*The Girl From The Savoy* May 28 2022 'Addictive, charming and gleaming with Jazz Age glitz' The Lady The fabulous new novel from the author of *The Girl Who Came Home* **Stompin' at the Savoy** Aug 31 2022 Through extensive interviews with jazz dancer Norma Miller, acclaimed author and filmmaker Alan Govenar captures the vitality, wry humor, and indomitable spirit of an American treasure. When she was just five years old, in 1924, Norma Miller knew just what she wanted to do for the rest of her life: she wanted to dance. It was the Jazz Age, the Harlem Renaissance, and Norma lived behind New York's Savoy Ballroom, the only dance hall in a still-segregated America where blacks and whites could mingle on the same mahogany floor. It was in this majestic "home of happy feet" that twelve-year-old Norma first brought the house down, swing-stepping with Twist Mouth George, one of the premier dancers of the day. Before long, the feisty Norma would rise to fame as one of the first performers of the Lindy Hop, an acrobatic dance style named for Charles Lindbergh's first solo flight (or "hop") across the Atlantic. With the celebrated dance troupe Whitey's Lindy Hoppers, a teenage Norma would cross the Atlantic herself on a tour of Europe and even strut her stuff on the silver screen. In this invigorating, humorous, and thought-provoking oral autobiography, Alan Govenar captures the sound and spirit of Norma Miller's voice as she recalls her early years and coming of age as a determined young dancer during the heyday of swing. Augmenting her lively narrative are Martin French's jazzy, singlecolor illustrations, evoking the vibrant style of vintage poster art.

*Kaspar: Prince of Cats* Oct 09 2020 Discover the beautiful stories of Michael Morpurgo, author of *Warhorse* and the nation's favourite storyteller A heart-warming novel about Kaspar the Savoy cat, from the award-winning author of *Born to Run* and *The Amazing Story of Adolphus Tips*

*Savoy Cocktail Book* Mar 14 2021 Originally published by Constable in 1930, the *Savoy Cocktail Book* features 750 of the Savoy's most popular recipes. It is a fascinating record of the cocktails that set London alight at the time - and which are just as popular today. Taking you from Slings to Smashes, Fizzes to Flips, and featuring art deco illustrations, this book is the perfect gift for any budding mixologist or fan of 1930s-style decadence and sophistication. Updated with a new introduction and recipes from *The Savoy*.

*The Girl from The Savoy* Apr 26 2022 Presenting a dazzling new historical novel ... *The Girl From The Savoy* is as sparkling as champagne and as thrilling as the era itself. 'Sometimes life gives you cotton stockings. Sometimes it gives you a Chanel gown ...' Dolly Lane is a dreamer; a downtrodden maid who longs to dance on the London stage, but her life has been fractured by the Great War. Memories of the soldier she loved, of secret shame and profound loss, by turns pull her back and spur her on to make a better life. When she finds employment as a chambermaid at London's grandest hotel, *The Savoy*, Dolly takes a step closer to the glittering lives of the Bright Young Things who thrive on champagne, jazz and rebellion. Right now, she must exist on the fringes of power, wealth and glamor—she must remain invisible and unimportant. But her fortunes take an unexpected turn when she responds to a struggling songwriter's advertisement for a 'muse' and finds herself thrust into London's exhilarating theatre scene and into the lives of celebrated actress, Loretta May, and her brother, Perry. Loretta and Perry may have the life Dolly aspires to, but they too are searching for something. Now, at the precipice of the life she has and the one she longs for, the girl from *The Savoy* must make difficult choices: between two men; between two classes, between everything she knows and everything she dreams of. A brighter future is tantalizingly close—but can a girl like Dolly ever truly leave her past behind?

*The Savoy Cookbook* Feb 22 2022 A celebrated chef takes readers a delicious tour of one of the world's most sumptuous hotels, introducing readers to one hundred classic and contemporary recipes served within its glamorous walls.

**Hotel Savoy** Jul 18 2021 Gabriel Dan is a former soldier in the Austrian army who returns from a Siberian prison camp, some time after World War I. He arrives in an unnamed town that might be in Poland, and lodges at the Hotel Savoy. The owner is absent, the guests are deranged, and murder and chaos ensue.

Cocktail Codex Jul 26 2019 From the authors of the bestselling and genre-defining cocktail book *Death & Co*, *Cocktail Codex* is a comprehensive primer on the craft of mixing drinks that employs the authors' unique "root cocktails" approach to give drink-makers of every level the tools to understand, execute, and improvise both classic and original cocktails. JAMES BEARD AWARD WINNER • WINNER OF THE TALES OF THE COCKTAIL SPIRITED AWARD® FOR BEST NEW COCKTAIL OR BARTENDING BOOK • NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY CHICAGO TRIBUNE "There are only six cocktails." So say Alex Day, Nick Fauchald, and David Kaplan, the visionaries behind the seminal craft cocktail bar *Death & Co*. In *Cocktail Codex*, these experts reveal for the first time their surprisingly simple approach to mastering cocktails: the "root recipes," six easily identifiable (and memorizable!) templates that encompass all cocktails: the old-fashioned, martini, daiquiri, sidecar, whisky highball, and flip. Once you understand the hows and whys of each "family," you'll understand why some cocktails work and others don't, when to shake and when to stir, what you can omit and what you can substitute when you're missing ingredients, why you like the drinks you do, and what sorts of drinks you should turn to—or invent—if you want to try something new. Praise for *Cocktail Codex* "Learn the template, and any cocktail you can think of is within reach."—*Food & Wine* "Too bad all college textbooks weren't this much fun."—*Garden & Gun* "A must for amateur and pro mixologists alike."—*Chicago Tribune* "If Dora the Explorer turned twenty-one, split herself into three people, and decided to write the *Magna Carta* of booze books, this would be the result. And, unlike every other book you'll read this year, *Cocktail Codex* is packed with actual knowledge you can use in the real world. Please, please, can Cinema Codex be next?"—Steven Soderbergh, filmmaker

*A Voyage to Arcturus (?????)* Nov 29 2019 Scottish novelist David Lindsay (1876-1945) was born to a middle-class Calvinist family, forced by poverty to work as an insurance clerk instead of attending university, and at the age of forty took up the cause and worked his way to Corporal of the Royal Army Pay Corps in World War I. After the war he moved to Cornwall with his wife and began writing full-time, publishing his first novel, "A Voyage to Arcturus," in 1920. Although the science fiction novel initially sold less than six hundred copies, it has come to be known as a major "underground" novel of the 20th century, and heavily influenced C.S. Lewis's "Out of the Silent Planet." The story is set at Tormance, an imaginary planet orbiting Arcturus, where an adventurous Scot named Muskall has travelled and where he encounters myriad characters and lands that reflect Lindsay's critique of various philosophical systems.

*The Savoy* Aug 07 2020

**Scandal at the Savoy** May 04 2020 On a stiflingly hot July night in 1923, a 22 year-old millionaire Egyptian playboy was shot dead by his beautiful French wife at the Savoy Hotel in London. The notoriety surrounding the couple, set against the backdrop of this luxurious hotel, provoked a welter of publicity and speculation which filled the papers for months.

*The Savoy Cocktail Book* Jul 30 2022 Everything you ever need to know about choosing and mixing drinks is right here in this rare and highly collectible volume. Written by a legendary mixologist, it's the ultimate bartender's book, bursting with 750 recipes. Consisting mostly of cocktails, it comprises nonalcoholic drinks as well as sours, toddies, flips, egg nogs, slings, fizzes, coolers, rickys, juleps, punches, and a myriad of other delectable refreshments. Extensive coverage of wines introduces the products of Bordeaux, Burgundy, and Champagne, as well as Rhine wines, port, and sherry. This special edition is richly illustrated with unique color images from the original 1930 publication — dozens of period drawings that imbue the book with a lively Jazz Age spirit. A splendid gift for bartenders and housewarming parties, it's also a fine and comprehensive addition to home bars and libraries.

**Alien Land** Mar 02 2020

**A History of Savoy** Oct 21 2021 Savoy and its Alps were for seven centuries an independent state at the centre of Europe, separating France from the patchwork of principalities that made up Italy. Merchants, clerics, pilgrims, diplomats as well as privileged young Englishmen on the Grand Tour, regularly used the Alpine passes. But it was the need of European armies to cross Savoy which made its rulers powerful as the Gatekeepers of the Alps. It allowed the Duchy of Savoy to prosper and survive when all the other great duchies of Burgundy, Milan, Provence and Dauphin' disappeared at the end of the fifteenth century. Savoy successfully resisted the pressure from Protestant Geneva on its doorstep, but was the first country to succumb to the French Revolution. By judiciously switching alliances during the European wars beginning at the end of the seventeenth century, the House of Savoy finally gained a crown. The conspiracy concocted by Napoleon III and Cavour led directly to the unification of Italy and the definitive annexation of Savoy to France in 1860. Simultaneously, the Alps that had been the source of Savoy's power, now became the source of its prosperity as a centre of tourism.

The New Craft of the Cocktail Sep 19 2021 The renowned cocktail bible, fully revised and updated by the legendary bartender who set off the cocktail craze—featuring over 100 brand-new recipes, all-new photography, and an up-to-date history of the cocktail. NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY THE ATLANTA JOURNAL-CONSTITUTION *The Craft of the Cocktail* was the first real cookbook for cocktails when it first published in 2002, and it has had a remarkable influence on bartending. With this new edition, the original gets a delicious update, bringing expertise from Dale DeGroff, the father of craft cocktails, to the modern bar for a new generation of cocktail enthusiasts. The beloved histories, culture, tips, and tricks are back but all are newly revised, and DeGroff's favorite liquor recommendations are included so you know which gin or bourbon will mix just right.

*Savoy* Jun 24 2019 Doran has photographed the ambitious restoration of *The Savoy*, the world-renowned London hotel built by impresario Richard D'Oyly Carte in 1889. She traces the work through four periods of the restoration project; stripping out, which often exposed original detail, structural restoration and its progression into the new designs. The final section covers the final touches of decoration. Doran became captivated by the hotel's fifth-floor River Suites with their views across the Thames and developed the concept by returning and remaking images over 100 visits to the hotel.

Imbibe! Updated and Revised Edition Nov 09 2020 An informative, anecdotal history of classic American cocktails pays tribute to Jerry Thomas, the father of the American bar, in a study that includes a host of mixology lore, legends, trivia, and more than one hundred recipes for punches, cocktails, sours, fizzes, toddies, slings, and other drinks.

Queen of the Savoy Jun 28 2022 Born in 1852 in a small coastal town in Scotland, Helen D'Oyly Carte, through academic brilliance and an incredible talent for 'managing chaos', developed and ran the world's foremost top entertainment and hospitality organisation with her husband, Richard D'Oyly Carte (known as D'Oyly). By the age of 30, she was running five Gilbert & Sullivan companies for the Savoy Group in the United States, crossing the Atlantic thirty times, and for the next three decades she ran the Savoy Theatre, the Savoy Hotel, Claridges and Simpson's-in-the-Strand. She was the only one trusted by the prickly, brilliant William Gilbert and Arthur Sullivan, to keep them from breaking apart, as they so regularly wanted to do. From a conventional upbringing, she chose to remain in London after the emigration of her family to Australia, first as an actress, then working alongside D'Oyly - she took over the reins as he became ill in the late 1880s. Until her death in 1913, she flourished and was famous, interviewed and admired, in a competitive, vibrant London that was the centre of world power and commerce. Queen of The Savoy charts Helen's course from Wigtown to the West End, where running a company with hundreds of employees, led to her fame and fortune. The artists Whistler and Sickert were friends and immortalised her in portraits. She was known in her time as the true founder of the Gilbert and Sullivan franchise and this biography will bring to light, some 110 years after her death, the extraordinary role that she played in one of Britain's greatest success stories.

Last Dance at the Savoy Jun 04 2020 When Kathryn Leigh Scott's husband was diagnosed with progressive supranuclear palsy (PSP), a neurological disease for which there is (so far) no cure, it was a devastating time for both of them, not least because so little is known about the cause or treatment of a disease that affects some 20,000 Americans, a number similar to that of Lou Gehrig's disease (ALS). "Last Dance at the Savoy" is both a personal story about Scott's husband, Geoff Miller, the founding editor of "Los Angeles" magazine, who lived life fully despite having a terminal illness, and a sharing of her insights on dealing with the day-to-day issues of caring for someone with a progressive neurological condition. Scott "often yearned for someone to figuratively take my hand and walk with me through the difficult times; I hope through this book I can reach out to you with encouragement and practical advice." "Last Dance at the Savoy" includes a resource guide that provides facts about prime-of-life diseases; contact information for support organizations, research studies and clinical trials; where to find handicap products and equipment; and recommended caregiving publications and family conferences. Contains a foreword by Yvette Bordelon, MD, PhD, a neurologist at UCLA whose clinical work involves the diagnosis and treatment of movement disorders. A percentage of royalties from "Last Dance at the Savoy" are donated to CurePSP.

The Savoy Jan 24 2022 An illustrated monthly.

**The Savoy, London** Dec 31 2019

Murder at the Savoy Dec 23 2021 September 1940. The height of the Blitz. When The Savoy advertises its series of underground shelters, a crowd of people from East London arrive at the hotel and demand entry. There they find a shelter worthy of The Savoy's clientele, but the next morning, after the air raid and when the Stepney protestors have left, it is discovered that one of the hotel's guests is dead, stabbed through the heart. Detective Chief Inspector Coburg and Sergeant Lampson are called in, and the finger of suspicion falls firmly upon the East Londoners, but not everything is as it seems in these sumptuous surroundings.

Ritz and Escoffier Aug 26 2019 Now in paperback, the critically acclaimed Ritz and Escoffier. In a tale replete with scandal and opulence, Luke Barr, author of the New York Times bestselling *Provence, 1970*, transports readers to turn-of-the-century London and Paris to discover how celebrated hotelier César Ritz and famed chef Auguste Escoffier joined forces at the Savoy Hotel to spawn a scandalously modern luxury hotel and restaurant, signaling a new social order and the rise of the middle class. In early August 1889, César Ritz, a Swiss hotelier highly regarded for his exquisite taste, found himself at the Savoy Hotel in London. He had come at the request of Richard D'Oyly Carte, the financier of Gilbert & Sullivan's comic operas, who had modernized theater and was now looking to create the world's best hotel. D'Oyly Carte soon seduced Ritz to move to London with his team, along with Auguste Escoffier, the chef de cuisine known for his elevated, original dishes. The two created a hotel and restaurant like no one had ever experienced, in often mysterious and always extravagant ways, where British high society mingled with American Jews and women. Barr deftly re-creates the thrilling Belle Epoque era just before World War I, when British aristocracy was at its peak, women began dining out unaccompanied by men, and American nouveaux riches and gauche industrialists convened in London to show off their wealth. In their collaboration at the still celebrated Savoy Hotel, the pair welcomed loyal and sometimes salacious clients, such as Oscar Wilde and Sarah Bernhardt; Escoffier created the modern kitchen brigade and codified French cuisine in his seminal *Le Guide culinaire*, which remains in print today; and Ritz, whose name continues to grace the finest hotels, created the world's first luxury hotel. The pair also ruffled more than a few feathers. Fine dining and luxury travel would never be the same--or more intriguing.

Stompin' at the Savoy Jun 16 2021 "Black American jazz drummer William Henry "Chick" Webb led one of the big bands of the swing era, earning him the nickname the "King of the Savoy."--

**Liberties of the Savoy** Sep 07 2020 Summoning the spirit of John Ball, Wat Tyler and the Peasants' Revolt of 1381, Ruth Ewan invited 200 teenagers from east London to take over The Savoy's Lancaster Ballroom for an ambitious event, Liberties of the Savoy, which addressed the social history of the site: the immunity from prosecution wealthy debtors were offered by the historic Precinct of the Savoy, and the freedom of opulence and indulgence offered to those who can afford to guest at the hotel. Through a process of workshops, interviews and essays, young people respond to the demands of liberty through questions of injustice, class division, riots and racial inequality, in voices that resonate with the ancient call for freedom, common ownership and equality. The book presents the plans, drawings, photographs, interviews and texts led by the students, and gathered throughout the project, alongside commissioned texts, and recipes by Martin Chiffers, executive pastry chef at The Savoy. The film, edited by Sam Hepworth, features video footage recorded by the young people, documenting both the event and the work of making it happen.

Gilbert and Sullivan Apr 02 2020 Making extensive use of archival resources, Regina B. Oost examines advertisements, promotional materials, and programs; letters, diaries, and account books; and the operas themselves to reconstruct the ways in which Gilbert and Sullivan and their producer attracted and shaped the expectations of theatergoers. Highly accessible and entertaining, her book will appeal to scholars of theater history, literature, music, and popular culture, as well as general readers.

**Murder at the Savoy** Nov 21 2021 The shocking sixth novel in the Martin Beck mystery series by the internationally renowned crime writing duo by Maj Sjöwall and Per Wahlöö, finds Beck investigating a brutal assassination. With an introduction by Arne Dahl. When Viktor Palmgren, a powerful Swedish industrialist is shot during his after-dinner speech in the luxurious Hotel Savoy, it sends a shiver down the spine of the international money markets and terrifies the tiny town of Malmö. No one in the restaurant can identify the gunman, and local police are sheepishly baffled. That's when Beck takes over the scene and quickly picks through Palmgren's background. What he finds is a web of vice so despicable that it's hard for him to imagine who wouldn't want Palmgren dead, but that doesn't stop him and his team of dedicated detectives from tackling one of their most intriguing cases yet.

War, Diplomacy and the Rise of Savoy, 1690–1720 Oct 28 2019 This book deals with the crucial relationship between war and state formation in early modern Europe by considering the role of the Duchy of Savoy and the rise of this hitherto weak state into one of the regular members of the anti-French coalitions of the eighteenth century. Through his participation in the Nine Years War (1688–97) and the War of the Spanish Succession (1701–14), Victor Amadeus II, duke of Savoy, acquired a reputation for unrivalled 'Machiavellian' diplomacy on the international stage. The book puts this diplomacy in context, and considers how the duke raised men and money (at home and abroad), the administrative changes forced by war, the resulting domestic pressures, and how these were dealt with.

**The Savoy Cocktail Book** Jan 12 2021

The Fall of the House of Savoy Jul 06 2020 "Robert Katz surveys the entire history of the dynasty, concentrating especially on the forty-six year reign of Victor Emmanuel III...Katz give a full account of the uninspired reign of the pathetic little king, a reign which left a power vacuum that encouraged rule by parliamentary dictatorship. He draws a fascinating picture of the complex relationship between Victor Emmanuel and Mussolini and shows how this relationship was largely responsible for Italy's destiny in World War II. Finally, he probes the many reasons for the ultimate downfall of the House of Savoy -- the political climate, the personalities, the unwillingness of the Savoys to lead or govern. His spellbinding story mounts in steady crescendo to its tragic climax with the flight of the royal family from the Germans following Italy's surrender to the Allies." -- Book jacket.

Happy Feet Apr 14 2021 A young boy who loves to dance listens as his father retells the story of the night he was born, which coincided with the opening of the Savoy Ballroom in Harlem.

Churchill Style Feb 10 2021 A look at the towering twentieth-century leader and his lifestyle that goes beyond the political and into the personal. Countless books have examined the public accomplishments of the man who led Britain in a desperate fight against the Nazis with a ferocity and focus that earned him the nickname "the British Bulldog." Churchill Style takes a different kind of look at this historic icon—delving into the way he lived and the things he loved, from books to automobiles, as well as how he dressed, dined, and drank in his daily life. With numerous photographs, this unique volume explores Churchill's interests, hobbies, and vices—from his maddening oversight of the renovation of his country house, Chartwell, and the unusual styles of clothing he preferred, to the seemingly endless flow of cognac and champagne he demanded and his ability to enjoy any cigar, from the cheapest stogies to the most pristine Cubans. Churchill always knew how to live well, truly combining substance with style, and now you can get to know the man behind the legend—from the top of his Homburg hat to the bottom of his velvet slippers. "All readers will appreciate Singer's highly intelligent observations about how Churchill's style contributed to, and was ultimately an integral part of his brilliant career." —Gentleman's Gazette

**Africa's Struggle for Its Art** Dec 11 2020 A major new history of how African nations, starting in the 1960s, sought to reclaim the art looted by Western colonial powers For decades, African nations have fought for the return of countless works of art stolen during the colonial era and placed in Western museums. In *Africa's Struggle for Its Art*, Bénédicte Savoy brings to light this largely unknown but deeply important history. One of the world's foremost experts on restitution and cultural heritage, Savoy investigates extensive, previously unpublished sources to reveal that the roots of the struggle extend much further back than prominent recent debates indicate, and that these efforts were covered up by myriad opponents. Shortly after 1960, when eighteen former colonies in Africa gained independence, a movement to pursue repatriation was spearheaded by African intellectual and political classes. Savoy looks at pivotal events, including the watershed speech delivered at the UN General Assembly by Zaire's president, Mobutu Sese Seko, which started the debate regarding restitution of colonial-era assets and resulted in the first UN resolution on the subject. She examines how German museums tried to withhold information about their inventory and how the British Parliament failed to pass a proposed amendment to the British Museum Act, which protected the country's collections. Savoy concludes in the mid-1980s, when African nations enacted the first laws focusing on the protection of their cultural heritage. Making the case for why restitution is essential to any future relationship between African countries and the West, *Africa's Struggle for Its Art* will shape conversations around these crucial issues for years to come.

**Swingin' at the Savoy** Oct 01 2022 The dancer and choreographer chronicles her life and provides a history of the Savoy Ballroom in Harlem and its influence on American culture.

**The Secret Life of the Savoy** Sep 27 2019 The captivating story of the famed Savoy Hotel's founders, told through three generations—and one hundred years—of glamour and high society. For the gondoliers-themed birthday dinner, the hotel obligingly flooded the courtyard to conjure the Grand Canal of Venice. Dinner was served on a silk-lined floating gondola, real swans were swimming in the water, and as a final flourish, a baby elephant borrowed from London Zoo pulled a five-foot high birthday cake. In three generations, the D'Oyly Carte family and London's Savoy Hotel pioneered the idea of the luxury hotel and the modern theater, propelled Gilbert and Sullivan to lasting stardom, made Oscar Wilde a transatlantic celebrity, inspired a P. G. Wodehouse series, and popularized early jazz, electric lights, and Art Deco. Following the history of the iconic Savoy Hotel through three generations of the D'Oyly Carte family, *The Secret Life of the Savoy* brings to life the extraordinary cultural legacy of the most famous hotel in the world.

**The Eagles of Savoy** May 16 2021 This book is the history of a very remarkable family, that of Count Thomas of Savoy, whose seven sons and two daughters rose from relative obscurity to fame, fortune, and involvement in almost every major international conflict in western Europe during the fifty years following their father's death in 1233. By tracing the careers of the Savoyards, Eugene L. Cox emerges with a pan-European view of the thirteenth century. Professor Cox describes the ways in which the members of the Savoyard family gained access to the most powerful courts in Europe, an advantage that they skillfully employed in turning their scattered Alpine dominions into a territorial state, and in making their family a powerful force in the world of high diplomacy. From Scotland and Flanders to Sicily and Rome, the author traces the influence of the Savoyard family in dealings between states, in conflicts with the papacy, and in the struggles for power within the emerging national states. Based on extensive research in both published and unpublished sources, the book pieces together widely scattered data in order to reconstruct a picture of a real-life medieval family saga. Set as it is in the era of the formation of national states and the breakdown of the Holy Roman Empire, the story is a fascinating background account of this tumultuous period in history. Originally published in 1974. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Savoy Cocktail Book Mar 26 2022 The ultimate bartender's book, this richly illustrated hardcover compilation of 750 recipes comprises non-alcoholic drinks as well as sours, toddies, flips, slings, fizzes, coolers, rickys, juleps, punches, and other refreshments.

**Trace** Aug 19 2021 With a New Preface by the Author Through personal journeys and historical inquiry, this PEN Literary Award finalist explores how America's still unfolding history and ideas of "race" have marked its people and the land. Sand and stone are Earth's fragmented memory. Each of us, too, is a landscape inscribed by memory and loss. One life-defining lesson Lauret Savoy learned as a young girl was this: the American land did not hate. As an educator and Earth historian, she has tracked the continent's past from the relics of deep time; but the paths of ancestors toward her—paths of free and enslaved Africans, colonists from Europe, and peoples indigenous to this land—lie largely eroded and lost. A provocative and powerful mosaic that ranges across a continent and across time, from twisted terrain within the San Andreas Fault zone to a South Carolina plantation, from national parks to burial grounds, from "Indian Territory" and

the U.S.–Mexico Border to the U.S. capital, Trace grapples with a searing national history to reveal the often unvoiced presence of the past. In distinctive and illuminating prose that is attentive to the rhythms of language and landscapes, she weaves together human stories of migration, silence, and displacement, as epic as the continent they survey, with uplifted mountains, braided streams, and eroded canyons. Gifted with this manifold vision, and graced by a scientific and lyrical diligence, she delves through fragmented histories—natural, personal, cultural—to find shadowy outlines of other stories of place in America. "Every landscape is an accumulation," reads one epigraph. "Life must be lived amidst that which was made before." Courageously and masterfully, Lauret Savoy does so in this beautiful book: she lives there, making sense of this land and its troubled past, reconciling what it means to inhabit terrains of memory—and to be one.
