Show-Offs Dec 21 2021 Some men like to watch, and some men like to be watched. Some men are real Show Offs. The universe has a way of balancing things out, doesn't it? We're not talking sidewalk cruising here, that natural inclination for one man to appreciate another man's body in passing, perhaps leading to full-on sex, perhaps fueling, once he's alone, a climactic fantasy. No, the stories in this collection are more furtive: the desired body savored voyeuristically through a window, through a crack in the closet door, through a camera lens, sometimes from right across the room; the body desired flaunting manly wares while bathing in a river, playing in a bathhouse, wearing a leaving-nothing-to-the-imagination thong. Forget "like": some men need to be watched; some men need to watch. These are their stories.
