*Land Uprising* Feb 08 2021 *Land Uprising* reframes Indigenous land reclamation as a horizon to decolonize the settler colonial conditions of literary, intellectual, and activist labor. Simón Ventura Trujillo argues that land provides grounding for rethinking the connection between Native storytelling practices and Latinx racialization across overlapping colonial and nation-state forms. Trujillo situates his inquiry in the cultural production of La Alianza Federal de Mercedes, a

formative yet understudied organization of the Chicana movement of the 1960s and 1970s. La Alianza sought to recover Mexican and Spanish land grants in New Mexico that had been dispossessed after the Mexican-American War. During graduate school, Trujillo realized that his grandparents were activists in La Alianza. Written in response to this discovery, *Land Uprising* bridges La Alianza's insurgency and New Mexican land grant struggles to the writings of Leslie Marmon

Silko, Ana Castillo, Simon Ortiz, and the Zapatista Uprising in Chiapas, Mexico. In doing so, the book reveals uncanny connections between Chicana, Latina, Latin American, and Native American and Indigenous studies to grapple with Native land reclamation as the future horizon for Chicana and Latina indigenities.

**Faith and Power** Oct 19 2021 Illuminates how religion has shaped Latino politics and community building Too often religious politics are considered peripheral to social movements, not central to them. *Faith and Power: Latino Religious Politics Since 1945* seeks to correct this misinterpretation, focusing on the post-World War II era. It shows that the religious politics of this period were central to secular community-building and resistance efforts. The volume traces the interplay between Latino religions and a variety of pivotal movements, from the farm worker movement to the sanctuary movement, offering breadth and nuance to this history. This illuminates how broader currents involving immigration, refugee policies, de-industrialization, the rise of the religious left and right, and the Chicana/o, immigrant, and Puerto Rican civil rights movements helped to give rise to political engagement among Latino religious actors. By addressing both the influence of these larger trends on religious movements and how the religious movements in turn helped to shape larger political currents, the volume offers a compelling look at the twentieth-century struggle for

justice.

**With the King at Oxford: A Tale of the Great Rebellion**

Oct 26 2019 My father was the son of a gentleman of Oxfordshire that had a small estate near to the town of Eynsham, in that county. The monks of Eynsham Priory had the land afore-time; and 'twas said that here, as elsewhere, there was a curse upon such as held for their own uses that which had been dedicated to God's service. How this may be I know not, though there are notable instances—as, to wit, the Russells—in which no visible curse has fallen on the holders of such goods; but it is certain that my father's forbears wasted their estate grievously. Being but the third son, he had scarce, in any case, tarried at home; but, matters being as they were, the emptiness of the family purse drove him out betimes into the world. Being of good birth and breeding he got, without much ado, a place about the Court, which was not, however, much to his liking. I have heard him say—and this, though, as will be seen hereafter, he was a great lover of monarchy—that, between a weak king and villainous courtiers, Whitehall was no place for an honest gentleman. Robert Carr, that was afterwards Earl of Somerset, he liked little, and George Villiers, Duke of Buckingham, he liked yet less, being, as he was wont to say, by so much a greater villain than Somerset as a duke is greater than an earl. He was right glad, therefore, to leave the "sunshine of the Royal presence;" for so did men speak of the Court in the hyperbolical language of those times, even for so dismal and

outlandish a part as Ireland. But I know not whether he did not wish himself back, for of Ireland he would never afterwards speak with any measure of patience, declaring that he knew not which were the worse, the greediness and cruelty of the English conquerors, or the savagery and unreason of the native people. Here he tarried for some three or four years, having, indeed, had bestowed upon him an estate, which, for its boundaries, at least, was of considerable magnitude, but from which he received nothing but trouble. Who hath it now I know not; and, indeed, he charged me to have nought to do with it, saying—for I remember his very words—"If they will give thee the whole island in fee, say them nay, for it is fit for nothing but to be drowned under the sea." Yet his next venture was not one whit happier, as will be readily concluded, when I say that he took service with Sir Walter Raleigh, whom he chanced to fall in with at Cork, at which place Sir Walter touched on his way to the Indies in search of gold. Gold got they none, but of hard blows not a few, and of pains and sickness still more. My father was with the boats that sailed up the river Orinoco, and caught in his arms, I have heard him say, Walter Raleigh the younger, when this last was slain by a bullet from a Spanish arquebuse. From this voyage he came back beggared in and purse not a little broken in health; to the end of his days indeed he suffered much at times from the fever that he

contracted in those parts. The year following that wherein Raleigh was beheaded, came what seemed at the first sight good news, namely, that the Bohemians had bestowed the crown of their country upon the Elector of Bavaria, husband to the Princess Elizabeth, the king's daughter. Thereupon there arose such a tumult of joy throughout the country as the oldest man living scarce remembered to have heard before. There was nothing too good to be hoped for as about to come from this promotion. Indeed, I have heard my father say that he was himself present when the Archbishop of Canterbury (Dr. Abbott) preached a sermon wherein he declared that this event was foretold in Scripture, naming even the chapter and verse, which were, if I remember right, in the Book of the Revelation. My father was carried away with the rest, and having, as may well be thought, a special gift for choosing for his own that which should be the losing side, forthwith took service with the Elector, to whom King James, though scarce approving of the cause, sent at this time auxiliaries to the number of four thousand. In this army my father had a captain's commission, with pay to the amount of four shillings by the day—handsome wages, only that he never received of them so much as a doit. Nor did the campaign recompense the defect of gains by any excess of glory. It was, indeed, as barren of laurels as of gold; and my father, who, being favourably known of old time by the Princess, was appointed

to command the guard of the Elector, arrived in his Highness's company at the Hague without a penny in his pocket, and scarce a coat to his back.

The King Must Die May 26 2022 This brilliant retelling of the story of Theseus, the king of Athens, brings Greek mythology vividly to life and remains 'one of the truly fine historical novels of modern times' (The New York Times)

Theseus is the grandson of the King of Troizen, but his paternity is shrouded in mystery - can he really be the son of the god Poseidon? When he discovers his father's sword beneath a rock, his mother must reveal his true identity: Theseus is the son of Aegeus, King of Athens, and is his only heir. So begins Theseus's perilous journey to his father's palace to claim his birthright, escaping bandits and ritual king sacrifice in Eleusis, to slaying the Minotaur in Crete. Renault reimagines the

Theseus myth, creating an original, exciting story. 'Mary Renault's portraits of the ancient world are fierce, complex and eloquent, infused at every turn with her life-long passion for the Classics. Her characters live vividly both in their own time, and in ours' (Madeline Miller, bestselling author of Circe) 'Mary Renault is a shining light to both historical novelists and their readers' (Hilary Mantel, bestselling author of Wolf Hall)

Katori Hall Plays One Mar 24

2022 An important new voice for African-American theatre, Katori Hall explores the lives of black and often invisible Americans with vivid language, dynamic narratives and richly textured characterisation. Hoodoo Love is Hall's debut play, a tale of love, magic, jealousy and secrets in 1930s Memphis, written in vivid language which captures the spirit of the Blues. Saturday Night/Sunday Morning is set in a Memphis beauty shop/boarding house during the final days of WWII. Rich with humor and history, it is a story about friendship and finding love in unexpected places. Winner of the Olivier Award for Best New Play 2009, The Mountaintop is a historical-fantastical two hander, portraying the penultimate day in the life of Martin Luther King. Hurt Village won the 2011 Susan Smith Blackburn Prize. Set in a real-life Memphis housing project, it explores in vivid and at times

brutal detail a long-lasting legacy of drug abuse, child abuse, crime, and self-hatred within a poor, working-class, multi-generational Black family. This first collection of Katori Hall's dramatic works demonstrate her unique voice for the theatre, which is visceral, passionate and energetic. Hall portrays disenfranchised portions of society with fearless humanity and startling accomplishment. **I'm Not a Terrorist, But I've Played One On TV** Jul 16 2021 Previously published in hardcover: 2015.
