learning Feb 12 2021

This book details patterns of language use that can be found in the writing of adult immigrant learners of Norwegian as a second language (L2). Each study draws its data from a single corpus of texts written for a proficiency test of L2 Norwegian by learners representing 10 different first language (L1) backgrounds. The participants of the study are immigrants to Norway and the book deals with the varying levels and types of language difficulties faced by such learners from differing backgrounds. The studies examine the learners' use of Norwegian in relation to the morphological, syntactic,

lexical, semantic and pragmatic patterns they produce in their essays. Nearly all the studies in the book rely on analytical methods specifically designed to isolate the effects of the learners' L1s on their use of L2 Norwegian, and every chapter highlights patterns that distinguish different L1 groups from one another.

Politics and Bureaucracy in the Norwegian Welfare State May 06 2020 The book aims to explain the emergence of the Norwegian—and to some extent, the Scandinavian—welfare state in historical and anthropological terms. Halvard Vike argues that particular forms of political grassroots mobilization contributed heavily to what he calls “a low level of gravity state”—a political order in which decentralized institutions make it possible to curtail centralizing forces. While there is a large international literature on the Nordic welfare states, there is limited knowledge about how these states are embedded in local contexts. Vike's approach is based on an ethnographic practice which may be labeled “in and out of institutions.” It is based on ethnographic work in municipal assemblies, local bureaucracies, political parties, voluntary organizations, and various informal contexts.

Norsk, nordmenn og Norge 1 Jun 26 2019 This introduction to Norwegian helps students acquire the basic units of vocabulary and structure and use that knowledge to learn about Norway and Norwegian culture. Once students acquire the basic units of vocabulary and structure, they will use their knowledge of the language to learn about Norway. Students will learn about the cities of Oslo and Bergen, how to converse when eating in a Norwegian home or restaurant, and about Norwegian schools. Emphasis is also given to travel and communications, as well as the seasons of the year and Norwegian holidays. The present edition of the text features a short grammar summary, a reference for review to assist in drawing together aspects of the grammar that are presented throughout the text. To aid in developing good pronunciation and intonation habits, as well as to internalize certain items of vocabulary and structure, most chapters contain a practice dialogue for students to practice repeatedly while studying the chapter.

The Social Guidebook to Norway Dec 13 2020 This is your Social Guidebook to Norway. It takes you through an illustrated Norwegian journey. This guidebook is not about typical Norwegian behaviours. It is about behaviours that are peculiar to Norwegians. Foreigners will fast forward their adaptation. Norwegians will learn how their behaviours may be perceived. The guidebook is rooted in the author's experience helping Norwegian organisations benefit from diversity. Julien S. Bourrelle held several board positions in Norway. He is educated as a rocket scientist and lived in a variety of cultures. He holds lectures, workshops and courses around the country bridging cultural gaps in businesses and universities. «This is a book providing a roadmap to Norway. It presents Norwegian behaviours in an entertaining and purposeful manner» - Birgit Skarstein, Curator of Global Shapers Oslo and World Champion. «Funny and good insights into the complicated Norwegian culture. Recommend - also for Norwegians! - Maria Amelie, journalist and writer. «Concise,

entertaining and eye-opening. You see your own behaviours from the outside.» - Erik Villum, Alarga Founder and Chairman. *This book is a new edition of "The Social Guidebook to Norway". More illustrations and text are added. *The Amazon version is black/white www.Monda.no

Teaching Languages and Cultures Jan 26 2022 This volume offers diverse perspectives on language and culture teaching explored against the background of a fast-paced globalized world of increased mobility and opportunity. While teachers are pressed to reinvent and adapt the existing teaching practices, researchers are invited to conduct studies with a view of implementing the findings in the classroom practice. This collection presents discussions of different aspects of foreign language instruction, language skills and learning strategies, and foreign languages in professional contexts, as well as the role of intercultural competence in language teaching and teacher education. Offering insights into a variety of foreign language and culture teaching contexts throughout Europe, this volume will be of interest to researchers and practitioners in applied linguistics and language and culture teaching methodology, including both experienced and novice language teachers, in the Balkan region and beyond.
