America for Beginners Nov 11 2020 Recalling contemporary classics such as Americanah, Behold the Dreamers, and The Brief Wondrous Life of Oscar Wao, a

funny, poignant, and insightful debut novel that explores the complexities of family, immigration, prejudice, and the American Dream through meaningful and unlikely friendships forged in unusual circumstances. Pival Sengupta has done something she never expected: she has booked a trip with the First Class India USA Destination Vacation Tour Company. But unlike other upper-class Indians on a foreign holiday, the recently widowed Pival is not interested in sightseeing. She is traveling thousands of miles from Kolkata to New York on a cross-country journey to California, where she hopes to uncover the truth about her beloved son, Rahi. A year ago Rahi devastated his very traditional parents when he told them he was gay. Then, Pival's husband, Ram, told her that their son had died suddenly—heartbreaking news she still refuses to accept. Now, with Ram gone, she is going to America to find Rahi, alive and whole or dead and gone, and come to terms with her own life. Arriving in New York, the tour proves to be more complicated than anticipated. Planned by the company's indefatigable owner, Ronnie Munshi—a hard-working immigrant and entrepreneur hungry for his own taste of the American dream—it is a work of haphazard improvisation. Pival's guide is the company's new hire, the guileless and wonderfully resourceful Satya, who has been in America for one year—and has never actually left the five boroughs. For modesty's sake Pival and Satya will be accompanied by Rebecca Elliot, an aspiring young actress. Eager for a paying gig, she's along for the ride, because how hard can a two-week "working" vacation traveling across America be? Slowly making her way from coast to coast with her unlikely companions, Pival finds that her understanding of her son—and her hopes of a reunion with him—are challenged by her growing knowledge of his adoptive country. As the bonds between this odd trio deepens, Pival, Satya, and Rebecca learn to see America—and themselves—in different and profound new ways. A bittersweet and bighearted tale of forgiveness, hope, and acceptance, *America for Beginners* illuminates the unexpected enchantments life can hold, and reminds us that our most precious connections aren't always the ones we seek.

Happiness for Beginners Feb 12 2021 From the New York Times bestselling author of *How to Walk Away* and *Things You Save in a Fire* Helen Carpenter can't quite seem to bounce back. Newly divorced at thirty-two, her life has fallen apart beyond her ability to put it together again. So when her annoying younger brother, Duncan, convinces her to sign up for a hardcore wilderness survival course in the backwoods of Wyoming—she hopes it'll be exactly what she needs. Instead, it's a disaster. It's nothing like she wants, or expects, or anticipates. She doesn't anticipate the surprise summer blizzard, for example—or the blisters, or the rutting elk, or the mean pack of sorority girls. And she especially doesn't anticipate that her annoying brother's even-more-annoying best friend, Jake, will show up for the exact same course—and distract her, derail her, and . . . kiss her. But it turns out sometimes disaster can teach you exactly the things you need to learn. Like how to keep going, even when you think you can't. How being scared can make you brave. And how sometimes getting really, really lost is your only hope of getting found. *Happiness for Beginners* is Katherine Center at her most heart-warming, captivating best—a nourishing, page-turning, up-all-night read about how to get back up. It's a story that looks at how our struggles lead us to our strengths. How love is always worth it. And how the more good things we look for, the more we find.

Go for Beginners Aug 21 2021 Go is an ancient, subtly beautiful game of territory. But with its nearly endless possibilities and challenges, it is more than just another game; it is a way of life for tens of millions of players throughout the world. Embodying four thousand years of Oriental thought and culture, go is the oldest game in the world still played in its original form. Go is the kind of game that one can learn in a day—and spend a lifetime perfecting. It is more art than science: in order to surround and capture the opponent's territory, one needs intuition, flexibility, and acute perception combined with a sharp analytical mind. Each player is a partner in an exercise of coexistence; each player needs the other for self-enlightenment and for enjoyment. But then, too, go is a game whose strategy has been compared to the tactics of guerilla warfare. Go can be all things to all people; it is simple, elegant, and unexpectedly beautiful. This book contains an introduction; a brief example game; a clear, leisurely explanation of the rules; and illustrations of the simplest techniques of good play and of some easy and some more difficult problems the player will encounter. The appendixes include a concise list of rules, a glossary of technical terms, and a list of international and American go organizations. Among go players, *Go for Beginners* is known as the best beginner's book available.

The Beginners Nov 23 2021 Quintessential Anne Serre—this restless, prowling novel explores love as a form of greed, and confused need as one shape of bereftness Anna has been living happily for twenty years with loving, sturdy, outgoing Guillaume when she suddenly (truly at first sight) falls in love with Thomas. Intelligent and handsome, but apparently scarred by a terrible early emotional wound, he reminds Anna of Jude the Obscure. Adrift and lovelorn, she tries unsuccessfully to fend off her attraction, torn between the two men. “How strange it is to leave someone you love for someone you love. You cross a footbridge that has no name, that's not named in any poem. No, nowhere is a name given to this bridge, and that is why Anna found it so difficult to cross.” Anne Serre offers here, in her third book in English, her most direct novel to date. *The Beginners* is unpredictable, sensual, exhilarating, oddly moral, perverse, absurd—and unforgettable.
