The Heroin Diaries Jun 16 2021 Set against the frenzied world of heavy metal superstardom, the co-founder of legendary Motley Crue offers an unflinching and gripping look at his own descent into drug addiction. When Motley Crue were at the height of their fame, there wasn't a drug Nikki Sixx wouldn't do. He spent days - sometimes alone, sometimes with others addicts, friends and lovers - in a coke- and heroin-fuelled daze. THE HEROIN DIARIES reveals Nikki's personal diary entries alongside commentary from the people who know Nikki best including band mates Tommy, Vince and Mick. The book is a candid look at a nightmare come true: a punishing heroin addiction that brought Nikki to the edge of losing his talent, his career, his family and finally to a near-fatal overdose which left him clinically dead for a few minutes before being revived. Brutally honest, utterly riveting and shockingly moving, THE HEROIN DIARIES follows Nikki during the year he plunged to rock bottom and his courageous decision to pick himself up and start living again.

This Is Gonna Hurt (Enhanced Edition) Jun 24 2019 This Is Gonna Hurt: Music, Photography And Life Through The Distorted Lens Of Nikki Sixx, is part photo, part journal—but all Nikki Sixx. It is a collection of compelling photography and stories that capture the rage, love, optimism, darkness, and determination that shape his work. Combining the raw authenticity that defined his New York Times Bestseller The Heroin Diaries with a photographic journey, This Is Gonna Hurt chronicles Sixx's experiences—from his early years filled with toxic waste, to his success with Motley Crue, to his death from an OD and his eventual rebirth through music, photography, and love. Love story, bad-ass rock tell-all, social commentary, family memoir, This Is Gonna Hurt offers the compelling insights of an artist and a man struggling to survive, connect, and find a happy ending—a search that fuels Sixx's being.

The Heroin Diaries: Ten Year Anniversary Edition Dec 31 2019 The shocking, gripping, and at times darkly hilarious bestselling memoir of Nikki Sixx's yearlong war with a vicious heroin addiction, featuring exclusive new content. When Mötley Crüe was at the height of its fame, there wasn't a drug Nikki Sixx wouldn't do. He spent days—sometimes alone, sometimes with other addicts, friends, and lovers—in a coke- and heroin-fueled daze. The highs were high, and Nikki's journal entries reveal some euphoria and joy. But the lows were lower, often ending with Nikki in his car surrounded by drug paraphernalia and wrapped in paranoid delusions. Here, Nikki shares the diary entries—some poetic, some scatterbrained, some bizarre—of those dark times. Joining him are Tommy Lee, Vince Neil, Mick Mars, Slash, Rick Nielsen, Bob Rock, and a host of ex-managers, ex-lovers, and more. Brutally honest, utterly riveting, and surprisingly moving, The Heroin Diaries follows Nikki during the year he plunged to rock bottom—and his courageous decision to pick himself up and start living again.

This Is Gonna Hurt Apr 14 2021 This Is Gonna Hurt is music, photography, and life through the distorted lens of Nikki Sixx, bassist for heavy metal rock band Mötley Crüe's and the New York Times bestselling author of The Heroin Diaries. A combination of powerful prose and dramatic photographs, This Is Gonna Hurt is an arresting, deeply personal look through the eyes of a real rock star at a stark, post-addiction world. THE HEROIN DIARIES chronicles Sixx's experiences—from his early years filled with toxic waste, to his success with Motley Crue, to his near death from an OD and his eventual rebirth through music, photography, and love. Love story, social commentary, family memoir, This Is Gonna Hurt offers the compelling insights of an artist and a man struggling to survive, connect, and find a happy ending—a search that fuels Sixx's being.

Kickstart My Heart Jun 28 2022 (Book). Kickstart My Heart: A Motley Crue Day-by-Day is an exciting chronology that celebrates in innovative

form through the use of day-by-day entries and supporting band quotes mostly collected firsthand by the author, as well as memorabilia such as photographs of the crazy lives lived by Vince, Mick, Nikki, and Tommy at the booze-drenched apex of the rock-'n'-roll food chain. Augmented with entries that help place the band in a wider rock context, Popoff presents a swift-moving, action-packed symphony of text and visuals that rival his collaboration with Backbeat on similarly structured titles about Iron Maiden and Ozzy Osbourne. With very few Motley Crue-related books on the market, Kickstart My Heart will likely serve for years to come as the most complete and completely party-hardy celebration of this band's 35 years on and in the midst of completing its final tour ever.

Mötley Crüe - the Dirt: Declassified (Hardcover) 30 2022 You thought you knew the story behind the world's most notorious rock band...the music, the mayhem...it is the stuff of rock n roll legend, chronicled in the New York Times bestselling book and subsequent Netflix movie, *The Dirt*. Now, as Nikki Sixx, Tommy Lee, Vince Neil and Mick Mars emerge from self-imposed exile from all corners of the globe, the REAL story behind the band can finally be told...as the exploits of Mötley Crüe working as special undercover government operatives are revealed in this graphic novel. **Chronological Crue Vol. 2 - The Nineties: The Complete History of Mötley Crüe in the 1990s** 21 From the highly-acclaimed rock history website read millions of times, *Chronological Crue* is THE definitive source of fact on the world's most notorious rock band: Mötley Crüe. It is used worldwide by TV networks, music industry journalists, critics, and fans as an invaluable reference on Mötley Crüe. First published in paperback during 2006 and having been out-of-print for many years, fans have been asking for this expanded and updated second edition. It includes a Foreword by Neil Strauss: best-selling author of *The Dirt*. There's over a quarter-million words on Motley Crue in over 1,000 pages across all 4 volumes in this series - Vol 1. The Eighties, Vol 2. The Nineties, Vol 3. The Naughtyies, Vol 4. The Onesies - collect them all! The brand-new Vol 4. takes readers through to the last concert of The Final Tour on Crue Year's Eve 2015, and also contains a bonus Gigography that lists every Crue performance - over 1,700 in total. "Nobody on the planet has dedicated their life to documenting the entire history of Mötley Crüe more accurately, thoroughly, and continuously than Paul Miles. Rather than recount the story of the most reckless musical act the world has ever seen in the past tense, this book will guide you through every step of the way as it all unfolded. Pulling no punches and telling no lies, Paul Miles will reveal facts that have been covered up, forgotten, or falsified by every previous account. Get ready to find out the real truth behind the highest highs and lowest lows in the Crüe's perilous kingdom of sex, drugs, and rock n' roll..." Steve-O, of MTV's *Jackass* and *Wildboyz* infamy "Paul knows more about us than we know." Tommy Lee "I've read it before and gone, we did THAT?" Nikki Sixx "Chronological Crue is without a doubt the definitive Mötley Crüe reference work. I used it extensively in writing the script of *The Dirt* and I highly recommend it to not only fans of the band but anyone with an interest in the history of rock n' roll. For contained on these sweaty pages is a treasure trove of sleazy tidbits on not just the band but the slew of other musicians, critics, groupies, scum sucking corporate-types, famous wives and infamous playthings who came across their path. If Mötley played with them, partied with them or shagged them silly, it's here for all to see. It is a compulsive completist's dream, filled with the sort of arcane minutia that can settle arguments, win bets, or simply allow you to sleep after pondering for hours the exact date of Nikki's first overdose in the back alleys of Hammersmith. Now hurry up and buy it so Paul Miles can finally feel as if his life has meaning." Rich Wilk, screenwriter of Mötley's movie *The Dirt*

The Decade That Rocked 09 2020 "I have read pretty much every rock 'n' roll biography there is worth reading, and you never know what to expect when you pick up a new book. Well, let me tell you Mark Weiss has raised the bar for rock 'n' roll books with *The Decade That Rocked*. Mark has always been at the top of his field, and the level of detail and quality put into this book is the ultimate testament to his rock n' roll photographic legacy." - Sebastian Bach "Mark is the real deal. He may not play the guitar, but that camera is his guitar. He's a rockstar." - Gene Simmons "Mark's energy, his creativity, his drive, his positive attitude and his enthusiasm that make him one of the legends of rock photography. It's why his work—both old and new—is still so in demand today. Mark Weiss inspires greatness in all he turns his camera lens on. But don't let my word for it. Just look at the pictures in this book." - Dee Snider "His pictures say as much as the music" - Rob Halford "He was one of the best guys. He wasn't one of the 18 photographers you'd work with that day." - Alice Cooper "He had that instinct, to recognize our energy and use his technical talent to capture it." - Joe Perry "The Decade That Rocked breaches a level of intimacy that so many music photographers are lacking today. Each and every photo exemplifies the trust and the synergy between photographer and subject. You can feel the essence of the music in every live shot, just as vibrantly as you can feel the spirit and the essence of the musicians behind the scenes." - Screamer Magazine Mark "Weiss set an unmatched standard for rock photography. Starting out as a teenager by sneaking into concerts with a neighbor's 35mm camera, he embarked on a legendary career that took him around the globe and onto some of the most memorable album and magazine covers in rock history, featuring the likes of Van Halen, Ozzy Osbourne, Aerosmith, and Mötley Crüe to Metallica, Guns N' Roses, Bon Jovi, and KISS, and so many more. With 700+ photos, brand new interviews, and stories from Mark himself, *Decade that Rocked* is a monument to the photography, friendships, and legacy of an artist that helped define one of rock's most iconic eras. This career-spanning collection features: A unique lens on the golden age of rock: Never-before or rarely seen photos of legends like Van Halen, Ozzy Osbourne, Aerosmith, and Mötley Crüe to Metallica, Guns N' Roses, Bon Jovi, and KISS, as well as countless others whose sound and image defined the era. Exclusive interviews: Ozzy Osbourne, Dee Snider, Nikki Sixx, Joe Perry, Rob Halford, and many more recall their memories of this era-defining decade. Untold Stories: Relive Mark's unbelievable journey through rock history, from getting arrested for selling photos outside of Kiss concert to touring with legends like Van Halen to photographing Bon Jovi's infamous "Slippery When Wet" shoot, shooting backstage at Live Aid with Black Sabbath, and so many more. Definitive Lens: Creem magazine readers ranked Mark Weiss as rock's top photographer of the 80s. His work has appeared on some of the most iconic album and magazine covers of all time. Captured from the unique vantage point of a photographer who lived and breathed the '80s in all its grit and glory, *The Decade That Rocked* brings to life the no-holds-barred sounds and sights that changed the world of hard rock and metal forever.

Tattoos & Tequila Dec 11 2020 "So where do we start? I remember when we did *The Dirt*, the Mötley Crüe book, I was interviewed at The Gr Havana Room in Beverly Hills. A lot of people think I didn't get to say much in *The Dirt*. It's probably true. I didn't read it. I'm not that big a talker. Some people can f*ckin' talk ... eat up all the oxygen in a room in no time flat. I don't tend to run my mouth. It's b*llshit. All those years rehab and counseling--the talking cure? I can't say I really got that much out of it. All that cure and I should be cured by now, don't you think this talking... So forgive me if it's a bit hard for me to slice open a vein and let my blood run red all over this page for you. I'll fight you or I'll win you but chances are I'll be hard pressed to sit there and talk to you. War stories. War wounds. I know, I know. Old rock stars fall hard. I'm fifty-nine years old. I'm five-foot-nine, 170. The spandex is over. I've had three plastic surgeries. Still, who do you think gets laid more, me or you? Time does change a man. I ain't twenty-one anymore. It's a miracle we survived at all. A bottle of Jack Daniel's and uncooked hot dogs do not work for a particularly well-balanced diet. We are all very lucky we didn't kill ourselves. It might look like we were trying to do that but speaking for myself, death was never my intent. I just wanted to feel good, you know? I was just looking for that kick, that high... These days I've got business to run. I like the action. Something to get your heart pumping. Healthier than a syringe full of cocaine powder like I was doing back in '81 with my girlfriend Lovey, that's for sure... But you got to admit...those days are a lot more fun to talk about..."

Nikki Sixx Coloring Book Mar 14 2021 Frank Carlton Serafino Feranna, Jr. (born December 11, 1958) is an American musician, songwriter, radio host, and photographer, best known as the co-founder, bassist, and primary songwriter of the band Mötley Crüe. Sixx has also worked with a number of artists and groups, co-writing and/or producing songs, such as Sex Pistols's guitarist Steve Jones, Lita Ford, Alice Cooper, Meat Loaf, Marion Raven, Drowning Pool, Saliva and The Last Vegas, among others.

Orbit: Mötley Crüe: Livin' the Fast Life May 28 2022 The band known as much for their talent onstage as their antics offstage, Mötley Crüe epitomized the drug-fueled, sex-riddled excess of 1980's metal acts. In the process, they forged a rock dynasty few other bands have been able to achieve. Nikki Sixx, Tommy Lee, Mick Mars, and Vince Neil became household names, the scourge of the Christian right, and the darlings of the Billboard charts. Read about their meteoric rise and fall in this issue of *Orbit*!

The First 21 Dec 23 2021 Rock-and-roll icon and three-time bestselling author Nikki Sixx tells his origin story: how Frank Feranna became Nikki Sixx, chronicling his fascinating journey from irrepressible Idaho farmboy to the man who formed the revolutionary rock group Mötley Crüe. Nikki Sixx is one of the most respected, recognizable, and entrepreneurial icons in the music industry. As the founder of Mötley Crüe, who is still in his twenty-first year of sobriety, Sixx is incredibly passionate about his craft and wonderfully open about his life in rock and roll, and as a performer in the world. Born Franklin Carlton Feranna on December 11, 1958, young Frankie was abandoned by his father and partly raised by his mother, a woman who was ahead of her time but deeply troubled. Frankie ended up living with his grandparents, bouncing from farm to farm and state to state. He was an all-American kid—hunting, fishing, chasing girls, and playing football—but underneath it all, there was a burning desire for rock and that more was music. He eventually took a Greyhound bound for Hollywood. In Los Angeles, Frank lived with his aunt and his uncle—the president of Capitol Records—for a short time. But there was no easy path to the top. He was soon on his own. There were dead-end jobs: circuit boards, clerking at liquor and record stores, selling used light bulbs, and hustling to survive. But at night, Frank honed his craft, joining Sister, a band formed by fellow hard-rock veteran Blackie Lawless, and formed a group of his own: London, the precursor of Mötley Crüe. Turning down an offer to join Randy Rhoads's band, Frank changed his name to Nikki London, Nikki Nine, and, finally, Nikki Sixx. Like Huck Finn with a stolen guitar, he had a vision: a group that combined punk, glam, and hard rock into the biggest, most theatrical and irresistible package the world had ever seen. With hard work, passion, and some luck, the vision manifested in reality—and this is a profound true story of identity, of how Frank Feranna became Nikki Sixx. It's also a road map to the ways you can overcome anything, and achieve all of your goals if only you put your mind to it.

Cause & Effect Jan 24 2022 If you were in your mid 20s and a hard rock fan in 1994, then your world was probably in a lot of turmoil. The music industry was fully entrenched in what was the biggest musical shift it had seen since The Beatles replaced Elvis atop the charts. The bands that had been selling multiple millions of albums each and every time they released anything only 2 years earlier were now considered old and uncool. There were millions of rock fans out there that bought flannel shirts, Nirvana and Soundgarden albums, and pretended they'd never bought any of the biggest albums from only a few years before. In 1994, if you said you were an LA Guns fan or a Dokken fan, you were an outcast that had been left behind. At the same time, the very biggest band of that era, Motley Crue was not only dealing with a shift in the musical landscape. They had replaced their singer Vince Neil. They had just signed what was, at the time, the biggest recording contract in music history and then were expected to try to drive forward with a new singer and new sound in this new musical time. It was a seemingly impossible task, but if anyone could do it, it was Motley Crue. Always rebellious, and for years the setter of trends instead of the follower of them, Motley Crue seemed like they could act as a bridge between what was and what used to be. Armed with new vocalist John Corabi and a sound that, from start to finish, sounded nothing like anything they had done previously, their self-titled release was pushed out to the masses in 1994. Image: John Corabi, Motley Crue Immediately, it was polarizing. Most of the fan base absolutely hated it. They didn't buy it, and further didn't support the band to the point where the label themselves made the decision to stop pushing money into it. This was further pushed by an incident with MTV that had the

boycott the band as well. In one of the most epic falls in history, one of the top 3 biggest bands in the world was pushed to small venues and off the spotlight. That said though, many fans felt completely different about MOTLEY CRUE. They loved it. Then and now, they felt it was the band's deepest and most heartfelt album the band had ever and would ever do. One such fan is author Chris Akin. A well know rock critic and the co-host of the often controversial CLASSIC METAL SHOW, Akin was a worshipper of this release in 1994. He still is. Now, for the first time, Chris Akin looks back at 1994 and the release of MOTLEY CRUE. He remembers what so many of the songs meant to him, as well as how they were perceived to the masses at the time. With CAUSE & EFFECT: MOTLEY CRUE, author Chris Akin remembers both his personal experiences as well as the public perception of this polarizing release on the world. It's one of the biggest flops in music sales history, but is also one of the most brilliant releases at least in one man's eyes. CAUSE & EFFECT: MOTLEY CRUE explains why. "Restless soul deep inside / Searches for some piece of mind / Livin' just to die / I'm an angry man I always have / Had to fight to survive my past / Sign of these times" - Motley Crue - "Misunderstood"

Fargo Rock City ~~Apr 02 2020~~ The year is 1983, and Chuck Klosterman just wants to rock. But he's got problems. For one, he's in the fifth grade. For another, he lives in rural North Dakota. Worst of all, his parents aren't exactly down with the long hairstyle which rocking requires. Luckily, his brother saves the day when he brings home a bit of manna from metal heaven, SHOUT AT THE DEVIL, Motley Crue's seminal paean to hair metal band excess. And so Klosterman's twisted odyssey begins, a journey spent worshipping at the heavy metal altar of Poison, Lita Ford and Guns N' Roses. In the hilarious, young-man-growing-up-with-a-soundtrack-tradition, FARGO ROCK CITY chronicles Klosterman's formative years through the lens of heavy metal, the irony-deficient genre that, for better or worse, dominated the pop charts throughout the 1980s. For rockers Dave Eggers, Lester Bangs, and Nick Hornby, Klosterman delivers all the goods: from his first dance (with a girl) and his eye-opening trip to the Mandan with the debate team; to his list of 'essential' albums; and his thoughtful analysis of the similarities between Guns 'n' Roses' 'Lies' and the gospels of the New Testament.

The Eighties, Vol 2. The Nineties, Vol 3. The Naughties, Vol 4. The Onesies - collect them all! The brand-new Vol 4. takes readers through to the last concert of The Final Tour on Crue Year's Eve 2015, and also contains a bonus Gigography that lists every Motley Crue performance - over 1,700 in total. "Nobody on the planet has dedicated their life to documenting the entire history of Mötley Crüe more accurately, thoroughly, and continuously than Paul Miles. Rather than recount the story of the most reckless musical act the world has ever seen in the past tense, this book will guide you through every step of the way as it all unfolded. Pulling no punches and telling no lies, Paul Miles will reveal facts that have been covered up, forgotten, or falsified by every previous account. Get ready to find out the real truth behind the highest highs and lowest lows in the Crüe's perilous kingdom of sex, drugs, and rock n' roll..." Steve-O, of MTV's Jackass and Wildboyz infamy "Paul knows more about us than we know." Tommy Lee "I've read it before and gone, we did THAT?" Nikki Sixx "Chronological Crue is without a doubt the definitive Mötley Crüe reference work. I used it extensively in writing the script of The Dirt and I highly recommend it to not only fans of the band, but anyone with an interest in the history of rock n' roll. For contained on these sweaty pages is a treasure trove of sleazy tidbits on not just the band but the slew of other musicians, critics, groupies, scum sucking corporate-types, famous wives and infamous playthings who came across their path. If Mötley played with them, partied with them or shagged them silly, it's here for all to see. It is a compulsive completist's dream, filled with the sort of arcane minutia that can settle arguments, win bets, or simply allow you to sleep after pondering for hours the exact date of Nikki Sixx's first overdose in the back alleys of Hammersmith. Now hurry up and buy it so Paul Miles can finally feel as if his life has meaning." Rich Wilkes, screenwriter of Mötley's movie The Dirt
