The Amazing True Stories of Pepito the Squirrel Jan 30 2020 The Amazing True Stories of Pepito The Squirrel is based on the real life adventures of Pepito, who was injured when very young, and the retired physician who nurtured him back to good health. To escape the burden of carrying her family's honor, Fiona decides to take her own virginity. In the process, she makes a surprising discovery that reunites her with a long-lost friend, Sean Killroy. Sean introduces her to a dark world of excitement, danger, cunning, and cruelty, pushing her to the limits of her own morality. But Fiona's father throws her new life into disarray when he dupes her into an overnight trip that results in a hasty engagement to Don Koo, the spoiled son of a wealthy chef. Determined to thwart her parents' plans to marry her off into Asian suburbia, Fiona seeks her freedom at any price. How far will she go to bury the Hello Kitty stereotype forever? Fiona's journey of self-discovery is biting and clever as she embraces her true nature and creates her own version of the American Dream, eliminating--without fear or remorse--anyone who stands in her way.

Pepito Jul 30 2022 This is a true story. It really happened in a pueblo in southern Mexico. Animals are as emotionally intelligent as humans and have their very own feelings. They can teach and guide us, as much as we can them! This little book will introduce young readers to new words to enrich their vocabulary, and encourage them to learn to read well and observe intently. The written word, when used wisely, is a wondrous thing. Like a pebble thrown into a pond, its ripple extends far afield - so much farther than the cold, technological gadgets that are usurping its place in the hands of children today. As for the Painting Angel... is she true? That, you will have to decide for yourself, but here is a clue... Life is magical, as is Beauty. Let us treasure the old-fashioned style story!
