Sounds Like Titanic: A Memoir Nov 11 2020 A young woman leaves Appalachia for life as a classical musician—or so she thinks. When aspiring violinist Jessica Chicchitto Hindman lands a job with a professional ensemble in New York City, she imagines she has achieved her lifelong dream. But the ensemble proves to be a sham. When the group “performs,” the microphones are never on. Instead, the music blares from a CD. The mastermind behind this scheme is a peculiar and mysterious figure known as The Composer, who is gaslighting his audiences with music that sounds suspiciously like the Titanic movie soundtrack. On tour with his chaotic ensemble, Hindman spirals into crises of identity and disillusionment as she “plays” for audiences genuinely moved by the performance, unable to differentiate real from fake. Sounds Like Titanic is a surreal, often hilarious coming-of-age story. Hindman writes with precise, candid prose and sharp insight into ambition and gender, especially when it comes to the difficulties young women face in a world that views them as silly, shallow, and stupid. As the story swells to a crescendo, it gives voice to the anxieties and illusions of a generation of women, and reveals the failed promises of a nation that takes comfort in false realities.

Nightmare on the Titanic May 30 2022 Describes the events that occurred when the steamship Titanic hit an iceberg and sank in 1912.

The Titanic Sinks! (Totally True Adventures) Sep 09 2020 Here is the exciting true story about the “unsinkable” Titanic! Dramatic accounts, white-knuckle suspense, and fast-paced action of how the world’s biggest, safest ship sank on its maiden voyage. Includes black-and-white photos and full-color underwater photos of the wreck.

Titanic Jan 26 2022 Every new and groundbreaking archaeological discovery refines our understanding of human history. This title examines the exploration and study of the Titanic’s wreck. The book explores the ship’s sinking, traces its discovery and scientific investigation, and discusses future study and conservation efforts. Well-placed sidebars, vivid photos, helpful maps, and a glossary enhance readers’ understanding of the topic. Additional features include a table of contents, a selected bibliography, source notes, and an index, plus a timeline and essential facts. Aligned to Common Core standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

Titanic’s Fatal Voyage Nov 23 2021 “Iceberg right ahead!” yelled Frederick Fleet, a crewmember aboard the Titanic. The ship had only seconds to spare. Titanic’s officers steered the ship to the left as quickly as they could to avoid a head-on collision. But they weren’t fast enough. The right side of the ship struck the side of the ice mountain floating in the north Atlantic. The fate of the Titanic—and its 1,317 passengers and 885 crewmembers—had been sealed. Titanic’s Fatal Voyage tells the devastating story of how the gigantic and supposedly unsinkable ship was swallowed by the sea on its maiden voyage. Readers will learn about the ocean liner’s journey in vivid detail, as well as incredible tales of courage and survival. The fascinating content and large-format color images, maps, and fact boxes bring the Titanic’s tragic story to life. Titanic’s Fatal Voyage is part of Bearport’s Titanica series.

A Haunted Titanic Oct 23 2021 It was the night of April 14, 1912. Jessie Sayre, a young orphan, tossed and turned in a feverish sleep. Meanwhile, hundreds of miles away, the Titanic cruised in the dark waters of the Atlantic Ocean toward an unseen iceberg. Yet somehow Jessie sensed the Titanic’s doom. “I am so afraid. Can’t you see that big ship sinking in the water?” she called out in the night. “Look at all those people who are drowning!” Then Jessie fell into a coma and died at 11:40 P.M.—the same time an iceberg pierced the Titanic’s hull. A Haunted Titanic uncovers the chilling stories, uncanny revelations, and ghostly premonitions surrounding the doomed ship. The tales, like the ship herself, are cloaked in icy darkness and mystery—and will undoubtedly captivate readers. Large-format color images, maps, and fact boxes enrich the creepy content. A Haunted Titanic is part of Bearport’s Titanica series.

The Titanic Disaster Apr 16 2021 “Exciting illustrations follow the events of the Titanic disaster. The combination of brightly colored panels and leveled text is intended for students in grades 3 through 7.”—Provided by publisher.

National Geographic Readers: Titanic Oct 03 2022 Get kids reading with cool information about the subjects that interest them the most. National Geographic Readers are high-interest, exciting, and easy to read. The latest in the series, Titanic is no exception. Just in time for the 100th anniversary of the Olympic-class passenger liner’s ill-fated journey, this title is replete with brilliant photographs and exclusive in-depth coverage including Bob Ballard’s 1985 discovery. Brought to you only as National Geographic can, the industrial feat of the powerful ship, the tragedy of the wreckage, and the fascinating stories of survival bring the historical significance of the Titanic to a new audience in this level 3 reader.

T is for Titanic Feb 24 2022 In T is for Titanic, husband-and-wife writing team Michael and Debbie Shoulders sift through the stories, documents, and artifacts surrounding the famous ship, giving a you-are-there view to one of the greatest disaster stories.

Titanic Oct 30 2019 On the 100th anniversary of Titanic’s sinking, National Geographic revisits the romance, glory, and tragedy of this tremendous ship and presents an insider’s look at the new findings about the passengers and scientific study of the wreck site. For 100 years the great ship Titanic has rested in its final grave on the ocean floor, lost to deep ocean darkness until its 1985 discovery by National Geographic’s Bob Ballard. Relive the spell-binding tragic final hours of the ship in a detailed retelling of the famous story and learn the personal stories of lesser-known passengers, including the “guarantees.” For the first time since its discovery, Ballard travels to Belfast to interview descendants of the ship builders and the “guarantee group”—the ill-fated men who traveled on the ship’s first voyage to assure its seaworthiness. Understand underwater mapping techniques that have brought Titanic’s debris field into high resolution, and get a glimpse of current deep ocean scientific research on the wreckage and the future of underwater exploration.

Escape This Book! Titanic May 18 2021 Activity book meets adventure in this series that is Choose Your Own Adventure meets I Survived meets doodle book! Doodle, decide, and demolish your way out of history’s greatest events! Reader, beware! Once you open this book, there is no turning back. Doodle your way through adventures as you decide the best path for survival. Don’t be afraid to rip or fold a page. . . . Your escape may depend on it!

Surviving a Shipwreck Jul 08 2020 In 1912, more than 2,200 people sailed aboard the maiden voyage of the Titanic. Four days into its Atlantic crossing, the mammoth vessel sank. More than two-thirds of the passengers perished. Learn more about this dramatic event and those who survived.

Discovering Titanic’s Remains Sep 21 2021 After the Titanic sank in 1912, many schemes were proposed to lift the great ship from its watery grave. But there were problems—no one knew exactly where the Titanic had sunk, and, even if they had, the technology to reach the ship, which lay on the ocean floor almost two miles down, didn’t exist. By the 1970s, however, new technologies allowed explorers like Dr. Richard Ballard to search the deep ocean. Finally, in 1985, Dr. Ballard found something . . . Discovering Titanic’s Remains is the thrilling story of how the most famous shipwreck of all time was found. It’s a tale of unbelievable persistence and the amazing technology that revealed the once-grand ship disintegrating on the deep ocean floor. The fascinating content and large-format color images, maps, and fact boxes bring the Titanic’s amazing re-discovery to life. Discovering Titanic’s Remains is part of Bearport’s Titanica series.

Stories of Titanic’s Children Aug 28 2019 Introduces the children on the Titanic, including details about their family life, adventures on the ship, and the dangers they faced at sea. Additional features to aid comprehension include a table of contents, fact-filled captions, historical photos, a glossary, sources for further research, a listing of source notes, and an introduction to the author.

Into the Deep Jan 02 2020 The legendary explorer of Titanic and Lusitania reveals the secret military missions behind his famous exploits and unveils a major new discovery on the occasion of the 35th anniversary of the Titanic find. Best known for finding the wreck of the Titanic, celebrated adventurer Robert Ballard has a lifetime of stories about exploring the ocean depths. From discovering new extremophile life-forms thriving at 750°F hydrothermal vents in 1977 to finding famous shipwrecks including the Bismarck and PT 109, Ballard has made history. Now the captain of E/V Nautilus, a state-of-the-art scientific exploration vessel rigged for research in oceanography, geology, biology, and archaeology, he leads young scientists as they map the ocean floor, collect artifacts from ancient shipwrecks, and relay live-time adventures from remote-controlled submersibles to reveal amazing sea life. Now, for the first time, Robert Ballard gets personal, telling the inside stories of his adventures and challenges as a midwestern kid with dyslexia who became an internationally renowned ocean explorer. Here is the definitive story of the danger and discovery, conflict and triumph that make up his remarkable life.

Titanic, The Mar 16 2021 Most people know the Titanic from television or movies. But there are a few things that Hollywood left out. This high-interest title takes readers on a journey across the ocean to explore the Titanic’s history, from when it was built to its resting place on the ocean floor. Maps, graphs, profiles of recent discoveries, and other features provide a look into what went wrong on this ill-fated ship.

Sinkable Sep 29 2019 From the national bestselling author of The Food Explorer, a fascinating and rollicking plunge into the story of the world’s most famous shipwreck, the RMS Titanic On a frigid April night in 1912, the world’s largest—and soon most famous—ocean liner struck an iceberg and slipped beneath the waves. She had scarcely disappeared before her new journey began, a seemingly limitless odyssey through the world’s fixation with her every tragic detail. Plans to find and raise the Titanic began almost immediately. Yet seven decades passed before it was found. Why? And of some three million shipwrecks that litter the ocean floor, why is the world still so fascinated with this one? In Sinkable, Daniel Stone spins a fascinating tale of history, science, and obsession, uncovering the untold story of the Titanic not as a ship but as a shipwreck. He explores generations of eccentrics, like American Charles Smith, whose 1914 recovery plan using a synchronized armada of ships bearing electromagnets was complex, convincing, and utterly impossible; Jack Grimm, a Texas oil magnate who fruitlessly dropped a fortune to find the wreck after failing to find Noah’s Ark; and the British Doug Woolley, a former pantyhose factory worker who has claimed, since the 1960s, to be the true owner of the Titanic wreckage. Along the way, Sinkable takes readers through the two miles of ocean water in which the Titanic sank, showing how the ship broke apart and why, and delves into the odd history of our understanding of such depths. Author Daniel Stone studies the landscape of the seabed, which in the Titanic’s day was thought to be as smooth and featureless as a bathtub. He interviews scientists to understand the decades of rust and decomposition that are slowly but surely consuming the ship. (It is expected to disappear entirely within a few decades!) He even journeys over the Atlantic, during a global pandemic, to track down the elusive Doug Woolley. And Stone turns inward, looking at his own dark obsession with both the Titanic and shipwrecks in general, and why he spends hours watching ships sink on YouTube. Brimming with humor, curiosity and wit, Sinkable follows in the tradition of Susan Orlean and Bill Bryson, offering up a page-turning work of personal journalism and an immensely entertaining romp through the deep sea and the nature of obsession.

Can You Survive the Titanic? Mar 04 2020 "Describes the fight for survival during the sinking of the ship Titanic"--Provided by publisher.

SOS Titanic Feb 01 2020 This tale of an Irish teenager aboard the doomed ship, from a Caldecott Medal winner, is a "taut disaster story . . . nearly impossible to put down" (Publishers Weekly). Fifteen-year-old Barry O'Neill is journeying to New York to reunite with his parents on the maiden voyage of the great ship Titanic. He's homesick, and worried about the Flynn boys traveling in steerage, who have threatened to throw him overboard. Little does Barry know that a struggle with the Flynn is the least of the dangers that await him. This "fast-paced" and suspenseful young adult adventure story is based on the true and terrible events that occurred as the Titanic sank, and "immerses readers in the many human tragedies" (Booklist).

Lost on the Titanic (Out of Time 1) May 06 2020 Allie and Vic Taylor are just regular kids who help out in their parents' antique shop. Until one day, when they find they can travel through time! From Epic! Originals, Out of Time is a middle-grade chapter book series about time-traveling kids who explore important moments in history! When Allie, Vic, and their friend, Max, are mysteriously sent back in time to the Titanic, they have to find a way to save their parents' shop, save their futures, and get off the ship before it sinks! Join them as they explore the Titanic in its prime and attempt to find their way back to the present! After the adventure, readers can flip to the back of the book to learn interesting facts about antique stores as well as the Titanic and its passengers!

A Night to Remember Aug 09 2020 An absorbing, minute-by-minute account of the demise of the "unsinkable" Titanic, the massive luxury liner that housed a French "sidewalk cafe" and a grand staircase, among other extravagances, but failed to provide enough lifeboats for the 2,207 passengers on board. Reissue.

Luck of the Titanic Mar 28 2022 From the New York Times bestselling author of *The Downstairs Girl* comes the richly imagined story of Valora and Jamie Luck, twin British-Chinese acrobats traveling aboard the Titanic on its ill-fated maiden voyage. Valora Luck has two things: a ticket for the biggest and most luxurious ocean liner in the world, and a dream of leaving England behind and making a life for herself as a circus performer in New York. Much to her surprise though, she's turned away at the gangway; apparently, Chinese aren't allowed into America. But Val has to get on that ship. Her twin brother Jamie, who has spent two long years at sea, is there, as is an influential circus owner, whom Val hopes to audition for. Thankfully, there's not much a trained acrobat like Val can't overcome when she puts her mind to it. As a stowaway, Val should keep her head down and stay out of sight. But the clock is ticking and she has just seven days as the ship makes its way across the Atlantic to find Jamie, perform for the circus owner, and convince him to help get them both into America. Then one night the unthinkable happens, and suddenly Val's dreams of a new life are crushed under the weight of the only thing that matters: survival.

Titanic Nov 04 2022 Discusses the Titanic, including its design, how the ship sank, the passengers onboard, and why the ship's legacy lives on.

Taking the Titanic Apr 04 2020 The greatest story in modern history has a new chapter.... Posing as newlyweds, two ruthless thieves board the Titanic to rob its well-heeled passengers. But an even more shocking plan is afoot—a sensational scheme that could alter the fate of the world's most famous ship. **BookShots LIGHTNING-FAST STORIES** BY JAMES PATTERSON Novels you can devour in a few hours Impossible to stop reading All original content from James Patterson

Titanic's Last Hours Aug 21 2021 From the moment the iceberg was spotted, at 11:40 P.M. on April 14, 1912, the Titanic's fate was sealed. Its 2,200 passengers and crew, in the course of two momentous hours, would meet their destiny in the icy, black waters of the North Atlantic. As the moments passed and the reality of what was happening began to sink in, the crew would make heroic efforts to save as many passengers as possible. In the end, however, the great ship would exact a harrowing toll from all on board. *Titanic's Last Hours: The Facts* is a riveting account of the last two hours the supposedly unsinkable ship was afloat. Beginning at 11:40 P.M., the book relives the events set in motion after the brush with the iceberg and culminates with the sinking of the ship at 2:20 A.M. The fascinating moment-by-moment action along with large-format color images, maps, and fact boxes bring the nail-biting tension that passengers and crew must have faced in those final hours fully to life. *Titanic's Last Hours: The Facts* is part of Bearport's *Titanica* series.

The Titanic Story Jul 20 2021 *The Titanic Story* studies the RMS Titanic, the supposedly unsinkable, world-class passenger liner that sank in the North Atlantic in 1912. Vivid text and images bring the ship to life, examining its construction, technology, crew, and passengers, as well as its fateful place in history. Features include a glossary, references, websites, source notes, and an index. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

Iceberg, Right Ahead! Sep 02 2022 Audisee® eBooks with Audio combine professional narration and sentence highlighting to engage reluctant readers! "Iceberg, Right Ahead!" Only 160 minutes passed between the time a sailor on lookout duty uttered these chilling words and the moment when the mighty ocean liner Titanic totally disappeared into the cold, dark waters of the North Atlantic. This century-old tragedy, which took more than 1,500 lives, still captivates people in the twenty-first century. Seventy-three years separate the two major Titanic events—the 1912 sinking of the vessel and the dramatic 1985 discovery of the wreck by Robert Ballard. But additional stories about the victims, survivors, rescuers, reporters, investigators, and many others show the far-reaching effects this tragedy had on society. Award-winning author Stephanie Sammartino McPherson has collected numerous personal accounts of the event, including the knighted man who spent the rest of his life in seclusion because he was accused of dishonorable behavior in a lifeboat, the stewardess who survived two shipwrecks and a mid-ocean collision, and the New York Times executive who sent multiple reporters to meet the rescue ship, thus earning a national reputation for his newspaper. She also links the Titanic tragedy to changes in regulations worldwide. After a Senate Inquiry and a British trial attempted to assign blame for the disaster, new laws on ship safety were put in place. A group of nations also banded together to form an ice patrol, eventually leading to the formation of the U.S. Coast Guard. Even the most avid Titanic fans will learn something new as McPherson brings the reader up to date on the politics and intrigue still surrounding the wreck—including what modern science can reveal about what really happened to the ship and who was at fault. Prepare to follow the never-ending story of the Titanic into its second century.

Timelines of Everything Jun 26 2019 Explore 13 billion years of history in the comfort of your own home! Journey through time and discover how some of the world's greatest events unfolded. From the Big Bang all the way through to the digital age, this incredible visual encyclopedia for children shows you just about everything that has ever happened in history. Witness history come alive as you travel through more than 130 stunning timelines. Packed with fantastic photographs and illustrations, along with informative text and fun facts. The history book covers the rise and fall of empires to ground-breaking scientific breakthroughs and inventions that changed our lives. This educational book is an imaginative way of illustrating world history for children age 8 and over. Throughout the pages, your child will get to meet the most bloodthirsty pirates of all time and discover what happened during the storming of the Bastille. It's a fantastic book for young readers with a natural curiosity about history around the world. Find your place in the world and understand where you fit in. After your kids dive into this book, you'll never hear them use the words "history" and "boring" in the same sentence again. Take a trip back in time! This history book covers the following eras: - Prehistory: Before 3000 BCE - The Ancient World: 3000 BCE - 500 CE - The Medieval World: 500 - 1450 - The Age of Exploration: 1450 - 1750 - The Age of Revolution: 1750 - 1914 - The Modern World: After 1914

Titanic Jun 06 2020 Fascinating fictional retelling of the events that led to the tragedy of the Titanic, based on documents from the National Archives. A Belfast boy is terrified of getting a job in the dockyard where the Titanic is being built, and where his father died. Instead he gets a job on the ship, where he thinks his biggest problem is his rivalry with a fellow ship's boy who calls him a coward. On the night the unsinkable ship meets the iceberg, he must find out how brave he really is.

Story of the Titanic Jun 18 2021 This is the tragic story of the Titanic, the biggest and most luxurious ocean liner the world had ever seen, which sank on her maiden voyage in April 1912. Beautiful, double-page illustrations with amazing cross-sections and cutaway details explain the construction and mechanical details of this gigantic ship and reveal life onboard for passengers and crew. Each new illustration reveals different aspects of life in the early 20th century, and the text highlights hidden details for you to spot. As you follow the pictorial story of this world-famous liner, you will discover how she was built and equipped, what kind of passengers and crew she carried, and what facilities she offered onboard. You will also find out how she struck an iceberg and met with disaster, why she sank so quickly, how many people were saved, and how many lives were lost. You can compare the differences between the Titanic's passengers—from the first-class millionaires to the third-class emigrants—and find out how they dressed, where they ate and slept, and what they did to amuse themselves during the voyage. You can also take a closer look at some of the passengers and crew, and follow their different fates from the exciting start of the voyage to its tragic end.

Spirit of the Titanic Jul 28 2019 Fifteen-year-old Samuel Scott died while building the Titanic. As the ship sails to her doom, his ghost moves restlessly alongside the passengers and crew: Frederick Fleet: the young look-out who spotted the iceberg and who survived in a life-boat with (the unsinkable) Molly Brown; Howard Hartley Wallace: the heroic band-leader who played ragtime music as the freezing waters lapped at his feet; Harold Bride: the junior radio operator whose messages echoed on, long after the ship had disappeared to its icy grave ...

Titanic Oct 11 2020 Describes, in easy-to-read text, the disastrous 1912 sinking of the world's largest ocean liner after colliding with an iceberg during its maiden voyage. Simultaneous.

The Titanic: Lost and Found Apr 28 2022 Titanic. Just the name evokes tales of the doomed ship that have captivated people of all ages for more than 100 years. Early readers will enjoy this exciting account of the world's most famous disaster-at-sea and the discovery of it's remains many years later. Step 4 books are perfect for independent readers who are confident with simple sentences and are just starting to tackle paragraphs.

Finding the Titanic Feb 12 2021 The great ship Titanic sank in April 1912, and for almost seventy-five years lay unfound on the ocean floor. Scientist Robert Ballard dreamt of finding the lost ship, and this is the thrilling account of how he made this dream come true. Interspersed in the narrative is the story of the sinking itself, as told through the eyes of a twelve-year-old girl, one of the fortunate survivors. The you-are-there narrative, photos, and drawings add to the excitement, and help readers to understand the magnitude of this great tragedy.

Titanic's Passengers and Crew Jun 30 2022 It was 2:00 A.M. on April 15, 1912, in the middle of the icy Atlantic Ocean. Eventeen year- old Jack Thayer stood on the slanted deck of the RMS Titanic and weighed his options—Jump, or die, he thought. The huge ship had just struck an iceberg and was taking on water. Making matters worse, all the lifeboats were full. Jack closed his eyes for a moment. Suddenly, a noise like a train crash startled him. This was it—the Titanic was going down! *Titanic's Passengers and Crew* is a compilation of compelling stories about the people aboard the luxurious—and supposedly unsinkable—ship. From wealthy first-class passengers like Jack Thayer to third-class travelers and crew, readers will meet and learn the harrowing tales of some of the most noteworthy people on the ship. Large-format color images, maps, and fact boxes bring the fear and panic the passengers and crew faced into clear, terrifying focus. *Titanic's Passengers and Crew* is part of Bearport's *Titanica* series.

The History of the Titanic Aug 01 2022 Discover the history of the Titanic—an exploration of the shipwreck that shook the world for kids ages 6 to 9 On April 10, 1912, the Titanic sailed away from Southampton, England, on its very first voyage. It was the biggest ship ever built, and many people believed it was unsinkable. Four days later they were proven wrong. The sinking of the Titanic is a tragedy that we still remember today. One of the most comprehensive Titanic books for kids available, this colorfully illustrated story takes you through the ship's construction, its tragic voyage, and the legacy it left behind. This standout among Titanic books for kids features: A visual timeline—Easily understand important details of the Titanic's construction and journey thanks to a timeline marking the major milestones. Core curriculum—Learn the Who, What, Where, When, Why, and How of this fateful voyage, and take a quick quiz to test your knowledge after you finish this top choice in Titanic books for kids. Lasting changes—Explore thought-provoking questions that help you better understand how the sinking of the Titanic affected the world you live in today. Learn about this unforgettable disaster in this fascinating Titanic book for kids.

The Sinking of the Titanic and Great Sea Disasters Dec 01 2019 This is one of the first and most famous books published after the sinking of the Titanic, and contains much material from contemporary newspaper accounts. It was written by Logan Howard-Smith (under the pen name of Logan Marshall), an editor who specialized in the rapid publication of books about current events. For this book, his crowning achievement, the initial print run was for no fewer than 110,000 copies. The publisher achieved this by running 11 presses simultaneously, and the books were then sold door-to-door across America for a dollar apiece. Although Marshall's own description of the sinking is melodramatic and sensationalistic, the many verbatim interviews with survivors of the disaster have stood the test of time, and are often cited in Titanic literature.

What Really Sank the Titanic: Jan 14 2021 Was the ship doomed by a faulty design? Was the hull's steel too brittle? Was the captain negligent in the face of repeated warnings? On the night of April 14, 1912, the "unsinkable" RMS Titanic, with over 2,200 passengers onboard, struck an iceberg in the North Atlantic and plunged to a watery grave. For nearly a century, the shocking loss has haunted the world. Now the same CSI techniques that are used to solve modern murder cases have been applied to the sinking of history's most famous ship. Researchers Jennifer Hooper McCarty and Tim Foecke draw on their participation in expeditions to the ship's wreckage and experiments on recovered Titanic materials to build a compelling new scenario. The answers will astound you... Grippingly written, *What Really Sank the Titanic* is

illustrated with fascinating period photographs and modern scientific evidence reflecting the authors' intensive study of Titanic artifacts for more than ten years. In an age when forensics can catch killers, this book does what no other book has before: fingers the culprit in one of the greatest tragedies ever. "A fascinating trail of historical forensics." --James R. Chiles, author of *Inviting Disaster* "An essential facet of Titanic history. Five stars!" --Charles Pellegrino, author of *Her Name Titanic* With 16 pages of photos

What Was the Titanic? Dec 13 2020 For more than 100 years, people have been captivated by the disastrous sinking of the Titanic that claimed over 1,500 lives. Now young readers can find out why the great ship went down and how it was discovered seventy-five years later. At 2:20 a.m. on April 15, 1912, the Royal Mail Steamer Titanic, the largest passenger steamship of this time, met its catastrophic end after crashing into an iceberg. Of the 2,240 passengers and crew onboard, only 705 survived. More than 100 years later, today's readers will be intrigued by the mystery that surrounds this ship that was originally labeled "unsinkable."

The Titanic Dec 25 2021 Blast back to discover what life was like on the Titanic! You may have heard of the movie Titanic, but what was life on the actual Titanic really like? This engaging nonfiction book, complete with black and white interior illustrations, will make readers feel like they've traveled back in time. It covers everything from how the ship was built to what the passengers did for fun, and more. Find out interesting, little-known facts such as how the anchor was so heavy that they needed to use twenty horses to lift it and how the ship's musicians continued to play as the ship sank. The unique details, along with the clever illustrations, make this series stand out from the competition.
