Islamophobia and the Politics of Empire May 06 2020 A critically acclaimed analysis of anti-Muslim racism from the sixteenth to the twenty-first centuries, in a fully revised and expanded second edition In this incisive account, leading scholar of Islamophobia Deepa Kumar traces the history of anti-Muslim racism from the early modern era to the "War

on Terror." Importantly, Kumar contends that Islamophobia is best understood as racism rather than as religious intolerance. An innovative analysis of anti-Muslim racism and empire, *Islamophobia* argues that empire creates the conditions for anti-Muslim racism, which in turn sustains empire. This book, now updated to include the end of the Trump's presidency, offers a clear and succinct explanation of how Islamophobia functions in the United States both as a set of coercive policies and as a body of ideas that take various forms: liberal, conservative, and rightwing. The matrix of anti-Muslim racism charts how various institutions—the media, think tanks, the foreign policy establishment, the university, the national security apparatus, and the legal sphere—produce and circulate this particular form of bigotry. Anti-Muslim racism not only has horrific consequences for people in Muslim-majority countries who become the targets of an endless War on Terror, but for Muslims and those who "look Muslim" in the West as well. With a new foreword by Nadine Naber.

Stalking God Aug 09 2020 Anjali Kumar, a pragmatic lawyer for Google, was part of a rapidly growing population in America: highly spiritual but religiously uncommitted. But when her daughter was born, she became compelled to find God--or at least some kind of enlightenment. Convinced that traditional religions were not a fit for her, and knowing that she couldn't simply Google an answer to "What is the meaning of life?", Kumar set out on a spiritual pilgrimage, looking for answers--and nothing was off limits or too unorthodox. She headed to the mountains of Peru to learn from the shamans, attended the techie haunt of Burning Man, practiced transcendental meditation, convened with angels, and visited saints, goddesses, witches, and faith healers. She even hired a medium to convene with the dead. Kumar's lighthearted story offers a revealing look at the timeless and vexing issue of spirituality in an era when more and more people are walking away from formal religions. Narrated from the open-minded perspective of a spiritual seeker rather than a religious scholar, Kumar offers an honest account of some of the less than mainstream spiritual practices that are followed by millions of people in the world today as she searches for the answers to life's most universal questions: Why are we here? What happens when we die? Is there a God?

Contributions Celebrating Kumar Krishna Dec 25 2021 The present issue of *ZooKeys* comprises a series of papers honoring Prof. Kumar Krishna, the leading authority on the systematics and biology of termites (Isoptera). After becoming exposed to termite systematics under the tutelage of Mittan L. Roonwal in India, Kumar received his doctoral training from the legendary termite systematist and evolutionary biologist Alfred E. Emerson at the University of Chicago. Subsequently, Kumar moved to the City University of New York and the American Museum of Natural History from where, even today, he has produced some of the most important contributions to the study of termites, most notably his two-volume set, *Biology of Termites* (1969?1970, Academic Press), and the forthcoming monumental *Treatise on the Isoptera of the World* (AMNH). Herein colleagues and friends recognize his lifetime of accomplishments in biological systematics by presenting original papers on insect lineages as diverse as termites and grasshoppers, and flies and bees, among others. A brief biographical account and list of his publications to date are provided.

The Short, Happy Life of Harry Kumar Sep 21 2021 Ashok Mathur's debut novel, *Once Upon an Elephant*, was a hilarious murder mystery steeped in Hindu mythology and starring elephant-headed Hindu deity Ganesh. *The Short, Happy Life of Harry Kumar*, nominated for Best Book in the regional Commonwealth Writers Prize, continues Mathur's playful jaunt through mythology, this time blending the Hindu epic, the Ramayana, with the geography of Canada and Australia. Harry Kumar is an unlikely hero

who finds himself vaulted into a globe-trotting quest to rescue his closest friend and confidant who's been kidnapped by a mysterious villain. With his travelling companion, a somewhat high-strung dog named Hanuman, Harry becomes embroiled in the odd politics that govern our world—and his own history. Harry travels a fantastic, twisting trail in search of a woman, his best friend and perhaps lover, in a twisting tale of fate and the backwards/forwards of time. "A fine, subtle look at the ancient myth of Rama and Sita. . . . Mathur's decidedly feminist take on the Rama myth is decidedly unconventional."—*Calgary Herald* "A rich and multilayered story."—*Georgia Straight* Praise for *Once Upon an Elephant*: "Mathur's novel is as funny as it is smart. *Once Upon an Elephant* is wry, sly, and perfectly suited to the tusk, er, task, at hand."—*Toronto Star* "Whimsical. . . . The novel conjures up a cosmos of mirthful chaos. Mathur's debut is a comic celebration."—*Vancouver Sun* "Epic, shrewd, funny, convincing, sexed-up, and full of a kind of glittering gravitas."—*Quill & Quire* Ashok Mathur teaches critical studies at the Emily Carr Institute of Art and Design in Vancouver.

Jubilee Kumar Apr 28 2022 Known to generations of cinema-lovers as the evergreen hero of blockbuster hits like *Dil Ek Mandir*, *Ayee Milan ki Bela*, *Arzoo* and *Sangam*, Rajendra Kumar Tuli was truly the 'Jubilee Star' of Hindi cinema in the 1960s. Jubilee Kumar is the so-far-untold story of the man behind the superstar - one who went from riches to rags early in life, but whose determination, prudence and humility saw him surmount countless hurdles, and win the affection and admiration of colleagues and fans alike. A dispossessed refugee following Partition, Kumar's struggles intensified as he travelled from Sialkot to Bombay to try his luck in films, suffering homelessness and hunger before he got a break as an assistant director. Overcoming both prejudice in the industry and his own insecurities, he eventually rose to unimaginable fame and popularity as a leading man in films and a respected producer. Touching candidly upon his life both on-screen and off it, this intimate account reveals Kumar - often through his own reminiscences and the recollections of others - as a hard-headed businessman, a generous and empathetic senior colleague, a gallant co-star to his female leads, a good-natured rival to peers and, above all, an upright and principled family man who rose above the many temptations of life in the Indian film industry. A riveting tale of struggle and stardom, fame and disillusionment, love, heartbreak and loss, Jubilee Kumar unwraps the many layers of an icon whose achievements and charisma few of his rivals or successors have been able to match.

101 Design Methods Jan 26 2022 The first step-by-step guidebook for successful innovation planning Unlike other books on the subject, 101 Design Methods approaches the practice of creating new products, services, and customer experiences as a science, rather than an art, providing a practical set of collaborative tools and methods for planning and defining successful new offerings. Strategists, managers, designers, and researchers who undertake the challenge of innovation, despite a lack of established procedures and a high risk of failure, will find this an invaluable resource. Novices can learn from it; managers can plan with it; and practitioners of innovation can improve the quality of their work by referring to it.

Uttam Kumar May 30 2022 'There is none like Uttam and there will be no one to ever replace him. He was and he is unparalleled in Bengali, even Indian cinema.'-Satyajit Ray, Oscar-winning Indian film-maker Actor and screen icon Uttam Kumar (1926-1980) is a talismanic figure in Bengali public life. Breaking away from established codes of onscreen performance, he came to anchor an entire industry and led the efforts to reimagine popular cinema in mid-20th-century Bengal. But there is pitifully less knowledge about Uttam Kumar in the learned circles-be it about his range of style and performance; the attractions and problems of his cinema; his roles as a producer and patriarch of the industry; or his persona, stardom and legacy. The first definitive cultural and critical biography of this larger-than-life figure engages meaningfully with his life and cinema, revealing the man, hero and actor from various, often competing, vantages. The conceptual aim is to locate a star figure within a larger historical and cultural context, and to enquire into how a towering image was mobilised for an ever-greater, wholesome, popular and even, at times, radical and progressive entertainment. A

complimentary métier of this work is to explore why and how this star persona would go on to reconstitute the bhadrolok Bengali visual and cultural world in the post-Partition period. But above all, this is the story of a clerk who became an actor, an actor who became a star, a star who became an icon and an icon who became a legend.
