[Mad Monkton and Other Stories](#) May 16 2021 Although Wilkie Collins is remembered primarily as the best-selling creator of the vogue for 'sensation fiction' in the 1860s, he was also prolific in many genres apart from the full-length novel. In particular, he produced a stream of often brilliant and original short stories. Adapting the tradition of the Gothic tale of terror, he wrote ghost stories with a distinctively contemporary flavour and also made a major contribution to the newly emerging form of the detective story. This volume has a substantial and informative introduction which places the stories in the context of Collins's career and the Victorian literary scene. It brings together samples of his work from three decades and demonstrates that as a purveyor of mystery, suspense, and the uncanny, as a chronicler of the dark underside of everyday life in the mid-Victorian period, and as a story-teller who quickly seizes the reader's interest and refuses to let go, Collins has few rivals.

**Christmas Teatime** Jun 04 2020 For tea devotees, there is no better way to mark the holiday season than with festive tea parties. This collection of ten beautiful, yet varied, table settings, accompanied by more than 70 delectable recipes for scones, savories, and sweets, will inspire anyone who is planning a Christmastime celebration. Tea pairings, along with a tea-steeping guide, make it simple to select and perfectly prepare a pot of tea to serve along with the array of tempting treats in this 136-page book.

[The New Architecture and The Bauhaus](#) Aug 26 2019 One of the most important books on the modernist movement in architecture, written by a founder of the Bauhaus school. One of the most important books on the modern movement in architecture, *The New Architecture and The Bauhaus* poses some of the fundamental problems presented by the relations of art and industry and considers their possible, practical solution. Gropius traces the rise of the New Architecture and the work of the now famous Bauhaus and, with splendid clarity, calls for a new artist and architect educated to new materials and techniques and

directly confronting the requirements of the age.

**Push-Up Pops** Aug 31 2022 Sweet additions for any party. A well-known stylist and writer in the field of party design and décor, Courtney Dial Whitmore knows what's hot! Capitalizing on the popular trend of push-up pops, Courtney's love of entertaining turns Push-Up Pops into the perfect party resource. These treats use the ordinary off-the-shelf clear plastic molds but transform them into frozen fruit Popsicles, cake and pudding parfaits, cupcakes and 40 other treats. These beautiful layers are sweet additions to any party! Courtney Dial Whitmore's expertise has been seen in HGTV.com, Pawsh Magazine, Nashville Lifestyles Magazine, Ladies Home Journal, AOL's DIY Life, Get Married Magazine, MarthaStewart.com, and more. In addition to designing everything from children's birthday celebrations to chic dinner parties, she is also a writer for several online food and lifestyle publications including SHE KNOWS, Hostess With the Mostess, and Tablespoon. She runs the popular website pizzazzerie.com and lives in Nashville, Tennessee.

Charlotte! Jan 12 2021 I came to create the Leggets from a picture I'd seen at a country fair. It was this picture on the side of a big ridge fair truck with a beautiful woman on the front of it. She had dark and lovely black hair and a fair skin like a model and the best boobs and the perfect waistline and a sinister smile, but below her waist were eight black widow spider legs. I nearly freaked out! Oh boy, I imagined all sorts of stuff, and then somewhere inside my brain, I wondered what it would be like if she had kids. And so the idea of a bubbly and delightful character named Charlotte Legget was created. She wasn't named Charlotte at first; I called her Carmyn. I didn't really like that name, and over the course of time, I thought of a good name for a spider. Then I remembered the spider in Charlotte's web, except this one is spiderlike human like her parents. So the Leggets came to live on the island of Sapelo with humans, and they so want to be accepted by humans. They are good spiders too. The Leggets are as normal looking as humans, but they are spiders with the desire to live in the human society and be accepted and treated equally by humans. There are a few problems in this first story with the neighbors accepting them, but they work out. It is a very delightful story with ten or eleven more tales to it.

**Ready for FCE Workbook with Key** Oct 09 2020 "This new edition of Ready for FCE has been revised and updated to incorporate all the new features of the Cambridge First Certificate in English. It is a comprehensive, well-rounded course that gives both the teacher and student confidence of exam success. The course also contains a complete grammar syllabus and reference, as well as regular review sections that incorporate exam-style exercises.

*The Last Wife of Henry VIII* Dec 23 2021 Courageous, romantic, intelligent: Catherine Parr became the sixth wife of Henry VIII and her story, as Carolly Erickson recreates it, is riveting drama

Elogio Di Gessner Sep 27 2019

**Ivan the Terrible** Sep 19 2021 "This significant biography of the 16th-century Russian czar...is likely to become the definitive work on Ivan for some time" (Publishers Weekly, starred review). One of the most important figures in Russian history, Ivan IV Vasilyevich has remained among the most neglected. The country's first Tsar, he is notorious for pioneering a policy of unrestrained terror—and for killing his own son. In *Ivan the Terrible*, Russian historian Isabel de Madariaga presents the first comprehensive biography of Ivan from birth to death, shedding light on his policies, his marriages, his atrocities, and his disordered personality. Situating Ivan within the Russian political developments of the sixteenth century, de Madariaga also offers revealing comparisons with English, Spanish, and other European courts of the time. The biography includes a new account of the role of astrology and magic at Ivan's court and provides fresh insights into his foreign policy. Addressing the controversies that have paralyzed western scholarship as well as the challenges of authentication—since much of Ivan's archive was destroyed by fire in 1626—de Madariaga seeks to present Russia as viewed from within Russia rather than from abroad. The result is an enlightening work that captures the full tragedy of Ivan's reign.

Venetian Legends and Ghost Stories Jun 28 2022

**Later Short Stories** Nov 09 2020 Having started as a short-story writer in 1859, Trollope had by now mastered the techniques of the form, and he liked to vary his massive full-length fictions with well-crafted

short pieces. The stories collected here (which, with the companion volume *Early Short Stories*, make up a full set) show a writer of extraordinary range, in subject-matter, narrative device, and tone. They include the hilarious 'Father Giles of Ballymoy' (a recollection of the author's youthful adventures in Ireland), 'The Telegraph Girl' (an exposition of Trollope's surprisingly enlightened views on women's employment), and 'The Adventures of Fred Pickering', one of a number of stories concerned with the woes of nineteenth-century authorship. Many of the settings are far flung, reflecting Trollope's indomitable appetite for tourism in his later years, but the collection concludes closer to home with 'The Two Heroines of Plumplington', his last, and most charming, Barchester chronicle.

**Eat Race Win** Mar 26 2022 EAT RACE WIN is the year-round food and nutrition companion for all endurance athletes. Hannah Grant has in collaboration with Dr. Stacy Sims Ph.D created a new modern classic sports nutrition cookbook that takes you through all 4 seasons of the year, with over 150 easy-to-do recipes, and guidelines on how to eat to maximize performance and keep up your energy levels at all times. *Diary of an Apprentice Astronaut* Nov 29 2019 "Experience the wonders of life in orbit with a female astronaut's incredible memoir, revealing what it really takes to reach the stars"--

**English Zone 3: Student's Book** Jan 30 2020 Great storylines with lively dialogues. Simple, clear grammar presentations and lots of practice. Interesting Culture sections and student projects. Songs, games, and puzzles. Regular recycling. Special guide for teachers of dyslexic students.

**The Ideal Museum** Apr 02 2020 Philippe Daverio is one of Italy's most important contemporary art historians, whose discerning comments about art are voraciously consumed by the public through his writing as editor of the famed magazine *Art e Dossier* and his platform on a leading Italian television program *Passepartout*. Now, in his first full-length work of narrative nonfiction, Daverio uses the conceit of creating his own perfect museum gallery and in the process reexamines major artistic masterpieces of Western art. Daverio turns his critical eye on the place of Western art in contemporary twenty-first-century culture and how we relate to art generally. According to Daverio, we relate to the history of art based on views that crystallized in the nineteenth century, and so we look to the past to understand the present, though the present is what truly matters to everyone. Daverio means to challenge this perspective, and guided by his curiosity and personal taste, he examines key masterworks to rediscover the true meaning and power they had before they became commoditized and clichéd. Some distinctive features of this illustrated eBook are: • 800+ full size and detailed images of paintings and drawings. • 280+ artworks with pop-up ability. • 160 thumbnails with links showing the setting of the work and location in its home museum, with informational text. • 92 links to museum websites that house the real works. The Italian-language edition of *The Ideal Museum* ebook has been awarded the QED Seal (Quality, Excellence, Design)—the premier award for ebooks and book apps—by the council of the Publishing Innovation Awards. This award recognizes the title's portability and readability, providing the best reading experience possible.

**Michelangelo Sculptor** Oct 01 2022 There can be no doubt that Michelangelo Buonarroti (1475-1564) was one of the greatest and most versatile artists of all time. Because of the greatness of his work, Michelangelo, both as an artist and as a man, has been the subject of numerous studies by

**Crazy Brave: A Memoir** Jul 06 2020 A "raw and honest" (Los Angeles Review of Books) memoir from the first Native American Poet Laureate of the United States. In this transcendent memoir, grounded in

tribal myth and ancestry, music and poetry, Joy Harjo details her journey to becoming a poet. Born in Oklahoma, the end place of the Trail of Tears, Harjo grew up learning to dodge an abusive stepfather by finding shelter in her imagination, a deep spiritual life, and connection with the natural world. Narrating the complexities of betrayal and love, *Crazy Brave* is a haunting, visionary memoir about family and the breaking apart necessary in finding a voice.

**Lucrezia Borgia** Dec 11 2020 The very name Lucrezia Borgia conjures up everything that was sinister and corrupt about the Renaissance—incest, political assassination, papal sexual abuse, poisonous intrigue, unscrupulous power grabs. Yet, as bestselling biographer Sarah Bradford reveals in this breathtaking new portrait, the truth is far more fascinating than the myth. Neither a vicious monster nor a seductive pawn, Lucrezia Borgia was a shrewd, determined woman who used her beauty and intelligence to secure a key role in the political struggles of her day. Drawing from a trove of contemporary documents and fascinating firsthand accounts, Bradford brings to life the art, the pageantry, and the dangerous politics of the Renaissance world Lucrezia Borgia helped to create.

**Napoleon & Josephine** Oct 28 2019 'To live through Josephine - that is the story of my life.' So wrote the young General Bonaparte a few weeks after his marriage to the soignée and seductive widow, Josephine de Beauharnais. And although Napoleon's marriage was certainly not the whole story of his extraordinary life, it was one of the most fascinating aspects of it. Theirs was an attraction of opposites. The couple suited each other very well, with Josephine's charm and languor serving as an excellent foil for Napoleon's brusqueness and energy. Throughout his spectacular rise to power and years of triumph, Josephine proved a graceful and accomplished consort. Yet their relationship was anything but tranquil. Besotted by Josephine during the early years of their marriage, Napoleon - in the face of her indifference and infidelity - gradually became less obsessed by her, while she, in turn, became progressively more enamoured of him. As a result, their relationship developed into one of the most intriguing, tempestuous and touching in history. Napoleon, although disillusioned, never really ceased to love Josephine and it was only her inability to bear him a child, and so present his Empire with an heir, that led him to divorce her. 'If he was ever really stirred by any emotion, ' claimed one of the Empress Josephine's confidantes, 'it was by her and for her.' Their story remains, quite simply, one of the greatest love stories in the world. Theo Aronson, well known for his incisive and readable royal biographies, has found the ideal subject in the story of Napoleon and Josephine. By incorporating all the recent findings on the couple - such as the new view of Napoleon's parents, Josephine's love letters to Hippolyte Charles, Napoleon's complex sexual orientation - and by making full use of his own talent for narrative and characterisation, the author has been able to present this famous romance in a fresh and absorbing fashion.

**The Lost Tomb of King Arthur** Sep 07 2020 One man's journey to uncover the final resting place of the historical King Arthur • Pinpoints the exact locations of Arthur's tomb, the ruins of Camelot, and the sword Excalibur using literary research and the latest geophysics equipment • Examines previously unknown ancient manuscripts preserved in the vaults of the British Library--including one written within the living memory of Arthur's time • Reveals the mythic king as the real-life leader Owain Ddantgwyn, who united the British to repel invasion from Germany around 500 AD One of the most enigmatic figures in world history, King Arthur has been the subject of many fantastical tales over the past 1500 years, leading many scholars to regard him and his fabled city of Camelot simply as myth. But, as Graham Phillips shows through a wealth of literary and scientific evidence, King Arthur was a real man, Camelot a real place, and the legendary Excalibur a real sword--and Phillips has located them all. Phillips examines the earliest stories of Arthur as well as previously unknown ancient manuscripts preserved in the vaults of the British Library in London, such as the work of the 9th-century monk Nennius, to pinpoint the exact locations of Arthur's tomb, the ruins of Camelot, and the sword Excalibur. He reveals the mythic king as the real-life leader Owain Ddantgwyn, who united the British to repel invasion from Germany around 500 AD. Moving his quest from library vaults to the real sites of Arthur's life, the author confirms his research through a Dark Age monument, hidden away in the mountains of western Britain, that bears an inscription about a powerful warlord who went by the battle title "Arthur." He visits archaeological excavations at the ruins of Viroconium, near Wroxeter in Shropshire, clearly identifying the ancient city as Camelot, the fortified

capital of Arthur's Britain. Working with specialist divers and marine archaeologists, he surveys the depths of an ancient lake in the English countryside to reveal the resting place of Excalibur. Enlisting a team of scientists and sophisticated geophysics equipment, he uncovers the lost grave of the historical King Arthur, buried with his shield, just as told in legend. The culmination of 25 years of research, including new translations of primary source material, this book provides the necessary evidence to allow King Arthur to finally be accepted as the authentic British king he was.

**Francesco Pianta. A Visionary Sculptor at the Scuola Grande Di San Rocco** Jul 30 2022

**Sometimes the Magic Works** Aug 07 2020 "Terry Brooks is adamant about dedicating oneself to the craft, while showing awe and humility for the creative process. . . . Every serious writer should refer to this book regularly for inspiration as well as solid crafting advice."—Elizabeth Engstrom Crary, Director of Maui Writers Retreat In *Sometimes the Magic Works*, New York Times bestselling author Terry Brooks shares his secrets for creating unusual, memorable fiction. Spanning topics from the importance of daydreaming to the necessity of writing an outline, from the fine art of showing instead of merely telling to creating believable characters who make readers care what happens to them, Brooks draws upon his own experiences, hard lessons learned, and delightful discoveries made in creating the beloved Shannara and Magic Kingdom of Landover series, *The Word and The Void* trilogy, and the bestselling Star Wars novel *The Phantom Menace*. In addition to being a writing guide, *Sometimes the Magic Works* is Terry Brooks's self-portrait of the artist. "If you don't think there is magic in writing, you probably won't write anything magical," says Brooks. This book offers a rare opportunity to peer into the mind of (and learn a trick or two from) one of fantasy fiction's preeminent magicians. Praise for *Sometimes the Magic Works* "A marvelously pragmatic initiation to the art of writing."—Dorothy Allison, author of *Bastard Out of Carolina* "[A] succinct and warmhearted autobiographical meditation on the writing life."—*Publishers Weekly* "A wise, warm-hearted book—part autobiography, part how-to-do-it manual, with some amazingly candid behind-the-scenes material . . . Fantasy fans, novice writers, and even veteran pros will learn plenty from it."—Robert Silverberg, award-winning author of the *Majipoor Chronicles*

[Life of Petrarch](#) May 04 2020 Biography of the 14th century Italian scholar.

**Eva Braun** Mar 02 2020 From one of Germany's leading young historians, the first comprehensive biography of Eva Braun, Hitler's devoted mistress, finally wife, and the hidden First Lady of the Third Reich. In this groundbreaking biography of Eva Braun, German historian Heike Görtemaker reveals Hitler's mistress as more than just a vapid blonde whose concerns never extended beyond her vanity table. Twenty-three years his junior, Braun first met Hitler when she took a position as an assistant to his personal photographer. Capricious, but uncompromising and fiercely loyal—she married Hitler two days before committing suicide with him in Berlin in 1945—her identity was kept secret by the Third Reich until the final days of the war. Through exhaustive research, newly discovered documentation, and anecdotal accounts, Görtemaker turns preconceptions about Eva Braun and Hitler on their head, and builds a portrait of the little-known Hitler far from the public eye.

**Pauline Bonaparte: Venus of Empire** Aug 19 2021 From acclaimed biographer Flora Fraser, the brilliant life of Napoleon's favorite sister, with color photos, paintings, and illustrations. Considered by many in Europe to be the most beautiful woman at the turn of the nineteenth century, Pauline Bonaparte Borghese shocked the continent with the boldness of her love affairs, her opulent wardrobe and jewels, her decision to pose nearly nude for Canova's sculpture, and her rumored incestuous relationship with her brother, the Emperor Napoleon—the only man to whom she was loyal. When Napoleon was exiled to Elba,

Pauline was the only sibling to follow him there, and after the final defeat at Waterloo she begged to join him at Saint Helena. In *Pauline Bonaparte: Venus of Empire*, Flora Fraser casts new light on the Napoleonic era and crafts a dynamic, vivid portrait of a mesmerizing woman.

**The Tsarina's Daughter** Apr 14 2021 From the bestselling author of *The Hidden Diary of Marie Antoinette* comes a dramatic novel and powerful love story about the last Russian imperial family. It is 1989 and Daria Gradov is an elderly grandmother living in the rural West. What neighbors and even her children don't know, however, is that she is not who she claims to be—the widow of a Russian immigrant of modest means. In actuality she began her life as the Grand Duchess Tatiana, known as Tania to her parents, Tsar Nicholas II and Tsarina Alexandra. And so begins the latest entrancing historical entertainment by Carolly Erickson. At its center is young Tania, who lives a life of incomparable luxury in pre-Revolutionary Russia, from the magnificence of the Winter Palace in St. Petersburg to the family's private enclave outside the capital. Tania is one of four daughters, and the birth of her younger brother Alexei is both a blessing and a curse. When he is diagnosed with hemophilia and the key to his survival lies in the mysterious power of the illiterate monk Rasputin, it is merely an omen of much worse things to come. Soon war breaks out and revolution sweeps the family from power and into claustrophobic imprisonment in Siberia. Into Tania's world comes a young soldier whose life she helps to save and who becomes her partner in daring plans to rescue the imperial family from certain death.

**In Search of a Glorious Death** Jul 26 2019 This autobiographical narrative provides an alternative perspective of World War I, recounting the experiences of a Roman schoolboy who volunteered to fight against the Allies after Italy surrendered in 1943. But he is not sent to the front. Instead, with professional soldiers from the Russian front and fanatical fascists, he fights in the civil war that raged in Mussolini's puppet state. He is captured in Milan after the German surrender and is spared execution by his captors, boys of his own age.

*The Comrade from Milan* Dec 31 2019 In this much-lauded memoir, acclaimed for its blend of literary elegance and political passion, Rossana Rossanda, a legendary figure on the Italian left, reflects on a life of radical commitment. Active as a communist militant in the Italian Resistance against fascism during World War Two, Rossanda rose rapidly in its aftermath, becoming editor of the Communist Party weekly paper and a member of parliament. Initially a party loyalist, she was critical of the party's conservatism in the face of new radical movements and moved into opposition during the late 1960s. The breach widened after she and others publicly opposed the Soviet invasion of Czechoslovakia, and were expelled in 1969. She went on to help found the influential paper *il manifesto*, which remains the most critical daily in Berlusconi's Italy. Her unique experience enables her to reconstruct that period with flair and authority. She paints a revealing picture of fascism, communism, post-war reconstruction and the revolts that shook Europe in the 1960s. In *The Comrade from Milan*, one of the most influential intellectuals of the European Left relives the storms of the twentieth century. Both cool-headed and precise, Rossanda provides a rare insight into what it once meant to be politically engaged.

**Touchpoints** Apr 26 2022

**City of Gold and Shadows** Jan 24 2022 A recent murder in Wales leads Detective Inspector Felse to the mysterious disappearance of an architect and a case dating back to ancient Rome. When archaeologist Alan Morris disappears in Turkey, his great-niece, Charlotte, regrets never having gotten to know him better. In an attempt to better understand him, Charlotte begins reading the books he wrote. One of them leads her to visit the Roman site of Aerae Phiala on the Welsh border—the last place her great-uncle worked before leaving for Turkey. But when Charlotte arrives, she finds more than just a few old stones. . . . First there is a charming young man, coincidentally staying at the same hotel, who is very insistent on being her guide. Then a troublesome schoolboy disappears and a corpse is found. Detective Chief Inspector George Felse is called in to solve a case with origins in ancient Rome. *City of Gold and Shadows* is the 12th book in the Felse Investigations, but you may enjoy reading the series in any order.
